**RE: ENGINEERING LETTER OF CONFORMANCE  
10819 HIGHWAY 9  
PART OF LOT 26, CONCESSION 10 (ALBION)**

Dear Cristina,

This letter certifies that I, **Ashish Shukla**, of **C.F. Crozier & Associates Inc.**, being a Professional Engineer in good standing in the Province of Ontario and licensed to perform consulting engineering services in the Province of Ontario, have reviewed and understood the Public Works and Engineering ICI Site Plan Design Guidelines.

I also certify that I am familiar with this property and surrounding properties and have designed the site plan accordingly. I also certify that I have reviewed the most recent legal survey plan of the property and am aware of all registered easements affecting the property.

The temporary zoning by-law amendment submission containing the drawings, as shown in the attached transmittal, hereto meets all the criteria set out in the Guidelines. The submitted Site Plan design does not adversely affect any of the neighbouring properties, meets all applicable laws of Ontario and is designed with good engineering principles.

Yours truly,
