Date: April 28, 2020

To: Members of Council

From: Aleksandra Sebestyen, Financial Analyst, Finance and Infrastructure Services

Subject: 2019 Municipal Performance Measurement Program (MPMP) Report

The annual reporting of a municipality's operations is mandatory in Ontario under Section 299 of the *Municipal Act, 2001*. The Municipal Performance Measurement Program (MPMP) collects statistical municipal services data as part of the Financial Information Return (FIR).

The Ministry of Municipal Affairs and Housing (MMAH) provides extensive FIR schedules for municipalities to complete each year. MMAH generally updates the schedules annually to reflect changes in the Provincial information gathering requirements, trends, and other factors to help the Province get a better overview of the finances of all municipalities in Ontario. Previous year's MPMP results are available on the Ministry of Municipal Affairs and Housing website.

As in prior years, the Town of Caledon will post the MPMP results for the 2019 reporting year, as listed on Schedule A of this memo, on the Town's website and report the results to the Ministry of Municipal Affairs and Housing in compliance with the *Municipal Act, 2001* via the 2019 Financial Information Return.
