

SCHEDULE 'A'

CONDITIONS OF DRAFT APPROVAL

File: 21T-20005C

Subject: Draft Plan of Subdivision
 Malone Given Parson Ltd. on behalf of Caledon
 Development LP and Caledon Development
 General Partner Ltd.
 0 McLaughlin Road
 Part of Lots 19 and 20, Concession 2 WHS (Chinguacousy)
 East Side of Chinguacousy Road, North of Mayfield Road

Draft Plan Approval Date: January 5, 2023.

This approval applies to the Draft Plan of Subdivision prepared by Rady Pentek & Edward Surveying Limited and dated August 31, 2017, last revised June 22, 2022 (the "Plan").

In accordance with By-law 2016-106, as amended, the Manager of Development in the Planning Department has approved the above noted Draft Plan of Subdivision pursuant to Subsection 51(31) of the Planning Act and subject to the lapsing provisions and Conditions listed below.

Approval of the Draft Plan of Subdivision shall lapse at the expiration of **3** years of the date of approval of the Draft Plan of Subdivision.

If the Owner wishes to request an extension of the foregoing **3** year period, a written explanation stating why the extension is necessary and the required processing fee must be submitted to and received by the Planning Department at least **180** days prior to the lapsing date.

The Manager of Development in the Planning Department may withdraw approval of the Draft Plan of Subdivision or change the Conditions listed below at any time.

NOTE: 'Town' is The Corporation of the Town of Caledon
 'Region' is The Regional Municipality of Peel

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
TOWN REGION	1.	The owner shall enter into a Town of Caledon Subdivision Agreement or any other necessary agreements executed by the Owner, the Town and the Region or any other appropriate authority prior to any development within the plan to satisfy all financial, legal and engineering matters including land dedications, grading, easements, fencing, landscaping, provision of roads, stormwater management facilities, installation of municipal services, securities, parkland and cash contributions, and other matters of the Town and the Region respecting the development of these lands in accordance with the latest	LEGAL SERVICES REGION OF PEEL

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		standards, including the payment of Town and Regional development charges in accordance with their applicable Development Charges By-laws.	
TOWN	2.	Prior to registration, a Zoning By-law (or a Ministerial Zoning Order) for the development of these lands is to be passed under Section 34 of the <i>Planning Act</i> , R.S.O. 1990, c.P.13, as amended, and be in full force and effect.	DEVELOPMENT ZONING
TOWN	3.	Prior to registration, the Owner shall provide a Certificate of Lot Area and Lot Frontage signed by an Ontario Land Surveyor, to the satisfaction of the Town.	DEVELOPMENT ZONING MUNICIPAL NUMBERING
TOWN	4.	<p>Prior to registration, the Owner shall provide a certificate signed by an Ontario Land Surveyor and the Owner, stating that the plan proposed to be submitted for registration is the same as the latest (most recent) draft approved plan, to the satisfaction of the Town.</p> <p>It is acknowledged that the Town and Toronto and Region Conservation Authority (TRCA) will require that the Final M-plan reflect adjusted block boundaries between Blocks 335 and 336 to ensure that the stormwater management outfall and related infrastructure associated with the stormwater management pond in Block 335, are incorporated into the same block rather than being include in Block 336.</p> <p>Alternatively, if the plans are not the same, the certificate shall identify any differences between the proposed registered plan and the latest draft plan, to the satisfaction of the Town.</p> <p>Clauses shall be included in the Subdivision Agreement which requires the gratuitous dedication of the revised Block 336 to the Town in the event that the same lands are not conveyed to the Toronto and Region Conservation Authority, and that prior to the conveyance of the lands the Owner shall erect appropriate fencing and complete hazard tree mitigation measures to the Town's satisfaction, and, that abutting property owners are given notice through the development process of how the lands will be used (i.e. natural state, trails, etc.). Block 336 shall not be included towards any parkland dedication.</p>	DEVELOPMENT PLANNING
TOWN	5.	A clause shall be inserted in each of the Grading, Servicing and Subdivision Agreements acknowledging that no Committee of Adjustment application and/or Building Permit application is appropriate to issue prior to registration of the subdivision for any reason.	DEVELOPMENT PLANNING
TOWN	6.	Prior to registration, the Owner shall provide a site-specific Development Phasing Plan, if required, to outline the intended sequence of development within the Plan, both geographically	DEVELOPMENT PLANNING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		and chronologically, including the provision of necessary supporting road and servicing infrastructure, community features, the treatment of significant natural features and the provision of services, all to the satisfaction of the Town of Caledon.	
TOWN	7.	<p>1) The Owner shall include the following warning clauses in a Schedule to all Purchase and Sale, or Lease Agreements for all lots/blocks in the Plan:</p> <p>a) “Purchasers and/or tenants are advised that the following uses exist in the area:</p> <ul style="list-style-type: none"> • Agricultural uses • Commercial uses • Institutional uses • Environmental uses and parks • Brampton Flying Club • Provincial highway” <p>b) “Purchasers and/or tenants are advised that Tim Manley Avenue is proposed to extend east and connect with the Highway 10 and Highway 410 interchange and that traffic will increase over time as a result.”</p> <p>c) “Purchasers and/or tenants are advised that any adjacent open spaces, greenway corridors, greenlands, valleylands, woodlots, natural features and stormwater management facilities will be left in a naturally vegetated condition and receive minimal maintenance. Uses such as private picnic, barbeque or garden areas, storage of materials and/or dumping of refuse or plowed snow are not permitted on these lands.”</p> <p>d) “Purchasers and/or tenants are advised that fencing along the lines of lots and/or blocks abutting public lands is a requirement of the Subdivision Agreement and that all required fencing and barriers shall be constructed with all fencing materials including foundations, entirely on private property as shown on the approved construction drawings. Prior to assumption, the fencing installed shall not be altered in any way, including the addition of gates. Any costs to repair modifications will be the responsibility of the Owner. Upon assumption of the subdivision by the Town, the maintenance of the fencing shall meet Town of Caledon By-laws and shall be the sole responsibility of the lot owner to maintain. To view approved drawings, please contact the Town of Caledon, Planning Department.”</p> <p>e) “Purchasers and/or tenants are advised that a temporary</p>	<p>DEVELOPMENT PLANNING</p> <p>DEVELOPMENT ENGINEERING</p> <p>LANDSCAPE</p>

