RE: CONFORMANCE LETTER FOR ARGO MAYFIELD WEST I-III LIMITED (PART OF LOTS 18 & 19, CONCESSION 3, WEST OF HURONTARIO STREET), WITHIN ALLOA COMMUNITY, CALEDON
APPLICATION FOR DRAFT PLAN OF SUBDIVISION

Dear Mr. Caruso,

NAK Design Strategies Inc. has been retained by the Alloa Landowners Group to provide Urban Design, Landscape, and Architectural Consulting Services in support of the Draft Plan of Subdivision for Argo Mayfield West I Limited, Argo Mayfield West II Limited, and Argo Mayfield West III Limited (Part of Lots 18 & 19, Concession 3, West of Hurontario Street), within the Town of Caledon.

The Subject Lands, totaling approximately 45.95 ha (113.54 ac), form part of the broader Alloa Community and are included within the boundaries of the Alloa Secondary Plan Area. The proposed Draft Plan applies a range of land use designations consistent with the Secondary Plan, including Low, Medium-High Density Residential, Institutional, Park, Open Space, and Natural Environment System (NES).

The Draft Plan conforms with the Alloa Healthy Development Assessment (HDA), which supports the Town's vision for a compact, walkable, and transit-supportive community. The HDA, prepared in accordance with the Region of Peel's User Guide, guided the planning and design of a complete community that encourages active transportation and healthy living.

The proposed development for the Argo Mayfield West I Limited, Argo Mayfield West II Limited, and Argo Mayfield West III Limited lands will deliver a range of land uses—including a school, park, NES, and a stormwater management facility—aligned with the policies and structure set out in the Alloa Secondary Plan.

We trust this letter provides sufficient information in support of the Draft Plan submission. Should you have any questions, please do not hesitate to contact our office.

