TOWN OF CALEDON  
PLANNING  
RECEIVED  
February 13, 2026

**File Number:** PRE-2023-0057  
**Meeting Date:** May 25, 2023

**Lead Planner:** Richard Martin  
**Expiry Date:** September 25, 2023

## Purpose and Advisory Information

In accordance with the *Planning Act* and pursuant to By-law 2022-052, applicants are required to complete Pre-Consultation with the Town which consists of an Inquiry Meeting, a Preliminary (PARC) Meeting and Pre-Consultation (DART) Review, prior to submission of development applications.

It is important to note that all comments provided at the PARC Meeting and contained within this document are preliminary only and based solely on the information that was made available at the time of the meeting. This meeting does not imply or suggest any decision whatsoever on behalf of the Town of Caledon. Once the Pre-Consultation (DART) Review or an application has been submitted and is in circulation, additional information may be required during the processing of the application.

The proposal as described on this form has been reviewed at a Preliminary (PARC) Meeting and the 'complete' application requirements are outlined in this document. If an application does not contain the items outlined in this document, the application will be deemed incomplete and will not be accepted by the Town of Caledon.

As per By-law No. 2022-052, a new Preliminary (PARC) Meeting will be required should the Pre-Consultation (DART) Review or application not be submitted by the expiry date. If additional consultation is required, it should be held prior to the expiry date to ensure all matters have been addressed.

If the applicant does not contact Town Staff for clarification of this document, within 10 business days of receiving this document, the applicant acknowledges that the requirements outlined within this document must be submitted for the application to be considered 'complete'.

For site plan or rezoning applications dated on or after January 1, 2020, Development Charges are calculated at rates applicable on the date when an application is determined to be complete; and are payable at the time of building permit issuance. Interest charges will apply for affected applications. For site plan or rezoning applications dated prior to January 1, 2020, Development Charges are calculated and payable at building permit issuance date. Development Charge By-laws and rates are subject to change. Further, proposed developments may change from the current proposal to the building permit stage. Any estimates provided will be updated based on changes in actual information related to the construction as provided in the building permit application.</li> </ul>	<p><b>Hussein Visanji,</b> Senior Financial Analyst <a href="mailto:Hussein.Howlett@caledon">Hussein.Howlett@caledon</a></p>

# Preliminary Meeting - Regular

## Pre-Application Review Committee (PARC) Meeting Form and Checklist

<p>Planning Department, Development Planning</p>	<ul style="list-style-type: none"> <li>• The site is currently designated Environmental Policy Area Schedule “C” Bolton Land Use Plan.</li> <li>• The subject property has an extensive planning history. In 2008, an Official Plan Amendment (Town File: POPA 08-07) and Zoning Bylaw Amendment (Town File: RZ 08-14) were submitted to the Town proposing High Density Residential uses for the site. The applications were subsequently appealed to the former OMB shortly after.</li> <li>• As part of a 2010 OMB decision, High Density Residential uses were permitted for a portion of the site in the form of a seven-storey building and townhouse units. However, given its valleyland location, the rear of the site was designated Environmental Policy Area (EPA), and subsequently zoned (EPA1-573).</li> <li>• As described within the 2010 OMB decision, the EPA area was set aside to provide for a continuation of the natural area to the east, as well as to provide a visual buffer from abutting residential lands and helps to ensure connectivity to the broader Natural Heritage System, which is critical given the urban context in which the subject lands are located.</li> <li>• It should be noted that in principle Staff is <b>not supportive</b> of a parking lot being located within the EPA portion of the site as it directly contradicts the intent of the 2010 OMB decision.</li> </ul>	<p>Richard Martin  <a href="mailto:Richard.martin@caledon.ca">Richard.martin@caledon.ca</a>            Ext 4283</p>