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>cul de sac may be constructed at the ends of streets that are planned to be extended in the future to facilitate the development of adjacent lands without further notice.”</p> <p>f) “Purchasers and/or tenants are advised that some streets may have sidewalks on both sides of the street. To confirm sidewalk locations, please contact the Town of Caledon, Planning Department.”</p> <p>g) “Purchasers and/or tenants are advised that wider than standard width sidewalks may be implemented in front of your property. Please check with the Town of Caledon to confirm sidewalk widths.”</p> <p>h) “Purchasers and/or tenants are advised to confirm with the Town of Caledon final locations of street trees, sidewalks, infrastructure and utilities that may be located on or adjacent to the property they are purchasing or leasing.”</p> <p>i) “Purchasers and/or tenants are advised that the number of parking spaces provided per unit may not be the equivalent of one parking space per bedroom within the dwelling. To confirm parking provided on a lot, please contact the Town of Caledon, Planning Department.”</p> <p>j) “Purchasers and/or tenants are advised that street trees and lot planting are a requirement of the Subdivision Agreement. The Town of Caledon will not accept requests for changes to tree species types or the elimination of any planting. Utility locations, setbacks and driveway locations may cause landscape modifications or deletions on residential lots. Purchasers and/or tenants are advised to confirm with the developer’s consulting landscape architect or the Town of Caledon, Open Space Design for proposed locations of any landscape features. Purchasers and/or tenants are advised that existing trees that have been retained on private residential lots are the sole responsibility of the lot owner and/or tenant to maintain.”</p> <p>k) “Purchasers and/or tenants are advised that existing trees that may have been retained on private residential lots are the sole responsibility of the lot owner and/or tenant to maintain.”</p> <p>l) “Purchasers and/or tenants are advised that the Brampton Flight Centre, owned and operated by the Brampton Flying Club, is located within close proximity to the subject development. Sound levels due to low flying aircraft may on occasion interfere with some activities of the dwelling occupants.”</p> <p>m) “Purchasers and/or tenants are advised that there could</p>	

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>be the existence of any potential incompatible uses or features on adjacent lands such as noxious use, commercial/industrial uses, berms, noise walls, stormwater management facilities, etc.”</p> <p>n) “Purchasers and/or tenants are advised that the Town of Caledon reserves the right to introduce future transit routes, transit services, and facilities such as bus stops, platforms, shelters, pads, benches and other associated amenities on any Town right-of-way as determined by the Town of Caledon to provide effective service coverage.”</p> <p>2) A clause shall be included in the Subdivision Agreement stating that the Owner shall include in all agreements of purchase and sale, a warning clause alerting the prospective home purchasers or the existence of any potential incompatible uses or features on adjacent lands (i.e., noxious use, commercial/industrial uses, institutional (church) uses, railways, berms, noise walls, stormwater management facilities, etc.), in wording to the satisfaction of the Town.</p> <p>3) A clause shall be included in the Subdivision Agreement stating that the Owner shall include all above-noted warning clauses in all agreements of Purchase and Sale and Lease Agreements.</p>	
TOWN	8.	<p>1) Prior to grading, servicing or registration of the Plan or any phase thereof, whichever comes first, the Owner shall provide, to the satisfaction of the Town, the Credit Valley Conservation and/or the Toronto and Region Conservation Authority, the following:</p> <p>a) Evidence from the Ministry of Environment, Conservation and Parks which identifies any permits and/or other authorizations required under Ontario’s Endangered Species Act, 2007 (“ESA”) and its prescribed regulations;</p> <p>b) Evidence from Fisheries and Oceans Canada (DFO) which identifies any permits and/or authorizations required; and,</p> <p>c) Evidence of the proposed measures both on-site and off-site, or any combination thereof, to meet all requirements under the ESA and its prescribed regulations, if required.</p> <p>2) A clause shall be included in all agreements stating that the Owner shall attain all necessary approvals and permissions from the Ministry of Environment, Conservation and Parks that may be required for this development, its servicing, or any component thereof, in accordance with the timelines prescribed under the ESA and its regulations; and, that the Owner acknowledges and agrees to its exclusive</p>	DEVELOPMENT PLANNING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>responsibility to meet all requirements under the ESA and its prescribed regulations.</p> <p>3) A clause shall be included in all agreements stating that the Owner shall attain all necessary approvals and permissions from Fisheries and Oceans Canada (DFO) that may be required for this development, its servicing or any component thereof.</p>	
TOWN	9.	<p>A clause shall be included in the Subdivision Agreement stating that prior to assumption, the Owner shall:</p> <p>1) Prepare and submit a chart to the Town, outlining all the terms and conditions of the Subdivision Agreement that must be fulfilled prior to assumption; and,</p> <p>2) Provide evidence of compliance with all terms and conditions of the Subdivision Agreement and any other applicable agreement, at its sole cost and expense to the Town,</p> <p>all to the satisfaction of the Town.</p>	DEVELOPMENT PLANNING
TOWN	10.	<p>Prior to registration, the Owner shall provide evidence of compliance with all of the conditions of draft approval, at its sole cost and expense, to the satisfaction of the Town.</p>	DEVELOPMENT PLANNING
TOWN	11.	<p>Prior to registration, a Transportation Phasing Assessment for Mayfield West Phase 2, Stage 2 shall be submitted to the satisfaction of the Town of Caledon. The Assessment shall identify the road network improvements to support the build-out of Mayfield West Phase 2 (Stages 1 and 2) and shall ensure that development in proximity to the proposed improvements shall be integrated such that they do not preclude or negatively affect the proposed transportation network. The recommendations of the Assessment shall be reflected in the Community-Wide Development Staging and Sequencing Plan Addendum.</p>	TRANSPORTATION ENGINEERING
TOWN	12.	<p>Prior to registration:</p> <p>1) A satisfactory Community-Wide Development Staging and Sequencing Plan addendum which addresses, at a minimum, Section 7.14.4.3 of the Town's Official Plan and Paragraph 13 of the Mayfield West Phase 2 Financial Agreement dated November 10, 2015 and Paragraph 11 of the Master Financial Agreement Mayfield West Phase 2 Second Financial Agreement dated May 7, 2021, has been approved by the Town.</p> <p>2) Satisfactory arrangements have been made that the final M-plan will meet the requirements of the approved Community-Wide Development Staging and Sequencing Plan and addendum, which may include phasing of the plan.</p> <p>3) A satisfactory Site-Specific Development Staging and</p>	DEVELOPMENT PLANNING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		Sequencing Plan which is consistent with the approved Community-Wide Development Staging and Sequencing Plan and Addendum, and addresses, at a minimum, Section 7.14.4.4 of the Town's Official Plan, shall be approved by the Town, if required by the Town.	
TOWN	13.	Prior to grading or site alteration, a satisfactory Community-Wide Functional Servicing Report which addresses, at a minimum, Section 7.14.4.5 of the Town's Official Plan, shall be approved by the Director of Engineering Services or their designate, in consultation with the Region of Peel and Conservation Authorities, if applicable.	DEVELOPMENT ENGINEERING
TOWN	14.	<p>Prior to grading or site alteration:</p> <p>1) A satisfactory Community-Wide Environmental Implementation Report which addresses, at a minimum, Section 7.14.4.6 of the Town's Official Plan, shall be approved by the Town, in consultation with the Region of Peel and Conservation Authorities.</p> <p>2) Any required site-specific Environmental Implementation Reports in accordance with Section 7.14.4.7 of the Town's Official Plan, have been approved by the Town.</p>	DEVELOPMENT ENGINEERING
TOWN	15.	Prior to registration, the Mayfield Station Developers Group (MSDG) Cost Sharing Group Trustee shall provide the Town with confirmation that the Owner has signed and is in good standing with all terms and conditions as set out in the MSGD Cost Sharing Group Agreement.	DEVELOPMENT PLANNING
TOWN	16.	Prior to registration, the Owner shall provide to the Town, confirmation from both the Region of Peel and Habitat for Humanity that satisfactory arrangements have been made for the provision of affordable housing within Mayfield West Phase 2, Stages 1 and 2, which addresses, at a minimum, Section 7.14.11 of the Town's Official Plan and paragraphs 10 and 11 of the Mayfield West Phase 2 Financial Agreement dated November 10, 2015.	DEVELOPMENT PLANNING
TOWN	17.	Prior to registration, the Owner shall provide written confirmation from the Trustee stating that the required funds for the purposes of a marketing and community building campaign have been provided in accordance with paragraph 8 of the Mayfield West Phase 2 Financial Agreement dated November 10, 2015.	DEVELOPMENT PLANNING
TOWN	18.	Prior to registration, the Owner shall provide written confirmation from the Trustee to the Town that all required funding in relation to the provision of Transit has been provided in accordance with paragraph 24 of the Mayfield West Phase 2 Financial Agreement	DEVELOPMENT PLANNING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		dated November 10, 2015.	
TOWN	19.	That appropriate clauses be inserted in the Subdivision Agreement to address the requirements of the Public Infrastructure Works and Recreational Facility contained within the Mayfield West Phase 2 Financial Agreement dated November 10, 2015, if determined applicable by the Town.	DEVELOPMENT PLANNING
TOWN	20.	A clause shall be included in the Subdivision Agreement stating that the Owner shall comply with the requirements of the approved Comprehensive Environmental Impact Study and Management Plan, Water and Wastewater Servicing Study, Transportation Study, Cultural Heritage Survey and Community Design Plan, and the executed Financial Agreement to the satisfaction of the Town.	DEVELOPMENT PLANNING
TOWN	21.	<ol style="list-style-type: none"> 1) Prior to registration, the Owner shall erect a sign of a minimum size of 1.2 m by 1.2 m on all open space blocks, environmental blocks, berms/buffers blocks, stormwater management facilities blocks, maintenance blocks, park blocks, school blocks, commercial and industrial blocks, townhouse blocks, medium density and high density blocks and future or phased development blocks. 2) The signage and location shall be approved by the Town prior to the erection of the sign(s) on the property. 3) A clause shall be included in the subdivision agreement stating that the Owner shall maintain these signs in good condition until such time as all building permits have been issued, at which time the Owner shall remove these signs. 	DEVELOPMENT PLANNING
TOWN	22.	<ol style="list-style-type: none"> 1) Prior to registration, the Owner's surveyor shall submit to the Town, horizontal coordinates of all boundary monuments for the draft approved plan of subdivision. These coordinates are to be based on 6 degree UTM Projection and NAD83 Datum. 2) Prior to each, grading, servicing and registration of the Plan, the Owner shall provide a digital submission of the Plan to the Town, in accordance with the Town's Digital Submission Standard requirements, to the satisfaction of the Town. 3) A clause shall be included in the Subdivision Agreement stating that after registration of the Plan, the Owner shall provide a digital submission of the Plan to the Town, in accordance with the Town's Digital Submission Standard requirements, to the satisfaction of the Town. 	INFORMATION TECHNOLOGY
TOWN	23.	Prior to servicing, all streets shall be named to the satisfaction of the Town and Region. In this regard, the Owner shall review the Town's and Region's Street Naming Guidelines and submit a list	MUNICIPAL NUMBERING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		of proposed street names incorporating appropriate historical references to the Town. In accordance with the Town's Street Naming Policy and Procedure, at least one street name of appropriate heritage significance and one street name of appropriate Caledon Veteran recognition shall be shown on the final Plan submitted for approval.	
TOWN	24.	<ol style="list-style-type: none"> 1) Prior to servicing and prior to registration, the Owner shall obtain municipal address numbers from the Town. 2) A clause shall be included in the Subdivision Agreement requiring that these numbers be permanently embedded in or attached to the exterior of each dwelling once the dwelling is built and/or a permanent municipal address number sign be installed immediately upon receipt of a Building Permit as per the Town's Municipal Numbering By-law and Guidelines. 3) A clause shall be included in the Subdivision Agreement requiring that both the lot or block/unit number and corresponding municipal address be displayed on all lots and blocks in a prominent location, until such time that the lot/block is transferred. 	MUNICIPAL NUMBERING
TOWN	25.	<ol style="list-style-type: none"> 1) Prior to registration, the Owner shall prepare a plan which identifies the location and design of the utility boxes (i.e. Canada Post mailboxes, hydro boxes, etc.). The Plan shall demonstrate that the Canada Post mailboxes are limited to a maximum of 3 boxes/modules in a row and that where there are more than 3 boxes/modules in a row, the Owner shall work with the Town to provide appropriate screening (i.e. landscaping, structure) of the boxes, where required by the Town, all to the satisfaction of the Town. 2) A clause shall be included in the Subdivision Agreement stating that the Owner shall agree to prepare utility construction plans implementing recommended control measures for graffiti in accordance with the requirements and recommendations of the utility. 	URBAN DESIGN
TOWN	26.	<ol style="list-style-type: none"> 1) Prior to offering units for sale and no later than registration, the Owner shall provide or cause to be provided, information on universal design options available to purchasers within the development, including, but not limited to, a list of available universal design features (i.e. ramps, handrails, etc.), floor plans, specifications and approximate cost. A list of suggested universal design features is available on the Town's website. The Owner shall notify any prospective builder of this requirement. 2) Prior to registration, the Owner shall provide proof of the display of information regarding universal design features available for purchasers, in a place readily available to the 	ACCESSIBILITY

