Hello Stephanie Matveeva, Glen Schnarr & Associates Inc.,

Please review the details below and once you have confirmed them, please click on **Submit**.

Introduction

TO SUBMIT AN APPLICATION

To submit any of the above-noted applications, please complete the online form, and submit the form with the required documents to Planning and Development Services, Community Services Department.

The Town will acknowledge receipt of these applications as follows:

- For all submissions received by 4:30 pm on a business day, the application shall be date stamped received on that day
- For all submissions received after 4:30 pm on a business day, the application shall be deemed to be received on the next business day and be date stamped accordingly.

Supporting Material

There are two options to submit the supporting material (i.e. site plan, etc.):

1. Where all submission material (plans/documents/reports) are less than 20 mb total, the documents can be uploaded as part of this form; OR
2. Where all submission material is greater than 20 mb total, the documents are to be uploaded to a secure Planning FTP site. Once the application form is received, Planning staff will setup the site and contact you with a user id, password and directions on how to upload all material. Once received, Town staff will contact you to arrange for payment of the applicable fee in accordance with the Town's [Fee By-law](#).

The commissioned application form will also need to be submitted to the Town. Further information on how to submit the commissioned application form will follow at the end of this form.

The application will not be considered 'complete' until the required information, fee and commissioned application form is received.

GUIDELINES

For an overview on the process and to help support your application, please refer to the Town's [website](#) or contact Planning staff at 905.584.2272 x. 7338.

Before you begin this form:

1. If you are submitting any of the following applications, please contact Planning Staff at 905.584.2272 x.

7338 or planning@caledon.ca. You will be directed to the Lead Planner who will work with you on the project to speak about the project and obtain all required file number(s).

- Site Plan Approval (Full, Amendment and Scoped Non-Residential Stream) applications
- Zoning By-law Amendment applications
- Official Plan Amendment applications
- Draft Plan of Subdivision applications
- Draft Plan of Condominium applications

2. Contact Planning staff at 905.584.2272 x. 7338 or planning@caledon.ca to obtain the following planning information as it relates to the subject property, as this information will be required as part of the form:

- Greenbelt Plan designation
- Niagara Escarpment Plan designation
- Oak Ridges Moraine Conservation Plan designation
- Region of Peel Official Plan designation
- Town of Caledon Official Plan designation
- Zoning of the property and the applicable Zoning By-law Number (i.e. Zoning By-law 2006-50, Zoning By-law 87-250, or other site specific by-law)
- If the property is regulated by a Conservation Authority and if so, which Conservation Authority
- The planning applications applicable to the property including the status and file number

3. Gather the following documents so they are available to you:

- Property owner(s) contact information, including name, address, phone number and email address (as identified on their government-issued I.D.)
- Your (applicant) contact information, including name, address, phone number and email address (as identified on your government-issued I.D.)
- Property information such as municipal address, roll number/ARN and legal description
- Preliminary or Pre-Consultation (DART) Meeting Date
- Project details including the type of application, details of the proposed application, etc.

The form should take approximately 30 minutes to complete. You are not able to save the form while you are in the process of completing it. The form will begin to time-out after 25 minutes of being idle (no clicking). There is a warning and you are able to extend the time.

APPLICATION FORM

To begin the application, please answer the following question.

Electronic Submission Requirements

Before proceeding with the form, please ensure that you have the following documents ready in PDF format in accordance with the [Town's Electronic Submission Standards for Planning Applications](#).

As the submission documents may exceed 20 mb, upon submission of this electronic form to Planning and Development Services, staff will setup a folder on the secure Planning FTP and provide you with a login id, password and access to the folder to upload the required material.

All material being submitted to support the application is greater than 20 mb (total).

Where you are not sure if the material exceeds 20 mb, please contact Planning staff for assistance at 905.584.2272 x. 7338.

Yes

As the supporting material is greater than 20 mb, you will not be required to upload the material as part of this form. Once the form is submitted, Planning staff will contact you with details on how to log in to the secure Planning FTP site to upload all material. The application is considered incomplete until all required components of the application are submitted.

Planning Justification Report

A proposed strategy for consulting with the public with respect to the application.

As per the *Planning Act*, a servicing options report and hydrogeological report will be required where proposed development would permit development on privately owned and operated individual or communal septic systems, and more than 4500 litres of effluent would be produced per day as a result of the development being completed.

The Site Plan or Sketch shall include, at a minimum, in metric units:

- The boundaries and dimensions of the subject land;
- The location, size and type of all existing and proposed buildings and structures on the subject land,

indicating their distance from the front lot line, rear lot line and side lot lines;

- The approximate location of all natural and artificial features (for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that,
- Are located on the subject land and on land that is adjacent to it, and
- In the applicant's opinion, may affect the application;
- The current uses of land that is adjacent to the subject land;
- The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way;
- If access to the subject land will be by water only, the location of the parking and docking facilities to be used; and
- The location and nature of any easement affecting the subject land.

Draft Plan of Subdivision Submission Material

- Please select all material being submitted to support the application.
- The required material would have been identified during either a Preliminary or Pre-Consultation (DART) Meeting.
- All submitted material is to meet the [Electronic Submission Requirements](#).
