Location:
12155 Coleraine Dr, Caledon ON L7E 3B4

I was contracted by Wheelwright Group Inc to provide an Arborist report as it pertains to this Site Plan Approval Submission. After a site inspection on September 26th at 12155 Coleraine Dr, I can confirm that there are no existing trees or vegetation within the property. The lot is currently being utilized as a transport depot. An arborist report and tree inventory will therefore not be required.