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>public within the Sales Office, to the satisfaction of the Town.</p> <p>In the alternative, if a Sales Office does not exist, the owner shall provide promotional advertising material (i.e. brochures, websites, etc.) that include information regarding universal design features available for purchasers, to the satisfaction of the Town.</p> <p>3) A clause shall be included in the Subdivision Agreement to reflect 1) and 2) above.</p>	
TOWN	27.	<p>1) Prior to registration, the Community Design Plan shall be approved by the Town.</p> <p>2) Prior to registration, the Owner shall submit an updated priority lot plan to supplement Figure 8.5.11a (Mayfield West Phase 2 - Priority Lot Plan) on page 171 of the Mayfield West 2 Community Design Plan (CDP) and Framework Plan, to the satisfaction of the Town that provides for a description of the enhanced design guidelines for those areas of the Plan that differ from the approved CDP and Framework Plan, to the satisfaction of the Town. The updated priority lot plan will be in the form of an Addendum to the CDP to the satisfaction of the Town and Control Architect.</p>	URBAN DESIGN
TOWN	28.	<p>Clauses shall be included in the Subdivision Agreement requiring that:</p> <p>1) That all building permits are subject to Architectural Control, in accordance with the approved Architectural Design Brief and the approved Community Design Plan;</p> <p>2) All landscape and streetscape features are to be implemented in conformance with the approved Landscape Drawings, Urban Design Brief and Streetscape Drawings;</p> <p>3) That prior to submission, Building Permits are to be reviewed and stamped approved by the Town's Control Architect.</p>	URBAN DESIGN
TOWN	29.	<p>1) Prior to registration, for the purpose of the Sustainable Residential Home Strategy, the Owner shall provide documentation which identifies the house model on each lot/block, to the satisfaction of the Town. Alternatively, where appropriate at the sole discretion of the Town, the Town may request alternative arrangements of the Owner.</p> <p>2) A clause shall be included in the Subdivision Agreement stating that the Owner agrees to:</p> <p>1) construct all development in accordance with the recommendations, documentation and requirements, as prescribed in the Sustainable Residential Home</p>	ENERGY AND ENVIRONMENT

