**Subject: Draft Plan Conformance - Supporting Reports
Caledon Development #2 LP
Mayfield West Phase 2 - Stage 2
Town of Caledon, Region of Peel**

On behalf of our client, Caledon Development #2 LP, we are writing to confirm that the proposed Draft Plan is consistent with the Council Endorsed Framework Plan for Mayfield West Phase 2 - Stage 2 as it relates to the supporting reports that have been prepared and submitted thus far, including the following:

- Functional Servicing Report (prepared by Urbantech Consulting, dated November 2020);
Specifically, we can confirm that any changes that have been made to the plan have no impact on the reports that have been prepared.

Please note that the following framework documentation is forthcoming:

- Environmental Impact Study (being prepared by Hensel Design Group Inc);
- Water Balance Study (being prepared by Palmer Environmental Consulting Group Inc.); and
- Hydrogeological Study (being prepared by Palmer Environmental Consulting Group Inc.).

The Draft Plan and associated works will comply with this framework documentation when it is submitted in the future.

If you have any questions, please me at 289-982-4322.

Yours very truly

WSP CANADA INC.
