The are required, the applicant will be notified.

D. Information to be Shown on the Drawings

Planning Policy Department for direction.

please contact the Development Approval and

(NAD 27) in 'dxf' or 'dwg' format. Please include a file name, contact name and phone number on the label of each disc. If assistance is required

containing each drawing that is geo-referenced

#### Property Survey:

Boundaries and dimensions of the subject property and the location, size type of all existing buildings and structures on the subject property including the distance of the buildings or structures from the front, rear and side lot lines and the location of all natural and artificial features (i.e. railways, roads, watercourses, wooded areas, etc.) all roads, watercourses, wooded areas, etc.) all roads, watercourses, wooded areas, etc.) all

#### Conceptual Site Development Plan:

- North arrow, scale and legal description of property
- Location, name, width, of all roads within and abutting the subject lands
- spring and proposed street widenings
- All proposed access locations and their widths plus existing access locations on properties abutting and on the opposite side of roads from the subject property
- Current use of abutting lands
- Any artificial or man-made features (i.e. watercourses, swales, woodlots, etc.) on or
- adjacent to the site Existing and proposed contours when significant alterations to grade are proposed
- Proposed to be retained
- Setback of all buildings from the property
   boundaries
- Layout of parking spaces, aisles and driveways
   Proposed landscape areas and general treatment (i.e. berming, sodding, walkways,
- etc.) etcation and design of garbage disposal

Applying for an Amendment to the Official Plan and/or Zoning By-law

The attached application form is to be used only when applying to the Town of Caledon for an amendment to the Official Plan and/or Zoning By-law, or a Temporary Use By-law. The application must be completed in full and submitted together with the required application information, fees, reports and plans listed below, to the Town of Caledon Development Approval and Planning Policy Department.

In order to meet processing time frames, the applicant is advised that pre-consultation with appropriate authorities during completion of the application is key to ensure identification of all issues and in particular, requirements for supporting documentation reports.

#### B. Using the Application Form

- 1. The attached application form must be fully completed including the applicants' affidavit, registered owners certificate and Schedule I and returned to the Town of Caledon together with the number of copies identified on the DART Form. Please ensure that you keep a copy for your files.
- 2. The application should be completed by the applicant or their authorized agent. The written authorization of the registered written authorization of the applicant must also accompany the application. For your convenience, an authorization and affidavit conversion has been included in the attached application.
- 3. It is the responsibility of the applicant to research and evaluate the site and the proposal to ensure that the development will the interests of the health, convenience and welfare of the present and future residents. Any pertinent information should be reflected in the information form.
- As noted on the application form, certain infrastructure projects necessary to service developments are subject to the provisions applicant is advised to consult with their engineering consultant to provide determination in this matter.
- 5. Where additional support materials such as environmental, noise abatement, planning or engineering reports are required, these reports and background information must be submitted with the application. The DART Form will indicate the number of copies of material required to be submitted.

### C. Drawings

.4

The Planning Act requires that the applicant shall provide information as prescribed in Ontario Regulations 543/06 & 545/06 when

6311 Old Church Road Caledon, ON L7C 1J6 Www.caledon.ca T. 905.584.2272 | 1.888.2255.3366 | F. 905.584.4325

- facilities
- Summary statistics, including the building floor height, gross site area, gross building floor area, building coverage ratio, landscape area ratio, density and proportion of different uses, and
- Separate drawing illustrating massing and conceptual architectural design, if warranted.

#### Flanning Rationale and Justification

Copies of a report clearly stating the applicant's reason for the subject application and outlining the planning rationale and justification for the approval of the application for the approval of the application for the approval of the application for the proposal will conform to the applicable provincial policy statements. The applicable provincial policy statements. The required to be submitted as part of an required to be submitted as part of an the application. Cross-references to Schedule I of the application. Cross-references to Schedule I of the application. Cross-references to Schedule I of the application form is recommended.

#### Details of the Proposed Amendments

The applicant shall include on the application form or on separate pages:

- The specifics of the requested amendments;
   All Official Plan policy changes being proposed, including a draft Official Plan Amendment;
- All uses proposed to be accommodated by the proposed amendments; and,

#### SCHEDULE II

#### SIGNING OF THE PROPERTY

The Corporation of the Town of Caledon requires, on all applications for amendments to the Official Plan and Zoning By-law and applications for Temporary Use By-Laws, that the applicant erects a sign(s) on the proposed property in accordance with the following requirements:

- a) Upon applying for an amendment to the Official Plan and/or Zoning By-law the applicant shall erect and maintain in a structurally sound condition, the required sign(s). The cost of the sign(s) is the responsibility of the applicant.
- b) Sign Specifications:
- i) <u>Size:</u> The sign must be 1.2 metres wide by 1.2 metres high with a 0.6 metre ground clearance.
- Material: It is recommended that the sign be constructed using a 19 mm exterior grade plywood panel. Vertical structural members should be 100 mm by 100 mm fir, installed to a depth of 1.2 metres below grade: 50 mm by 50 mm horizontal fir stringers should be located behind the top, bottom and centre of the sign panel.
- iii) Paint: Sign panels and all structural members must be painted with a quality paint. Lettering to be black inscribed on a white background.
- iv) <u>Lettering:</u> The sign is to be professionally lettered or silk screened, using upper case letters, size 50 mm and 100 mm.
- v) <u>Location</u>: One sign shall be erected along each street frontage of the property, and shall be erected at a minimum distance of 6 metres from the lot line and midway between the adjacent property lines.
- vi) Wording: The sign for only a proposed Official Plan Amendment will read as follows:

ACA PPLIED FOR (NAME OF APPLICANT) AN OFFICIAL PLAN AMENDMENT FROM (EXISTING) TO (EXISTING) ON THIS PROPOSED) TO (PROPOSED) TO (PROP