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>Strategy, approved by the Town.</p> <p>2) fulfill all implementation measures in accordance with paragraph 21 of the Mayfield West Phase 2 Financial Agreement dated November 10, 2015.</p> <p>3) Provide proof/verification of compliance with the SRHS for the identified homes as per condition 31(1) above, when requested by the Town.</p>	
TOWN	30.	Prior to the preparation of any agreement, the Owner shall pay to the Town all fees and costs set out in the Fees By-law for the preparation and registration of the agreement and all documents necessary to give effect to the approval of the Plan of Subdivision.	LEGAL SERVICES
TOWN	31.	A clause shall be included in the Subdivision Agreement stating that the Subdivision Agreement is made for business purposes and is a 'business agreement' as defined under the Limitations Act, 2002, as amended. Further, no limitation periods set out in the Limitations Act, 2002 other than the ultimate limitation period set out in section 15 of the Act shall apply to this Subdivision Agreement and the obligations imposed therein.	LEGAL SERVICES
TOWN	32.	A clause shall be included in the Subdivision Agreement stating that the Owner shall convey/dedicate, gratuitously and free and clear of all encumbrances, any required parks, open space, trails, road or highway widenings, 0.3 m (1 ft) reserves, walkways, daylight triangles, gateway features, buffer blocks, stormwater management facilities, maintenance blocks and utility or drainage easements or any other easements as required to the satisfaction of the Town, the Region or other authority.	LEGAL SERVICES
TOWN	33.	The Owner shall provide the Town with postponements for any and all encumbrances of the subject lands postponing such encumbrance(s) and subordinating it in all respects, to any and all agreements entered into between the Owner and the Town, or, the Owner, the Town and the Region, as required by the Town.	LEGAL SERVICES
TOWN	34.	Prior to registration, the Town's Finance Services Department shall confirm that the Owner has complied with the terms and conditions of the Mayfield West Phase 2 Financial Agreement dated November 10, 2015. To this end, the Owner shall be required to prepare and submit any and all documentation in order to satisfy the Town that the terms and conditions have been complied with.	FINANCE
TOWN	35.	<p>A clause shall be included in the Subdivision Agreement stating that the Owner:</p> <p>1) Shall avoid and/or mitigate, to the satisfaction of the Ministry</p>	HERITAGE

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>of Tourism, Culture and Sport (MTCS) and the Town, any archaeological resources that are identified through new information or documentation which may be received following the acceptance of archaeological assessment(s) by the MHSTCI and clearance of archaeological concerns for the subject lands by the Town.</p> <p>2) Shall immediately stop all work on the Subject Lands and notify the Town’s Heritage staff, Director of Planning, and the MTCS in the event that deeply buried archaeological resources are found during the course of the development of the lands. Any and all work related to the discovery of deeply buried archaeological resources shall be carried out by the proponent, at their expense, to the satisfaction of the MTCS and the Town’s Heritage staff.</p> <p>3) Shall carry out, or cause to carry out, the recommendations set out in the aforementioned report(s) to the satisfaction of the Town, and implement any and all measures that are required by the Town to protect any archaeologically significant sites.</p>	
TOWN	36.	<p>1) A clause shall be included in the Subdivision Agreement stating that the Owner:</p> <p>a) Shall design and install prior to Assumption, to the satisfaction of the Town, a commemorative plaque no less than 24”x36” in size commemorating the Lyons-Groat property and the Euro-Canadian archaeological components discovered on the subject lands. The plaque shall be located in the Park Block within the subject lands. The associated cost of all coordination and design work shall be at the sole cost of the Owner.</p> <p>b) Shall design and install, prior to assumption, a form of commemoration to be determined following consultation by the Owner with the indigenous communities to recognize the indigenous history of the subject lands.</p> <p>c) Identify the location of any commemorative features on the approved Landscape drawings.</p> <p>2) Prior to registration the Owner shall provide securities to the Town for construction of all commemorative features. The security amount shall be based on an approved cost estimates and detailed plans, reports and/or drawings, to the satisfaction of the Town.</p>	HERITAGE
TOWN	37.	<p>1) Prior to registration, the Mayfield Station Landowners Group Inc. shall be required to enter into a Development Agreement (Spine Road/McLaughlin Road Development Agreement) with the Town, and provide the required securities. The Development Agreement shall be in full force</p>	DEVELOPMENT ENGINEERING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>and effect, all to the satisfaction of the Town.</p> <p>2) Prior to registration, the Town shall issue preliminary acceptance of McLaughlin Road from Mayfield Road to north of Lippa Drive, being described as Segment A in the approved Community-Wide DSSP.</p> <p>3) Prior to registration, servicing work required for the Spine Road East, being described and Segment D and E in the approved Community-Wide DSSP shall be sufficiently advanced to the satisfaction of the Town.</p>	
TOWN	38.	<p>Prior to any grading, servicing, tree removal, topsoil stripping, dumping or removal of fill, or altering the lands in any way, the Owner shall enter into the applicable Grading/Servicing Agreement with the Town. The Owner shall post all necessary securities and pay all necessary fees as required by the Town. The Owner is also required to obtain the necessary clearances for all other applicable draft plan conditions associated with grading, servicing or altering the lands in any way.</p>	<p>DEVELOPMENT ENGINEERING</p> <p>LANDSCAPE</p>
TOWN	39.	<p>1) Prior to any grading or any site alteration of the Plan, the Owner will be required to prepare a detailed Stormwater Management Report together with the necessary hydrology to ensure that the proposed stormwater facilities and associated infrastructure required for this plan have been designed in accordance with the approved Mayfield West Phase II, Stage 1 and 2 Community Wide Functional Servicing Report and the latest Provincial and Town requirements. To this regard, the Owner agrees to implement all final recommendations contained in the Town-approved Stormwater Management Report and Plans, to the satisfaction of the Town.</p> <p>2) A clause shall be included in the subdivision agreement stating that the Owner shall carry out, or cause to carry out, the recommendations set out in the report to the satisfaction of the Town. In this regard, the Owner shall be responsible to outlet all stormwater flows from the Plan to an adequate and acceptable outlet(s), all to the satisfaction of the Town, Credit Valley Conservation Authority and Toronto Region Conservation Authority.</p>	<p>DEVELOPMENT ENGINEERING</p>
TOWN	40.	<p>A clause shall be included in the subdivision agreement stating that prior to registration of the plan the Owner shall reimburse the Town for any cost incurred by the Town for updating the Engineering's Report for the Alloa Drain Extension.</p>	<p>DEVELOPMENT ENGINEERING</p>
TOWN	41.	<p>1) Prior to grading of the lands, the Owner shall submit an Erosion Sediment Control Report and Plans, in conformance with the Town's Erosion and Sediment Control Report and ESC Plans Terms of Reference to be undertaken during all construction phases until such time that the subdivision is</p>	<p>DEVELOPMENT ENGINEERING</p>

