Town Hall, 6311 Old Church Road, Caledon, Ontario

Town File Number: PRE 2024-0107

**RE: CONFORMANCE LETTER FOR 12101 CREDITVIEW ROAD (PART OF LOTS 18 & 19, CONCESSION 3),
WITHIN ALLOA COMMUNITY, CALEDON**
APPLICATION FOR DRAFT PLAN OF SUBDIVISION

Dear Mr. Caruso,

NAK Design Strategies Inc. has been retained by the Alloa Landowners Group to provide Urban Design, Landscape, and Architectural Consulting Services in support of the Draft Plan of Subdivision for 12101 Creditview Road (Part of Lots 18 & 19, Concession 3), in the Town of Caledon.

The subject lands form part of the larger Alloa Community and are therefore subject to the overall planning vision, design direction, and development standards established through the Alloa Community Design Guidelines (CDG) and Architectural Design Guidelines (ADG). These comprehensive documents were prepared to guide the development of the entire Alloa Community and are informed by the Town of Caledon's Official Plan, the Secondary Plan, the Town-Wide Design Guidelines (TWDG), and relevant regional and provincial policies.

The CDG and ADG establish a unified design framework that promotes a compact, walkable, and transit-supportive urban structure, with direction on open space, built form, streetscapes, and architectural character. The proposed development at 12101 Creditview Road conforms with these guiding documents and supports the broader objectives for community-building, connectivity, and design excellence within the Alloa Community.

Should you have any questions or require additional information, please do not hesitate to contact our office.

