MESSAGE FROM THE CHAIR

CCCGT 2022

It has been two years since we last held our in-person golf tournament to benefit the community.

The pandemic, like so many other things in our lives, interrupted this charitable event.

Caledon is well known for being a kind and generous community that comes together to support good works.

That's par for the course (sorry for the pun) in Caledon: dozens and dozens and dozens of sponsors, participants and volunteers – and of course the magnificent TPC Osprey Valley as host – come together for a good cause.

That's what Caledon is all about!

And why I'm so #CaledonProud to be Chair of this year's tournament.

The Beneficiaries

The primary beneficiary of proceeds this year will be Abbeyfield Caledon.

Abbeyfield is an international non-profit society dedicated to providing seniors with a affordable, companionable and safe housing in a family-sized household within their local community.

Abbeyfield Caledon's overarching goal is to provide an environment that respects each individual, offers social interaction and good nutrition, while supporting the independence of each resident.

With your generous support, the funds raised through this year's golf tournament will literally be putting a 'roof over the heads' of our Caledon Seniors.

Final words

As you enjoy another wonderful day of golf, let me say a big thank you to all our dedicated volunteers who once again make things run smoothly. And of course a big shout out to the ownership and staff of TPC Toronto at Osprey Valley for hosting us on their magnificent course.

In 2018, we were thrilled to announce the diversification of the Caledon Council Community Golf Tournament Grant Program. In addition to the primary beneficiary and the multiple secondary grant recipients, we launched the Doug and Doreen Beffort Legacy Scholarship. This scholarship was awarded to two bright young Caledon students who are pursuing their post-secondary education in the field of education. The scholarship is a great way for the tournament to ensure we continue to positively affect our community.

On behalf of the Golf Committee Vice-Chair, Christina Early, and all of my Council colleagues, thank you again for your generous participation...and best wishes for another successful year!

Mayor Allan Thompson, Chair
Caledon Council Community Golf

PROJECT SUMMARY: Project Rooftop

Abbeyfield Caledon offers an air conditioned building with laundry facilities, a library, indoor living spaces, heated floors, communal dining space and an outdoor courtyard for social functions.

The infrastructure is now over 12 years old and the Board of Directors and Property Director have noted and experienced a degradation of the existing roof during the past year. Minor repairs have been made but the life of the roof is nearing its end state. The funds from the golf tournament will assist in replacing the existing roof, improving the flashing and the ventilation and ensure proper ice and water shields are installed.

Given the extreme cold weather experienced this past winter, the heat loss through the existing roof has created inconsistencies in providing adequate warmth for the residents.

Project Rooftop will not only benefit the community of elders residing at Abbeyfield Caledon but will also preserve an important asset that will serve many seniors for years to come.

SPONSORSHIP PACKAGES

PLATINUM - \$10,000

- TWO Foursomes
- Logo on Welcome Banner
- Banner placement and Podium Recognition at reception
- Logo exposure on website
- Full Page Feature in Event Program
