October 31, 2011

Dear Resident:

Re: Caledon Village Visioning - Second Meeting: November 24, 2011 7:00 to 9:00 pm

You were previously informed of the joint program between Ryerson University and The Town of Caledon undertaking a Caledon Village Visioning study. A meeting was held on October 20th to receive input from residents. Thank you to those who attended and shared many good ideas.

We recognize that the letters outlining this creative venture arrived too late for some residents to revise their plans to attend that meeting. Our timeline is extremely tight in order to complete this program to coincide with Ryerson's schedule. We would, however, like to provide an opportunity for anyone who missed the first meeting to share ideas and to join us for the draft presentation of the report.

If you wish to share ideas about how Caledon Village should look in the future, please email Leigh-Anne Morin at leigh-anne.morin@caledon.ca or leave a short message with your ideas by telephone at (905) 584-2272 ext. 4233. Your comments, suggestions and ideas will be shared with the Ryerson students prior to the draft proposals.

A recommended guide for your thoughts would be to respond to two questions:

- 1) What is currently positive about Caledon Village
- 2) What do you recommend as future goals to mitigate the division of our community by a major highway

A second facilitated workshop for Caledon Village residents is being planned for November 24, 2011 at Caledon Village Place, 18313 Hurontario Street from 7:00 to 9:00 pm. It is our intention to provide an opportunity for the Ryerson students to present their draft plan, have some response by local residents and use that process to prepare a final version.

As information becomes available, it will be posted on the Town's website at www.caledon.ca under the Development Section of the Development Approval & Planning Policy Department entitled "Caledon Village Visioning".

Thank you for your participation in this activity and your support. We look forward to seeing you on November 24.

Ward 1 Regional Councillor Richard Paterak

Ward 1 Area Councillor Doug Beffort

If you wish to attend, please RSVP by November 21 to Leigh-Anne Morin at (905) 584-2272 ext. 4233 or by email at leigh-anne.morin@caledon.ca
