**Subject: WSP/Golder Caledon Pit / Quarry Blast Impact Assessment
Explotech Internal Peer Review**

Explotech Engineering Ltd. (Explotech) was requested by CBM Aggregates to provide an internal peer review on the Blast Impact Assessment (BIA) completed by Golder Associates Ltd. (WSP/Golder) in support of the Caledon Quarry licence application titled "Blast Impact Assessment - Proposed CBM Caledon Pit / Quarry", dated December 2022, revised July 2023.

Explotech substantively agrees with the proposed methodology, parameters and recommendations outlined in the Blast Impact Assessment in support of the Caledon Quarry licence application.

Should you have any questions or concerns related to the information contained herein, please do not hesitate to contact the undersigned.

Best Regards,
