**RE: Indigenous Consultation Memo
Proposed Tullamore North West Secondary Plan
Broccolini Airport Road Limited and Broccolini Airport Road GP Inc.
South of Old School Road, West of Airport Road, East of Torbram Road
Town of Caledon, Region of Peel**

On behalf of Broccolini Airport Road Limited and Broccolini Airport Road GP Inc. ("Broccolini"), Glen Schnarr & Associates Inc. ("GSAI") is pleased to submit this Indigenous Consultation Memo in response to the requirements for the proposed Tullamore North West Secondary Plan (Town File No. PRE-2024-0177). As part of the Secondary Plan review process, Broccolini plans to engage with Indigenous Nations and Communities, as informed by the Town of Caledon's "Expectations for Indigenous Engagement for Proponent Led Development" document appended to this letter. As part of Broccolini's engagement strategy, Indigenous Nations and Communities will be notified of the Secondary Plan review process and the purpose of the application. Recognizing the intent of the Secondary Plan process is to establish basis policies to inform future development applications, further consultation with Indigenous Nations and Communities will be provided as part of an Applicant's site-specific *Planning Act* application.

Engagement is planned with the following relevant Indigenous Nations and Communities: Mississaugas of the Credit First Nation; Six Nations of the Grand River; Huron-Wendat Nation; Haudenosaunee Confederacy of Chiefs (as represented by the Haudenosaunee Development Institute); and Métis Nation of Ontario (Region 8).

We trust this satisfies the Indigenous Engagement Summary/Memo requirement of PRE-2024-0177 and contributes towards a complete application. We look forward to the engagement process and the Town's review of the future engagement summary.

Yours very truly,
GLEN SCHNARR & ASSOCIATES INC.