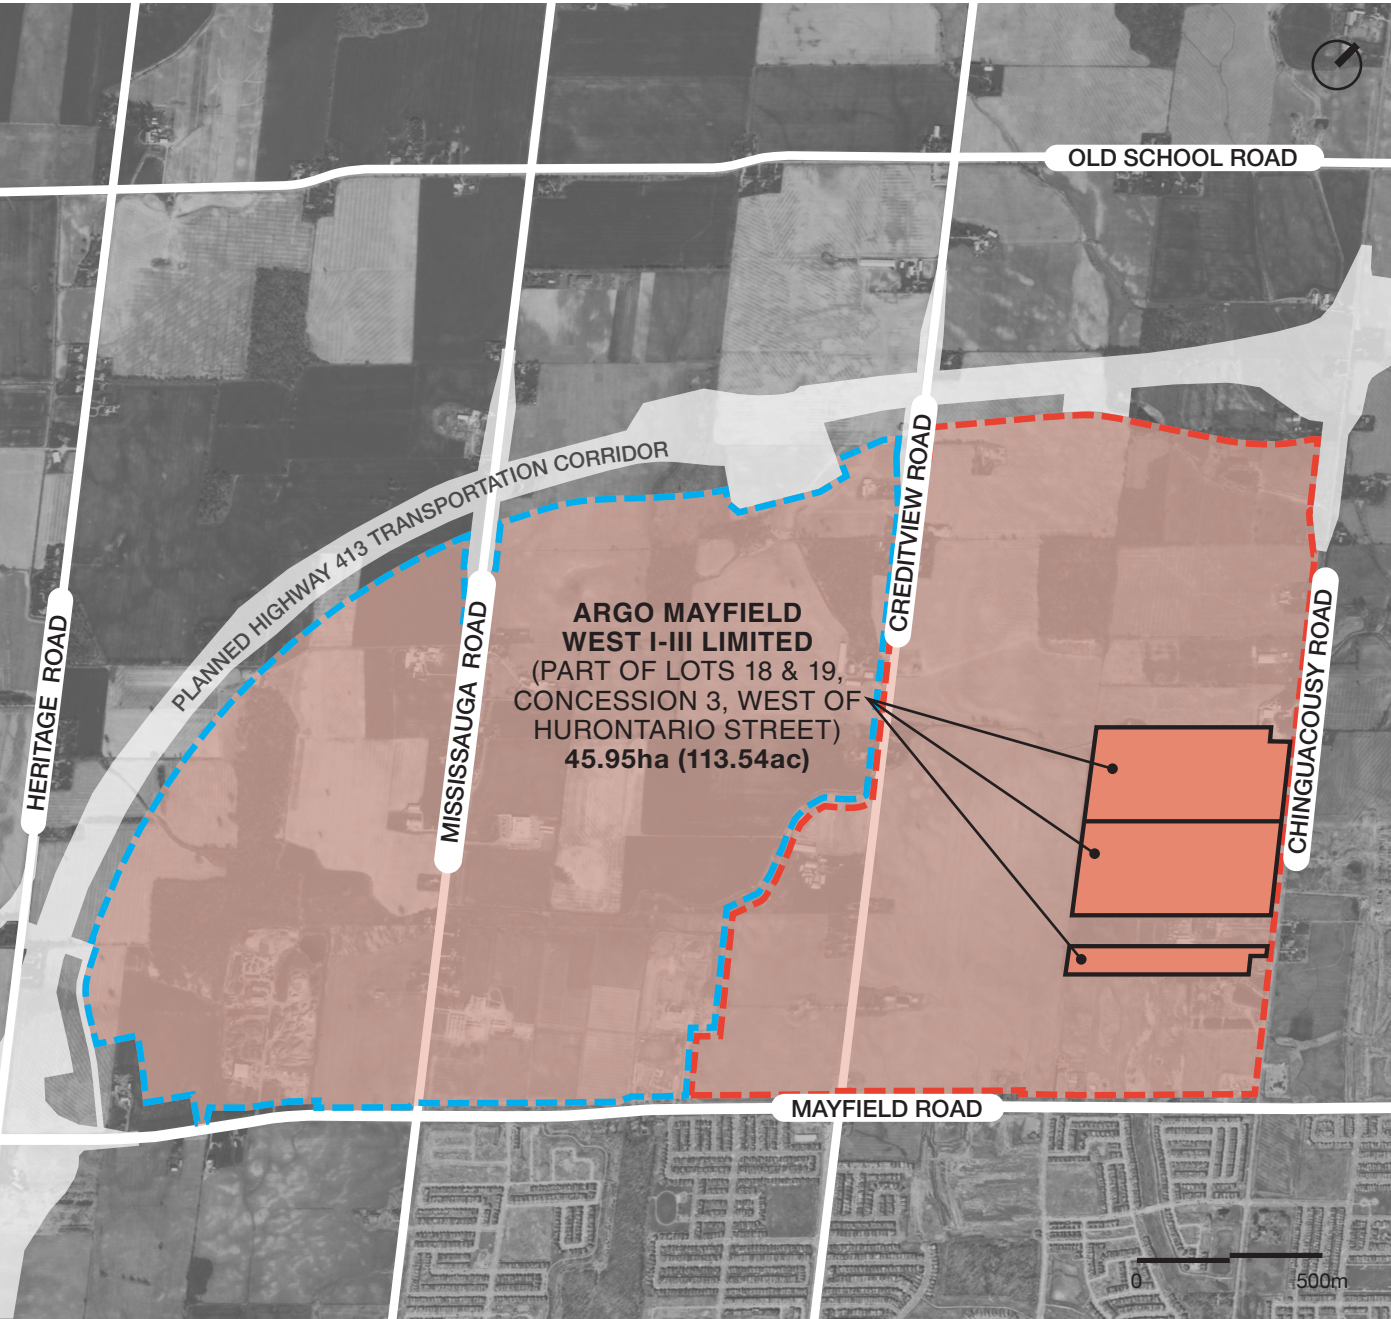

Sincerely,

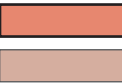

Robin O'Connell
Associate - Urban Design & Planning
