

NOTICE OF STUDY COMPLETION

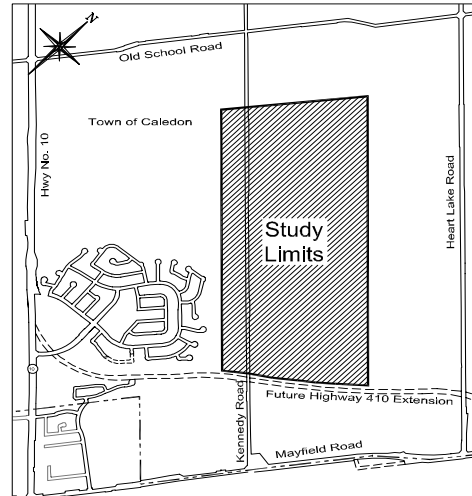

Environmental Assessment Study

The Town of Caledon has completed a Class Environmental Assessment to investigate various improvements to Kennedy Road, from approximately 175 metres north of Highway 410 to the north limit of the Mayfield West Community Development Plan, a distance of approximately 1.7 km.

Improvements to Kennedy Road are necessary to meet the projected increase in traffic demand and community design objectives associated with the Mayfield West Community.

The Town of Caledon intends to reconstruct Kennedy Road to an urban cross section within a 27 metre right-of-way, as well as realign the road to the east of its current alignment.

The study was conducted in compliance with Schedule "C" of the Municipal Engineers Association *Municipal Class Environmental Assessments (June 2000)*.

An Environmental Study Report (ESR) has been prepared and is available for public review at the following locations:

Clerk's Desk, Town of Caledon Town Hall, 6311 Old Church Road, Caledon
Mon-Fri: 9:00 am to 4:30 pm

Margaret Dunn Library, Valleywood Branch, 20 Snelcrest Drive, Caledon
Mon: 2:00 pm to 6:00 pm
Tues & Thurs: 2:00 pm to 8:00 pm
Wed: 10:00 am to 5:30 pm
Sat: 10:00 am to 4:00 pm

Please provide written comments to the Town of Caledon or the consulting engineer, ENTRA Consultants (address listed below), by November 8, 2007 (within 30 calendar days of the date of this Notice). If concerns regarding this project cannot be resolved through discussions with Town of Caledon staff, a person or party may request that the Minister of Environment order the project to comply with Part II of the *Environmental Assessment Act* (referred to as a Part II Order). Requests for a Part II Order must be received in writing by the Minister of Environment, 135 St. Clair Avenue West, 12th Floor, Toronto, ON M4V 1P5. A copy of the request must also be sent to the Town of Caledon. If no request is received by November 8, 2007, the Town of Caledon intends to proceed with detailed design and construction.
