Dear Resident:

Re: Caledon Village Visioning

The Town of Caledon and students from Ryerson University are conducting a Caledon Village Visioning study. This study will involve studying the existing area and its challenges, research of other similar communities/practices, analysis and facilitation of community participation workshops to generate ideas and the preparation of a long-range plan or Vision report.

You may notice students walking in the Village and asking residents' questions. You may even be approached by the students and asked for your opinions and ideas for the future appearance of Caledon Village. Your assistance is greatly appreciated.

Also, the Town of Caledon and Ryerson University will be hosting a facilitated workshop open to the public. The Workshop will provide an opportunity to bring together a diverse group of interests and expertise to generate new ideas on Caledon Village design, form and character.

The Workshop will be held on October 20, 2011, at Caledon Village Place and Library, 18313 Hurontario St. from 7:00 to 9:00 p.m. Coffee will be available.

**Please RSVP by October 19, 2011, Leigh-Anne Morin, at (905) 584-2272 ext. 4233 or [leigh-anne.morin@caledon.ca](mailto:leigh-anne.morin@caledon.ca). (RSVP is needed to ensure we have adequate staff to facilitate the break-out session of the workshop)**

Yours truly,

Councillor Doug Beffort