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>assumed, all to the satisfaction of the Town.</p> <p>2) A clause shall be included in the Grading, Servicing and Subdivision Agreement stating that the Owner shall carry out, or cause to be carried out, the recommendations set in the Erosion and Sediment Control Report and Plans during all construction phases on the lands until such time that the subdivision is assumed, all to the satisfaction of the Town. .</p>	
TOWN	42.	<p>1) Prior to any grading or any site alteration of the Plan, a detailed soils investigation/report shall be prepared by a Geotechnical Engineer and submitted to the Town for review and approval.</p> <p>2) A clause shall be included in the subdivision agreement stating that the Owner carry out, or cause to be carried out, the recommendations including pavement design structure for ideal and non-ideal conditions to the satisfaction of the Town.</p>	DEVELOPMENT ENGINEERING
TOWN	43.	<p>A clause shall be included in the grading, servicing and Subdivision Agreements which states that the Owner shall be responsible to design, construct, certify and convey to the Town Stormwater Management Pond 6 as shown in the approved Mayfield West Phase II, Stage 2 Community Wide Functional Servicing Report prepared by Urbantech Consulting, dated August 2021, all to the satisfaction of the Town. In this regard, the Owner shall also be responsible to routinely inspect, operate and maintain the noted facility until the subdivision is assumed by the Town in accordance with current Town design standards and policies and all requirements identified within the Town's Subdivision Agreement. In addition, the Owner agrees that during construction of the pond no over excavation of the pond cells will occur, without prior approval from the Town.</p>	DEVELOPMENT ENGINEERING
TOWN	44.	<p>Prior to registration, the Owner shall supply the Town with an Operations, Maintenance and Monitoring manual for the Stormwater Management Facilities required to service the lands north of Etobicoke Creek, all to the satisfaction of the Town.</p>	DEVELOPMENT ENGINEERING
TOWN	45.	<p>A clause shall be included in the subdivision agreement stating that the Owner shall be responsible to maintain all Stormwater Management Facilities required to service the Plan until the subdivision is assumed by the Town in accordance with current Town design standards and policies and all requirements identified within the Town's Subdivision Agreement, all to the satisfaction of the Town. In this regard the Owner shall:</p> <p>1) operate and maintain all Stormwater Management Facilities as outlined in the Town approved Operations and Maintenance manuals;</p> <p>2) supply the Town with inspection and maintenance records for all Stormwater Management Facilities upon request;</p>	DEVELOPMENT ENGINEERING

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		3) maintain all monitoring, inspection and maintenance records on site to provide to Ministry of Environment, Conservation and Parks' staff upon request; and 4) maintain all securities held for the monitoring and maintenance of the Stormwater Management Facility in full until the noted facilities have been assumed by the Town.	
TOWN	46.	A clause shall be included in the subdivision agreement stating that all internal and external municipal servicing required to service the noted draft plan must be designed and constructed in accordance with the approved Mayfield West Phase II, Stage 2 Community Wide Functional Servicing Report prepared by Urbantech Consulting, dated August 2021.	DEVELOPMENT ENGINEERING
TOWN	47.	Prior to registration, the Owner agrees to design, construct and certify the Roof Drain Collection System in consultation with Palmer Environmental Consulting Group, to the satisfaction of the Town and Conservation Authorities.	DEVELOPMENT ENGINEERING
TOWN	48.	Prior to registration, the Owner agrees to design and construct any interim works required to create a pedestrian connection along McLaughlin Road entirely at the Owner's cost, all to the satisfaction of the Town.	DEVELOPMENT ENGINEERING
TOWN	49.	Prior to any servicing, the Owner shall design the municipal services within the Plan, including the storm drainage system, to sizes that will accommodate the future development lands external to the Plan to the satisfaction of the Town.	DEVELOPMENT ENGINEERING
TOWN	50.	Prior to any servicing, all engineering and landscaping drawings must be approved by the Town.	DEVELOPMENT ENGINEERING LANDSCAPE
TOWN	51.	Prior to any servicing, the Owner shall provide a Traffic Control Plan, at a scale of 1:1000 or larger showing all roadways, driveways, fire hydrants, Canada Mail Boxes, sidewalks (c/w widths) bike paths, street lighting, on street parking areas, transit stops, traffic signage (including all regulatory, warning and information signs), street trees and pavement markings all to the satisfaction of the Town. The Owner is responsible for supplying and installing all traffic (including No Parking), pedestrian and bicycle control signs and markings where required by the Town prior to preliminary acceptance.	DEVELOPMENT ENGINEERING TRANSPORTATION ENGINEERING
TOWN	52.	Prior to registration of the plan, the Owner shall submit a Record of Site Condition for all lands within this plan.	DEVELOPMENT ENGINEERING
TOWN	53.	A clause shall be included in the Subdivision Agreement requiring the Developer to consult with the Town of Caledon and Brampton Transit to determine suitable locations for transit stops	TRANSPORTATION ENGINEERING

		the approved Landscape Construction Drawings, at the sole cost of the Owner, to the satisfaction of the Town.	
TOWN	76.	A clause shall be included in the Subdivision Agreement stating that, prior to assumption, the Owner shall submit a final certification from the same Certified Landscape Architect confirming that all deficiencies have been addressed and warranty periods have expired and the final verification and acceptances have been granted from the Town's Landscape Architect. Certification shall be accompanied with all submission documents as required in the most current version of the Town of Caledon Subdivision Manual and Development Standards.	LANDSCAPE
TOWN	77.	A clause shall be included in the Subdivision Agreement stating that the Town shall secure twice the cost of construction value of any proposed entry/gateway features located upon Town properties for future maintenance and replacement purposes.	LANDSCAPE
TOWN	78.	A clause shall be included in the Subdivision Agreement stating that the Owner shall be responsible for ongoing maintenance, repairs and replacements of all implemented landscape items including but not limited to the clean up of all refuse, waste and debris and cut grass on all stormwater retention basins and trails blocks to the satisfaction of the Town until assumption of the Plan.	LANDSCAPE
TOWN	79.	Prior to the execution of the Subdivision Agreement, the Trustee shall verify the area of any approved Greenway Corridor block(s) including the values from previously registered plans of subdivision in the form of a continually updated tracking system, if applicable, as determined by the Town. The verification shall also indicate the remaining area of Greenway Corridor Block(s) to be accounted for in the future plan(s) of subdivision in accordance with clause 23 of the Financial Agreement (dated November 10, 2015). The verification shall be in the form of a letter and chart signed by the Trustee.	LANDSCAPE
TOWN	80.	1) Prior to the execution of the Tree Removal, Grading, Servicing Agreements or stripping of topsoil, whichever comes first, the Owner shall retain a Certified Arborist or Registered Professional Forester to prepare a Tree Inventory and Preservation Plan Report to the satisfaction of the Town. The report and plans shall document and inventory all existing trees within and adjacent to the subject lands and provide an assessment of significant trees to be preserved, removed or monitored together with the proposed methods of tree protection and preservation of endangered species and the removal of invasive species. The report should also indicate if a subsequent hazard tree monitoring	LANDSCAPE

