## **CHELTENHAM SIDEWALK CONNECTIVITY STUDY VILLAGE OF CHELTENHAM, CALEDON, ONTARIO**

Public Open House – Comment Sheet

---

### **Background:**

The Town of Caledon has initiated a sidewalk study to enhance pedestrian connectivity within the village of Cheltenham. As part of this study, alternative options will be evaluated for a sidewalk connection from Charles Haines Park to 240m north of Kennedy Road. An optimal design will be determined to better connect residents and users of the Caledon Trailway to the commercial core of Cheltenham.

Please complete and return this sheet so that your comments can be considered for this study. Please mail or email your comments by Monday, April 25<sup>th</sup>, 2018 to either:

**Mr. Caleb Blain, P. Eng.**  
**Project Manager**