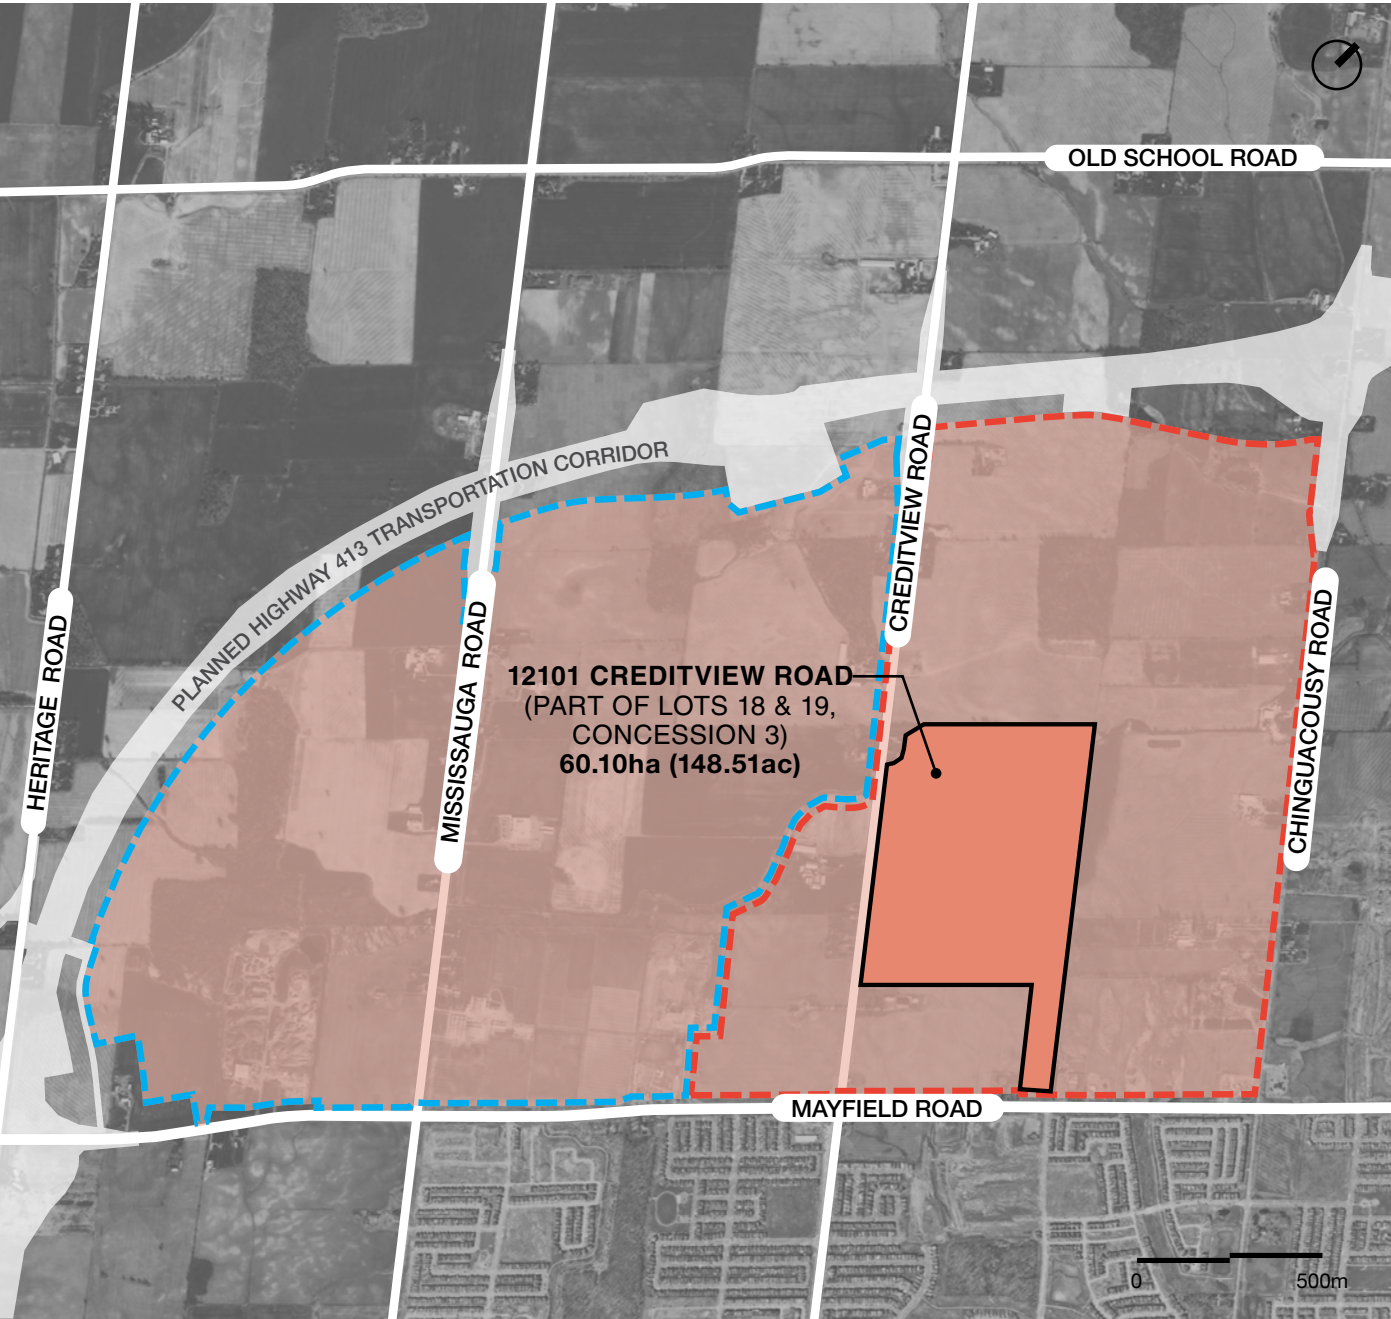

Sincerely,

Robin O'Connell
Associate - Urban Design & Planning

COMMUNITY DESIGN GUIDELINES

Figure 2: Cover of the Community Design Guidelines (dated July 2025)

Alloa is envisioned as a unique, innovative and successful community. To be unique and innovative, the community must reflect and reinforce the character of the Town of Caledon, distinct from other suburban developments, and establish a truly sustainable community that is compact, walkable and transit supportive, with a mix of housing types and densities, while emphasizing the preservation and enhancement of natural features and assets.

As part of this community, the design for the Subject Lands will be compliant with relevant municipal policies and support the guidelines set out in the parent document. The CDG consists of nine (9) sections which have been broken down into the following:

SECTION 1: INTRODUCTION

Provides a description and analysis of the study area.

SECTION 2: COMMUNITY DESIGN VISION

Describes the proposed Draft Plan of Subdivision and identifies the vision, guiding principles, policies, and opportunities and constraints.

SECTION 3: STRUCTURING ELEMENTS

Describes the proposed Draft Plan of Subdivision and identifies the structuring elements.

SECTION 4: SPECIAL CHARACTER AREAS

Describes the proposed Draft Plan of Subdivision and identifies the special character areas.

SECTION 5: LANDSCAPE & OPEN SPACE GUIDELINES

Describes the open space approach with corresponding design guidelines.

SECTION 6: STREETScape GUIDELINES

Describes the streetscape approach with corresponding design guidelines.

SECTION 7: SUSTAINABILITY & LOW-IMPACT DESIGN

Describes several important measures to ensure the community is designed with a strong emphasis on the integration of sustainable practices.

SECTION 8: BUILT FORM

Addresses the built form vision through priority lotting standards

SECTION 9: IMPLEMENTATION

Comments on the applicant responsibilities, as well as the implementation and approval process at the Town of Caledon.

ARCHITECTURAL DESIGN GUIDELINES
