"We're looking forward to this partnership with the Town of Caledon and are very excited to get this project started," said Pastor Erick Schuringa. "As we celebrate our 70<sup>th</sup> year of being in this great community, members of our congregation will volunteer to help beautify the front of Mayfield Recreation Complex. This is just one way that we can extend the Church's core value of service, and help shape the future of Caledon, which we have strong ties with."

The Mayfield Recreation Complex offers a variety of programs and activities for youth, adults and families. The facility includes one arena (seasonal ice/floor), 25m pool with diving boards, one meeting/event room and one small meeting/conference room.
