Town of Caledon's Annual Report highlights key successes

The Town of Caledon has released its Annual Report, highlighting important accomplishments in 2016, including fiscal accountability, an effective corporate reorganization, and progressive, strategic planning – all of which has positioned Caledon as a financially stable municipality that is focused on community building and planning proactively for its future.

“I want to thank the entire staff team for their work in 2016,” said Mayor Allan Thompson. “This Annual Report is a wonderful snapshot of a busy, busy year where we delivered on several priorities in the Council Work Plan as well as corporate successes in our TEAM Caledon strategic plan.”

Caledon's strategic investments have, and will continue to place the Town in a strong financial position for years to come. The collaborative approach to building the 2016 budget has resulted in a successful year of serving the needs of the community while ensuring visionary fiscal planning for the future.
