

PROCLAMATION

Whereas,

The Month of May has been internationally designated as GBS/CIDP Awareness Month to educate the public and to focus attention on Guillain-Barré Syndrome (GBS) and Chronic Inflammatory Demyelinating Polyneuropathy (CIDP), rare, paralyzing and potentially catastrophic disorders of the peripheral nerves; and

Whereas,

GBS and CIDP, and their variants such as Multifocal Motor Neuropathy (MMN), are rare conditions which are paralyzing and potentially catastrophic inflammatory disorders of the peripheral nerves, which can be characterized by rapid onset of weakness and, often, paralysis of the legs, arms, breathing muscles and face, in some cases leading to complete paralysis and requiring life-sustaining hospital care; and

Whereas,

The cause of GBS, CIDP, and MMN is unknown, and these conditions can develop in any person, regardless of age, gender or ethnic background; and

Whereas,

GBS, CIDP, and MMN have a slow and unpredictable recovery, patients and their families face an uncertain future, usually requiring months of hospital care without knowing if or when they will recover, or whether they will face long-term disabilities. Earlier diagnosis, treatment, and access to rehabilitation services can improve the chances of avoiding permanent lifelong residual damage of the nerves; and

Whereas,

In 2003, GBS/CIDP Foundation of Canada, a patient organization providing support, education, research, and advocacy, was founded so that no patient or family would go through GBS, CIDP, MMN or their variants alone; and

Therefore,

I, Mayor Annette Groves, on behalf of the Town of Caledon Council, do hereby proclaim

May 2026

as

"GBS | CIDP Awareness Month"

in the Town of Caledon and do commend its thoughtful observance to all citizens of our municipality.

A handwritten signature in black ink that reads "Annette Groves".

Mayor Annette Groves, Town of Caledon
