MEMORANDUM

Dear Sir:

As requested, it can be confirmed that based on the results of the initial geotechnical investigation completed by Azure Group Inc. for the property located at 16054-16060 Airport Road in Caledon, Ontario, with the increase in overall site area, that an additional investigation is required to be confirm the subsurface condition of the additional area through an updated study prior to construction activities.

It should be noted that this investigation can be deferred to a later date and that the analysis is not required to advance the OPA/ZBA review as based on the existing analysis and site area to be increased, as the site conditions are expected to be similar.

We trust this letter meets your current requirements. Should you have any questions or require additional information, please do not hesitate to contact our office.

Yours very truly,

AZURE GROUP INC.
