GAME ON!

JOIN THE OPENING CELEBRATIONS OF CALEDON'S NEW ICE PAD

In only six months, the Town of Caledon successfully completed the \$7 million expansion of the Caledon Community Complex (CCC) – Phase Two Ice Pad addition. And the community is invited to help open the doors of Caledon's first "twin pad" ice facility, made possible thanks to a \$7 million dollar investment by the Federal Government's Community Adjustment Fund (CAF), part of Canada's "Economic Action Plan".

Date: Friday, May 14, 2010
Agenda: 1:00 p.m. Ribbon Cutting and Official Remarks
6:00 p.m. Family Program: Facility Tours
Caledon Youth Services' Mobile Youth Centre activities
7:30 p.m. Family Movie: E.T. showing in the second arena.
Seating in the arena, or bring your own and settle in on the cement surface

About the Ice Pad:

The new ice pad boasts one NHL-sized ice pad, six change rooms, two referee rooms, a community room, accessible and stadium style seating and upper and lower viewing areas. The facility's construction also follows Caledon's commitment to utilizing green building practices and environmental approaches. During construction, materials made from post consumer products were utilized, as were energy efficient technologies such as LED lighting in the parking lot areas.
