Re: **Landscape Letter of Conformance  
Proposed Parking Lot  
14 Station Road, Caledon, Ontario**

This letter confirms that I, Eriks Kalvins of Alexander Budrevics and Associates Limited, being a Professional Landscape Architect in good standing as a full member of the Ontario Association of Landscape Architects, have reviewed and understood the Town of Caledon – Landscape Standards as outlined in the *Site Plan Control Manual: Information Package* dated January 2014, the *Site Plan Control Manual: Submission Package* dated September 2013, and the following relevant urban design guidelines: *Industrial / Commercial Design Guidelines*, dated June 24, 2002.

I also certify that I have examined the site, as well as surrounding properties, with the assistance of internet images, both from an aerial and from a street view perspective. With this information in mind, I have designed all aspects of the landscape site plan accordingly.

The aforementioned landscape site plan submission contains the following drawings as required in the *Site Plan Control Manual: Submission Package*

- SP-1 Site Plan (Version 2, February 3, 2026)
- L-1 Landscape Plan (Version 2, February 3, 2026)
- D-1 Landscape Details (Version 2, February 3, 2026)
- D-2 Landscape Details & Specifications (Version 2, February 3, 2026)

The submitted Landscape Site Plan design does not adversely affect any of the adjacent properties. The package contained herein also meets all applicable laws of Ontario and has been designed in accordance with sound landscape principles.

Yours truly,  
ALEXANDER BUDREVICS AND ASSOCIATES LIMITED
