12. COUNCIL COMMUNICATIONS/INQUIRIES AND ANNOUNCEMENTS

- 12.1 Announcements - None.
12.2 Urgent Business - None.
12.3 Notices of Motion – printed with the agenda.

- (i) Councillor deBoer re: MPAC.

Moved by N. deBoer – Seconded by A. Thompson 2011-579

Whereas the appeals of property assessment values from golf courses have been filed with the Assessment Review Board in many municipalities across Ontario; and

Whereas the Municipal Property Assessment Corporation (MPAC) has made an agreement with the National Golf Courses Owners Association on golf course property tax valuation and assessment; and

Whereas the agreement resulted in a change in assessment methodology to a revised income approach which generally reduced the current value assessment for all golf courses across Ontario; and

Whereas the lower assessments will result in municipalities repaying property taxes collected from golf course owners that have appealed their assessment over the past 10 years; and

Whereas going forward this will likely lower future assessments and tax revenue for golf courses for all municipalities in Ontario; and

Whereas this lost revenue will need to be raised from all other property owners within Ontario municipalities that have been impacted;

Therefore be it resolved:

- i) That the Association of Municipalities of Ontario (AMO) be requested to approach and work with the Province in pursuit of a separate tax class for golf courses;
- ii) And that, the new, optional property class be created in a manner that allows municipalities sufficient latitude in the establishment of tax ratios to mitigate future tax shifts off of these properties and onto other tax classes;
- iii) And that Town staff be authorized to retain a consultant, funded from the Contingency Reserve Fund, to assist in the preparation of a briefing note/backgrounder for AMO and the Province outlining how to most effectively create this separate class and an associated tax ratio structure.

That Council waive the procedural by-law to introduce a Notice of Motion regarding insurance for the Alton Village Association as it is time sensitive.

Carried.

Moved by D. Beffort – Seconded by R. Paterak 2011-581

Whereas the Alton Village Association is proposing to construct a Village Square in Alton and is applying for a Trillium Grant to contribute to the project; and

Whereas in order to qualify for the grant the Town must formally lease the property to the Alton Village Association; and

Whereas the lease will require liability insurance by the Alton Village Association in order for the Alton Village Association to indemnify the Town; and

Whereas the premium for such insurance is an additional burden on fund raising for the project;

Therefore be it resolved that that Town provide a grant to the Alton Village Association to purchase the insurance and that the Parks and Recreation Department include in its 2012 budget the cost of that premium as an unavoidable budget increase.
