

## CHELTENHAM SIDEWALK CONNECTIVITY STUDY VILLAGE OF CHELTENHAM, CALEDON, ONTARIO

---

### Frequently Asked Questions

#### **Is this the final design? Can changes be made?**

- The preliminary design options are being presented to receive public input that will lead to the determination of a preferred design.
- The Town will take comments received tonight and until April 25<sup>th</sup> into account prior to finalizing the preferred route.

#### **Will the speed limits be lowered?**

- There are no recommendations to change the posted speed at this time.

#### **Will trees have to be removed?**

- The preliminary design options have been carried out in part to minimize impacts to trees.
- The alternatives shown identify areas where the proposed sidewalk conflicts with the location of trees.

#### **Will construction affect my land?**

- The alternatives being considered are located entirely within the Town's right-of-way. No sidewalk will be placed on private property.
- Depending on the preferred alternative, landscaping features located within the Town's right-of-way may require relocation/removal.

#### **Will the proposed sidewalk affect parking within the commercial core?**

- Parking will be maintained within the commercial core.
