No Owner shall change any lock, or place any additional locks on the door(s) leading directly into his or her Unit (nor on any doors within said Unit), nor with respect to any door(s) leading to any part of the exclusive use common element areas appurtenant to such Owner's Unit, without the prior written consent of the Board. Where such consent has been granted by the Board, said Owner shall forthwith provide the Corporation with keys to all new locks (as well as keys to all additional locks) so installed, and all such new or additional locks shall be keyed to the Corporation's master key entry system.

9.2 Invalidity

Each of the provisions of this Declaration shall be deemed independent and severable, and the invalidity or unenforceability in whole or in part of any one or more of such provisions shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration, and in such event all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

9.3 Waiver

The failure to take action to enforce any provision contained in the Act, this Declaration, the By-laws or any other rules and regulations of the Corporation, irrespective of the