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>report is required.</p> <p>2) A clause shall be included in the Tree Removal (if applicable), Grading, Servicing and Subdivision Agreements stating that the Owner shall retain the same Certified Arborist or Registered Professional Forester to carry out, or cause to carry out, in a timely manner, the recommendations set out in the report and plans to the satisfaction of the Town. The consultant is required to certify in writing, that the removals have been completed as per the approved Report and Plans. An additional certification from the same Certified Arborist or Registered Professional Forester will be required prior to assumption, confirming that any long term requirements and recommendations in the report have been carried out, to the satisfaction of the Town.</p>	
TOWN	81.	A clause shall be included in the Tree Removal (if applicable), Grading, Servicing and Subdivision Agreements stating that it is the sole responsibility of the Owner for ongoing maintenance and repairs to tree protection fencing to the satisfaction of the Town until assumption.	LANDSCAPE
TOWN	82.	A clause shall be included in the Subdivision Agreement stating that the Owner shall not use any park or open space block for stock piling or storage of any construction materials, including topsoil.	LANDSCAPE PARKS
TOWN	83.	A clause shall be included in the grading, servicing and subdivision agreements stating that “No utility boxes or easements will be permitted within the park block or along any street frontage of a park block.”	PARKS
TOWN	84.	A clause shall be included in the subdivision agreement that “The Owner shall be responsible for conveyance of Park Block 333 to the Town to the satisfaction of the Director of Community Services or their designate, pursuant to s. 51.1 of the Planning Act and in accordance with the Official Plan policies prior to the registration of the plan of subdivision.”	PARKS
TOWN	85.	A clause shall be included in the subdivision agreement that “The Owner agrees to provide parkland and/ or cash in lieu of parkland in accordance with clauses 38 to 44 of the Parkland (Schedule C-1) of the Financial Agreement dated November 10, 2015. Prior to registration of the Plan, the Trustee shall calculate parkland dedication requirement according to the Town’s Official Plan policies and Official Plan Amendment - 235 and identify whether the actual development triggers any additional parkland dedication requirement, above and beyond identified in the Parkland Dedication Summary in Schedule F of the Financial Agreement dated November 10, 2015. The verification shall be in the form of a letter signed and dated by the Trustee. Any	PARKS

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		additional parkland requirement will be addressed in accordance with clause 44 of the Financial Agreement.”	
TOWN	86.	Prior to servicing, the Owner shall submit detailed Park Construction Drawings prepared by a Certified Landscape Architect, to the satisfaction of the Director of Community Services or their designate. Upon approval of the drawings, the Town shall own the drawings for use in tendering the construction of the park. The Park Construction Drawings shall include detailed electrical and lighting plans with photometric completed and stamped by a Certified Engineer. No utility boxes or easements will be permitted within the park block or along any street frontage of a park block.	PARKS
TOWN	87.	<p>A clause shall be included in the Subdivision Agreement stating that “The Owner shall be responsible for the cost of implementation of the park base development which includes:</p> <ol style="list-style-type: none"> 1) Installation and maintenance of vegetation and/or tree protection fencing in accordance with the Town approved plans. 2) Rough and fine grading (within 50mm (2”) tolerance) of all proposed soft landscape areas with a minimum of 150mm (6”) of topsoil. The elevations should be 150mm below proposed finished, final approved grade as per the approved landscape drawings. The entire park base condition is to then be seeded as per the approved seeding mix. 3) Compacted engineered fill shall be installed under all proposed hard surfaced areas. The engineered fill is to be installed to bottom of the granular sub-base elevation of the future hard surface as per approved landscape drawings. The remaining difference should be topsoil and seeded to 150mm (6”) below proposed finished, final approved grade. 4) The implementation of any low impact development features. 5) All proposed culverts, catch basins and pipe connections shall be installed as per the approved drawings. 6) All catch basin top of grates are to be installed 150mm below the proposed finished, final grade. All catch basin pipe connections shall be installed below frost level. Pipe connections shall be insulated where installation below frost level cannot be obtained within the design. 7) All proposed perimeter chain link fencing shall be installed as per the approved landscape and/or engineering drawings. The remaining perimeter of the park block shall be enclosed with page wire fencing (T-bar posts) where chain link fencing is not proposed, in order to prevent encroachments and/or illegal dumping of debris. 8) All required Region of Peel approved site services (water, hydro and sanitary) are to meet or exceed the most up to date Region of Peel standards and shall be installed up to the park block property line as per the approved drawings. 	PARKS

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>9) All utilities shall be properly staked and labelled above ground for ease of location during construction by the Town of Caledon. Where water services are required (eg. splash pad, washroom, zurn hydrant.), a Region of Peel approved, appropriately sized meter chamber with a shut off valve shall be installed within the park block as per approved plan.</p> <p>10) Upon completion, a stamped and signed certification letter from the consulting engineer shall be submitted to the Town of Caledon verifying that the park base conditions have been implemented as per the approved park drawings. The certification letter is to note as-built top of grate and pipe invert elevations for all catch basins and man holes. In addition, an Auto-CAD drawing is to be submitted showing the as-built grading and servicing information overlaid on top of the proposed grading information. The drawing is to include 0.25m contour intervals (or as directed by the Town) and spot elevations at key points on site (eg. catch basin rim elevations, high point swales and ridges).</p> <p>11) A minimum of 5 core samples per site shall be conducted by the developer, at their expense, and reports submitted to the Town of Caledon to verify topsoil depths within park blocks. Additional core samples (5+) may be required, at the discretion of the Town of Caledon.</p> <p>12) The developer shall provide at their expense, an as-constructed survey of all finished (compacted) sub-grades and finished (topsoil) grades. Survey information shall be provided to the Town of Caledon in electronic and paper format, along with a .dwg AutoCAD file.</p> <p>13) The developer shall provide at their expense, adequate record of topsoil testing to the Town of Caledon for all topsoil placed on park sites. If amendments are required of the topsoil, a pre-and post-test analysis report will be required.</p> <p>14) All features noted above shall be implemented to the satisfaction of the Director of Community Services or their designate without any reimbursement by means of development charge credits.</p>	
TOWN	88. Any new proposed standard, or modifications to an existing standard, would need to be submitted and reviewed through the Town of Caledon's Standards Committee; and</p> <p>Clauses shall be included in the Subdivision Agreement in respect of same.</p>	
REGION OF PEEL	108.	<p>The Owner shall agree that neither the Owner nor any Builder will apply for building permits for any lots or blocks within the plan of subdivision until the Region's Public Works Department has issued Preliminary Acceptance and provided notice to the local municipality stating that internal and external sanitary sewers and watermains, including fire protection, have been completed to the Region's satisfaction. The Owner's Consulting Engineer shall certify in writing the internal and external sanitary sewers and watermains, including fire protection, have been constructed, inspected and shall function in accordance with the detailed design as approved by the Region. A clause shall be included in the Subdivision Agreement in respect of same.</p>	REGION
REGION OF PEEL	109.	<p>The Owner shall indemnify and hold the Region harmless from and against any and all actions, suites, claims, demands, and damages which may arise either directly or indirectly by reason of the development of the subject lands and/or construction of works, save and except for any actions, causes of action, claims, demands and damages arising out of the negligence of the Region or those for whom it is in law responsible. A clause shall be included in the Subdivision Agreement in respect of same.</p>	REGION
REGION OF PEEL	110.	<p>Prior to registration of the plan of subdivision, the Owner shall submit draft reference plan(s) for the Region's review and approval prior to such plans being deposited. All costs associated with preparation and depositing of the plans and transfer of lands shall be at the sole expense of the Owner.</p>	REGION
REGION OF PEEL	111.	<p>The Owner agrees that prior to the Region granting clearance of the draft plan conditions of subdivision approval, the following shall require to be forwarded to the Regions Legal Services</p>	REGION

