It should be noted that use of and reliance on the above-noted reports is governed by the terms, limitations, and conditions as presented in the reports. In addition, the addressees of this letter recognize and agree to the following:

1. The information in the reports relates only to the property described in the reports and was presented in accordance with and subject to the scope of work of the assessment agreed upon by the Consultant and the Client (Argo Development Corporation , Argo Humber Station Limited, Argo Macville III Corporation, and Argo Humberking Corporation).
2. The information and conclusions provided in the reports apply only to the subject property as it existed at the time of the Consultant's site investigations. Should the site use or conditions change, the information and conclusions in the reports may no longer apply.
3. The Consultant makes no representation regarding the marketability of this property or its suitability for any particular use, and none should be inferred based on the reports.
4. The report is intended to be used in its entirety and no excerpts may be taken to be representative of the findings of the assessments without written permission by DS.
5. We trust that the foregoing is satisfactory. Should you have any further questions, please contact our office.
