

Commitment to General Reviews by Architects and Engineers

(This form to be completed by the owner / tenant and signed by all consultants retained for general reviews.)

Part A: Owner's/Tenant's Undertaking

Project Description: _____

Address of Project: _____

Whereas the Ontario Building Code requires that the project described above be designed and reviewed during construction by an architect, professional engineer, or both that are licensed to practice in Ontario; **now therefore** the Owner/Tenant, being the person who intends to construct or have the building constructed hereby warrants that:

1. The undersigned architect and/or professional engineers have been retained to provide general reviews of the construction of the building to determine whether the construction is in general conformity with the plans and other documents that form the basis for the issuance of a building permit, in accordance with the performance standards of the Ontario Association of Architects (OAA) and/or Professional Engineers Ontario (PEO);
2. All general review reports by architect and/or professional engineers will be forwarded promptly to the Chief Building Official, and
3. Should any retained architect or professional engineer cease to provide general reviews for any reason during construction, the Chief Building Official will be notified in writing immediately, and another architect or engineer will be appointed so that general review continues without interruption during construction.

The Undersigned hereby certifies that he/she has read and agrees to the above