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		Division: 1) A copy of the final signed M-Plan 2) A copy of the final signed R-Plan(s); and 3) The documents required pursuant to Schedule B of the Subdivision Agreement and all associated documents. A clause shall be included in the Subdivision Agreement in respect of same.	
REGION OF PEEL	112.	The Owner acknowledges and agrees that prior to registration of the plan of subdivision, the plan must satisfy all requirements of the Region's Waste Collection Design Standards Manual.	REGION
REGION OF PEEL	113.	The Owner acknowledges and agrees to satisfy the Region of Peel for the provision of affordable housing.	REGION
CREDIT VALLEY CONSERVATION (CVC)	114.	Prior to any grading and servicing and/or the registration of the plan, or any phases thereof, the owner shall prepare to the satisfaction of CVC and the Town of Caledon: 1) Plans/design sheet demonstrating the details of the RDC system to be implemented as per the approved EIR/FSR 2) Appropriate sediment and erosion control measures to be implemented and maintained during all phases of construction	CVC
CREDIT VALLEY CONSERVATION (CVC)	115.	Prior to the registration of any phase of the plan, the following information will be prepared to the satisfaction of CVC and Town of Caledon: 1) That prior to the issuance of building permits, confirmation be received from a qualified professional that the stormwater management facility pond 2 has been constructed in accordance with the approved plans 2) That the servicing agreement between the Owner and the Municipality contain provisions wherein the Owner agrees to carry out the works noted in conditions 114 and 115.	CVC
TORONTO AND REGION CONSERVATION AUTHORITY (TRCA)	116.	1. That prior to any development, pre-servicing or site alteration, the applicant shall submit and attain the approval of the TRCA for: a) A detailed engineering report that describes in detail the applicable stormwater management criteria (i.e., quantity, quality, erosion control, water balance and feature-based water balanced), how the proposed storm drainage system will be designed to meet the stormwater management criteria, and how it will comply with the following: <ul style="list-style-type: none"> • Approved Comprehensive Environmental Impact Study and Management Plan (CEISMP), prepared by Crozier 	TRCA

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>Consulting Engineers, dated January 2020</p> <ul style="list-style-type: none"> • Approved Functional Servicing Report (FSR) prepared by Urbantech Consulting • Approved Environmental Implementation Report (EIR), prepared by Crozier Consulting Engineers <p>This report shall include, but is not limited to:</p> <ol style="list-style-type: none"> i. Plans illustrating the existing drainage systems internal and external to the site, and how the proposed drainage plan will tie into surrounding drainage systems. Plans which demonstrate the proposed stormwater management techniques which are required to control minor or major flows. Confirmation must be provided with respect to how target flows as per the hydrologic studies will be achieved during and post-development. ii. Provide provisions for appropriately sized Stormwater Management Practices (SWMPs) to be used to treat stormwater, to mitigate the impacts of development on the quality, quantity, and volume of ground and surface water resources, including how they relate to terrestrial and aquatic species and their habitat, in addition to natural features and systems, in accordance with TRCA's current Stormwater Management Guidelines. The existing drainage patterns should be maintained, to the greatest extent possible, and the existing ecological function of all features is to be maintained, consistent with TRCA's guidelines. iii. Proposed methods for controlling or minimizing erosion and siltation on-site and/or in downstream areas during and after construction, in accordance with the TRCA's Erosion and Sediment Control (ESC) guidelines (2019) utilized by the TRCA. Erosion and sediment control plans and a report addressing phasing and staging, consistent with TRCA's guidelines must be included. Monitoring of ESCs by a CISEC qualified professional during construction must also be included. iv. Detailed plans indicating location, orientation, size and description of all stormwater management features, including outlet structures, all other proposed servicing facilities (i.e., lot level LIDs, pumping stations, access roads), grading, site alterations, development, infrastructure and watercourse alterations, which are required to service or facilitate the development of the subject lands, which may require a permit pursuant to Ontario Regulation 166/06, the Authority's Development, Interference with Wetlands and Alterations to Shorelines 	

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>and Watercourses Regulation.</p> <ul style="list-style-type: none"> v. Mapping of proposed or existing stormwater management measures, with consideration for existing vegetation to be disturbed, grade differentials and grading required. vi. Measures for minimizing and mitigating erosion related impacts on downstream areas (during and post construction), which are to be integrated into the stormwater management plan to the satisfaction of the TRCA. vii. The integration of Low Impact Development (LID) measures and the employment of source and conveyance controls to mimic pre-development hydrology in accordance with the approved CEISMP and Community-Wide FSR and EIR to the satisfaction of the TRCA. viii. Details of the stormwater management facility and stone-core wetland outlet design. Design requirements shall conform to the requirements outlined in the Ministry of Environment, Conservation and Parks (MECP) 2003 “Stormwater Management Planning and Design Manual”, TRCA’s 2012 “Stormwater Management Criteria Document”, and TRCA’s 2010 “Low Impact Development Stormwater Management Planning and Design Guide”, and all applicable Town of Caledon design standards. <p>b) Grading plans for the subject lands. All modifications to existing slopes must result in geotechnically-stable slopes to the satisfaction of the TRCA.</p> <p>c) Plans illustrating that all works, including all grading, site alterations, or materials associated with these activities, will not encroach or be placed on lands outside of the development areas. These plans must also identify no grading works and fill placement within environmental buffer areas, or proposed environmental protection area lands, beyond those approved by the TRCA through the CEISMP process.</p> <p>d) Information detailing all anticipated temporary dewatering that may be required during the construction phases, including anticipated volumes, duration, discharge locations, and filtration media – as required, to the satisfaction of the TRCA, for the purposes of determining whether a TRCA permit is required.</p> <p>e) That the applicant obtains all Ontario Regulation 166/06 permits from the TRCA for all works proposed on the subject property for which permits would be required.</p> <p>f) Overall Site-Level Water Balance Report that will identify measures that will be implemented during pre and post development that:</p>	

