

Official Plan/Zoning By-law Amendment Application Guide

(Application for approval under Sections 17, 22, 34, 36 and/or 39 of the *Planning Act, R.S.O. 1990*)

A. Applying for an Amendment to the Official Plan and/or Zoning By-law

The attached application form is to be used only when applying to the Town of Caledon for an amendment to the Official Plan and/or Zoning By-law, or a Temporary Use By-law. The application must be completed in full and submitted together with the required application information, fees, reports and plans listed below, to the Town of Caledon Development Approval and Planning Policy Department.

In order to meet processing time frames, the applicant is advised that pre-consultation with appropriate authorities during completion of the application is key to ensure identification of all issues and in particular, requirements for supporting documentation reports.

B. Using the Application Form

1. The attached application form **must be fully completed** including the applicants' affidavit, registered owners certificate and Schedule I and returned to the Town of Caledon together with the number of copies identified on the DART Form. Please ensure that you keep a copy for your files.
2. The application should be completed by the applicant or their authorized agent. The written authorization of the **registered owner** and **affidavit of the applicant** must also accompany the application. For your convenience, an authorization and affidavit section has been included in the attached application.
3. It is the responsibility of the applicant to research and evaluate the site and the proposal to ensure that the development will conform with the interests of the health, safety, convenience and welfare of the present and future residents. Any pertinent information should be reflected in the application form.
4. As noted on the application form, certain infrastructure projects necessary to service developments are subject to the provisions of the Environmental Assessment Act. The applicant is advised to consult with their engineering consultant to provide determination in this matter.
5. Where additional support materials such as environmental, noise abatement, planning or engineering reports are required, these reports and background information must be submitted with the application. The DART Form will indicate the number of copies of material required to be submitted.

C. Drawings

The Planning Act requires that the applicant shall provide information as prescribed in Ontario Regulations 543/06 & 545/06 when

submitting application to amend the Official Plan and Zoning By-law or permit a temporary use. Some of this information can best be provided graphically. Drawing requirements differ depending on the nature of each application. The DART Form will indicate the submission material and number of copies required to be submitted with the application.

The drawings must be drawn to scale with all dimensions shown in metric units. Each drawing shall be individually folded to 8 1/2 x 11 and two (2) reductions of each drawing, 8 1/2 x 11 in size, on photographic paper (KP5) will be required. If further copies or additional drawings are required, the applicant will be notified. The applicant shall also provide 3 compact discs containing each drawing that is geo-referenced (NAD 27) in 'dxf' or 'dwg' format. Please include a file name, contact name and phone number on the label of each disc. If assistance is required please contact the Development Approval and Planning Policy Department for direction.

D. Information to be Shown on the Drawings

Property Survey:

- Boundaries and dimensions of the subject property and the location, size type of all existing buildings and structures on the subject property including the distance of the buildings or structures from the front, rear and side lot lines and the location of all natural and artificial features (i.e. railways, roads, watercourses, wooded areas, etc.) all certified by an Ontario Land Surveyor

Conceptual Site Development Plan:

facilities

- Summary statistics, including the building height, gross site area, gross building floor area, building coverage ratio, landscape area ratio, density and proportion of different uses, and
- Separate drawing illustrating massing and conceptual architectural design, if warranted.

E. Planning Rationale and Justification

Copies of a report clearly stating the applicant's reason for the subject application and outlining the planning rationale and justification for the approval of the application shall be submitted for amendments to the Official Plan and/or Zoning By-Law. It is beneficial to demonstrate in this rationale report how the proposal will conform to the applicable provincial policy statements. The DART Form will indicate the number of copies required to be submitted as part of an application. Cross-references to Schedule I of the application form is recommended.

F. Details of the Proposed Amendments

The applicant shall include on the application form or on separate pages:

- The specifics of the requested amendments;
- All Official Plan policy changes being proposed, including a draft Official Plan Amendment;
- All uses proposed to be accommodated by the proposed amendments; and,
- The zoning category/ies being requested, the specific zoning standards being requested, and a draft zoning by-law.

G. Application Fees

- a) A cheque in the amount of the appropriate Town of Caledon Fee, made payable to the Town of Caledon. Please refer to the Fee By-law.
The Director of the Development Approval and Planning Policy Department will determine whether an Official Plan Amendment is Minor or Major based on specific criteria.

- b) Conservation Authority Fees**

- c) For a Town of Caledon Official Plan Amendment, a Region of Peel fee must also be made payable to the Region of Peel. Please contact the Region of Peel for more information.

H. Signing the Property

The applicant shall erect a sign in accordance with the requirements of Schedule II and file with the Development Approval and Planning Policy Department a letter agreeing to maintain the sign(s) both for structure and paint work to the satisfaction of the Director of the Development Approval and Planning Policy Department.

I. Dealing with the Application

1. After accepting the application as complete as per Sections 22(6) and 34(10.3) of the Planning Act, (this will be confirmed in writing and the application shall not be deemed to be complete until such written confirmation is received) the Town will confer with internal Town Departments and external agencies who may be concerned, to obtain information and comments.
2. Following evaluation of the application and the comments from internal departments and external agencies, as noted above, the Town will make a decision to approve or refuse the application, subsequent to the holding of a public meeting as required by Sections 22, 34, 36 & 39 of the Planning Act. If approved, conditions may be imposed by the Town.
3. Sections 22, 34, 36 & 39 of the Planning Act also provides the opportunity for any person, including the applicant or a public body, to appeal the decision of the Town to the Ontario Municipal Board. It is recommended that the applicant acquaint him/herself with the provisions of the Planning Act in this regard.