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<ul style="list-style-type: none"> i. Mimic the pre-development surface and groundwater water balance for the overall site to the greatest extent achievable; ii. Demonstrate how post-development conditions will retain a minimum of the first 5mm of rainfall over the entire site to the satisfaction of the TRCA; iii. Mitigate against any potential on-site or downstream erosion associated with the stormwater management system; iv. Maintain baseflow contributions at pre-development levels, duration and frequency, in all areas of affected watercourses to the satisfaction of TRCA staff. <p>g) Features-Based Water Balance Report (that includes detailed hydraulic modeling to quantify pre and post development conditions) that will identify measures that will be implemented to:</p> <ul style="list-style-type: none"> i. Mimic the pre-development surface and groundwater balance of the features to the greatest extent possible. ii. Maintain pre-development flow regimes and hydroperiods (i.e., quality, volume, rate, duration, timing, frequency and spatial distribution of water) to significant natural features. iii. Ensure no negative impacts to the existing ecological functions, as analyzed through an Environmental Impact Study (EIS) or other inter-disciplinary study completed by a qualified ecologist. <p>h) A groundwater constraint assessment that will examine existing and proposed groundwater levels in relation to the proposed development, underground construction and servicing and stormwater management infrastructure. Interactions between untreated (or insufficiently treated) surface and groundwater, shallow ground water, and dewatering requirements should not be permitted. Any potential impacts to the groundwater system that may result from development must be assessed and mitigated.</p> <p>i) A restoration plan and proposed monitoring plan for the restoration for Block 336 consistent with Restoration Plan RP-2 in the approved EIR/FSR.</p> <p>j) Confirmation that the size and location of all LID measures associated with this development are satisfactory. And, if required to meet TRCA requirements, red-line revisions be made to the plan to provide for necessary blocks within the Plan or modify their size or configuration into surrounding lands within this subdivision which are currently proposed for development.</p> <p>2. That the owner enters into an agreement with TRCA to</p>	

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		provide TRCA Aquatic Monitoring and Management staff access to Block 336 and other monitoring points that may be included in the approved Comprehensive Adaptive Management Program (CAMP) for the Mayfield West Phase 2 community for the sole purposes of fulfilling the monitoring requirements under the program.	
TORONTO AND REGION CONSERVATION AUTHORITY (TRCA)	117.	<p>That the owner agrees in the subdivision agreement, in wording acceptable to the TRCA:</p> <ul style="list-style-type: none"> a. To carry out, or cause to be carried out, to the satisfaction of the TRCA, the recommendations of the technical reports and plans referenced in TRCA's conditions. b. To implement the requirements of the TRCA's conditions in wording acceptable to the TRCA. c. To design and implement on-site erosion and sediment controls in accordance with current TRCA standards. d. To maintain all stormwater management and erosion and sedimentation control structures operating and in good repair during the construction period, in a manner satisfactory to the TRCA. e. To obtain all necessary permits pursuant to Ontario Regulation 166/06 from the TRCA. f. To erect a permanent fence to the satisfaction of the TRCA on all lots and blocks abutting natural areas and their buffers. g. Implement all water balance/infiltration measures, including adaptive management measures identified in the final stormwater management report and parent EIR and FSR that are to be completed for the subject property. h. To design a 5-year Erosion Management and Monitoring Program for the outlet and receiving reaches, prepared by a qualified fluvial geomorphologist as recommended in the CEISMP. And that sufficient funds are secured through a Letter of Credit in favour of the TRCA, or other appropriate measure. i. To provide for planting, and enhancement of all-natural heritage features and buffer areas in accordance with the drawings approved by the TRCA. And, that monitoring and replanting of these areas be completed for a minimum 3-year period, to the satisfaction of the TRCA, with sufficient funds being secured through a Letter of Credit in favour of the Town of Caledon, or other appropriate measure. j. To provide for the warning clauses and information 	TRCA

AGENCY CONDITION		CONDITION	CLEARANCE AGENCY
		<p>identified in TRCA's conditions.</p> <ul style="list-style-type: none"> k. That, where required to satisfy TRCA's conditions, development shall be phased within this Plan. l. That prior to a request for renewal of Draft Approval of any phase of this subdivision, that the owner consult with the TRCA with respect to whether the technical studies submitted in support of this development remain to meet current day requirements, and that the owner update any studies and plans, as required, to reflect current day requirements. m. To carry out, or cause to be carried out the cleaning-out and maintenance of all stormwater management infrastructure (including best management practice measures) prior to assumption of the subdivision by the Town of Caledon. And, to include appropriate clauses in all agreements of purchase and sale agreements, for lots and blocks on which stormwater management measures, including private LIDs are being constructed to identify the presence of such measures and to clearly identify the owner's responsibilities for long-term maintenance, and any restrictions to uses on any portion of their property that these may require. n. To gratuitously dedicate Block 336 to the TRCA, except for infrastructure related to the stormwater management pond outfall and associated works, in a condition that is satisfactory to the TRCA. 	
TORONTO AND REGION CONSERVATION AUTHORITY (TRCA)	118.	<p>That a warning clause be included in all agreements of purchase and sale, and information be provided on all community information maps and promotional sales materials for lots (i.e. lots 22-47 and 101-104) adjacent to Block 336 (environmental protection block and its associated buffer), which identifies the following:</p> <p>That a natural environmental protection block is being provided adjacent to the subject property. These blocks are considered to be part of the publicly owned environmental protection area and will remain in a naturalized state. Private uses are not permitted on these lands. Uses such as private picnics, barbeque or garden areas; storage of materials and/or the dumping of refuse, lawn clippings or ploughed snow are not permitted on these lands. In addition, access to the environmental protection lands such as private rear yard gates is prohibited.</p>	TRCA

NOTES: THE OWNER IS HEREBY ADVISED	1.	The Owner, their successors and assigns are hereby notified the Development Charges of the Town are payable in accordance with the applicable Development Charges By-laws, upon issuance of a building permit, at the rate in effect on the date issued.	
	2.	Notwithstanding the Servicing Requirements mentioned in Schedule A – Conditions of Draft Approval, all Standards in effect at the time of registration of the plan will apply.	
	3.	The Owner is hereby advised that prior to commencing any work within the Plan, the Owner must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the Owner is hereby advised that the Owner may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure. If the Owner elects not to pay for such connection to and/or extension of the existing communication/telecommunication infrastructure, the Owner shall be required to demonstrate to the municipality that sufficient alternative communication/telecommunication facilities	

		are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services (i.e., 911 Emergency Services).	
	4.	The Owner is hereby advised that all building permits are subject to Architectural Control. The Town of Caledon requires that prior to Building Permit submission, Building Permits are to be reviewed and approved by the Town's Control Architect.
