
SECTION 13

EXCEPTIONS, BEACON HALL LANDS, HOLDING PROVISIONS AND TEMPORARY USE ZONES

13.1 EXCEPTIONS

13.1.1 The provisions of this By-law are modified as set out in the Tables below.

13.1.1.1 Column 1 identifies the *Zone* subject to the exception.

13.1.1.2 Column 2 sets out the exception number of each *Zone* exception, which corresponds to an area of the Town identified on the Zoning Schedules by the same number, preceded by a dash and denoting an exception. (i.e. **CV-88**)

13.1.1.3 Column 3 sets out only those *uses* that are permitted in the *Zone* exception.

13.1.1.4 Column 4 sets out the new or modified standards for the *zone* exception, if applicable.

13.1.1.5 All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

13.1.2 General Prohibition

No *person* shall, within any *Zone* exception in Table 13.1, use any land, or erect, *alter*, enlarge, use or maintain any *building* or *structure* for any *use* other than as permitted in Table 13.1 of Subsection 13.1 and in accordance with the standards contained in in Table 13.1 of Subsection 13.1 the uses and standards contained in Section 13.2.4, the General Provisions contained in Section 4 and the Parking, Loading and Delivery Standards contained in Section 5.

Table 13.1

Zone Prefix	Exception Number	Permitted Uses	Special Standards
RR	1	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Home Occupation</i>	<i>Lot Frontage</i> (minimum) 18m <i>Yard, Rear</i> (minimum) 9m <i>Yard, Interior Side</i> (minimum) 1.5m
RR	2	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Home Occupation</i>	<i>Lot Area</i> (minimum) 3,100m ² <i>Lot Frontage</i> (minimum) 40m <i>Dwelling Unit Floor Area</i> (minimum) 165 m ²
RR	3	- <i>Additional Residential Unit</i>	<i>Lot Area</i> (minimum) 2,200 m ² <i>Lot Frontage</i> (minimum) 30m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Day Care, Private Home - Dwelling, Detached - Home Occupation	Dwelling Unit Floor Area (minimum) 165 m ²
RR	4	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Home Occupation	Lot Area (minimum) 2,700m ² Lot Frontage (minimum) 45m Dwelling Unit Floor Area (minimum) 165 m ²
R1	5	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Frontage (minimum) 16.5m Dwelling Unit Floor Area (minimum) 120 m ²
R1	6	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Area (minimum) 460m ² Lot Frontage (minimum) 12m
CH	7	- Animal Hospital - Clinic - Commercial Fitness Centre - Drive-Through Service Facility (restaurant only) - Dwelling, Accessory - Dwelling Unit, Accessory - Farmers Market - Hotel - Motel - Motor Vehicle Gas Bar - Motor Vehicle Rental Establishment - Motor Vehicle Repair Facility - Motor Vehicle Sales Establishment - Motor Vehicle Service Centre - Motor Vehicle Used Sales Establishment	Lot Area (minimum) 6,000m ² Lot Frontage (minimum) 90m Yard, Front (minimum) 13.5m Yard, Rear (minimum) 12m Yard, Interior Side (minimum) 6m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Open Storage Area, Accessory - Outside Sales and Display Area, Accessory - Parking Area, Commercial - Place of Assembly - Place of Entertainment - Private Club - Restaurant - Retail Store	
RR	8	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Home Occupation	Lot Frontage (minimum) 48m Dwelling Unit Floor Area (minimum) 165 m2
R1	9	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Frontage (minimum) 16.5m Dwelling Unit Floor Area (minimum) 120 m2
R1	10	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Area (minimum) (a) lots with frontage or flankage on Bond Street, King Road or Mount Hope Rd. 900m2 (b) other lots with more than 15m of frontage 525m2 (c) other lots with more than 14 to 15m of frontage 490m2 (d) other lots with less than 14m of frontage 455m2 Lot Frontage (minimum) (a) lots with frontage or flankage on Bond Street, King Road or Mount Hope Rd 24.5m (b) other corner lots 15m (c) other lots 13m Building Area (maximum): 30%

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Yard, Front (minimum): (a) <i>habitable room</i> wall 9m (b) attached or unattached garage 7.5m Yard, Exterior Side (minimum): 6m Yard, Rear (minimum) (a) <i>main building</i> 9m (b) <i>accessory building</i> with a <i>Gross floor area</i> of more than 9 m2 7.5m (c) <i>other accessory building</i> 1m Additional Rear Yard Requirements The following standards shall apply to <i>rear yard</i> abutting an EPA zone: (a) <i>area</i> (minimum) 135m2 (b) <i>depth</i> (minimum) 10m (c) <i>width</i> (minimum) 6m (d) <i>overall slope</i> (maximum) 6% Yard, Interior Side (minimum): (a) <i>main building</i> with unattached <i>private garage</i> in a <i>front yard</i> or <i>interior side yard</i> or with attached <i>private garage</i> 1.3m (b) <i>other main building</i> 3m on garage 1.3m on other side (c) <i>accessory building</i> with a <i>gross floor area</i> of more than 9m2 1m (d) <i>other accessory building</i> nil Yard, Embankment (minimum): (a) <i>main building</i> from top or bottom of embankment 9m Landscaping Area (minimum): 35%
R2	11	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Linked</i> - <i>Dwelling, Multiplex (3)</i> - <i>Dwelling, Semi Detached</i>	Building Area (maximum): 30% Yard, Front (minimum) (a) <i>habitable room</i> wall 9m (b) attached or unattached garage 7.5m Yard, Exterior Side (minimum)

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Home Occupation</i>	
RM	12		Deleted by By-law 91-122
RE	13	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Home Occupation</i>	Lot Area (minimum) (a) <i>lots</i> south of King East, north of the River (having Region and Conservation Authority approval) 1,390m2 (b) Other <i>lots</i> 0.8ha Lot Frontage (minimum) 30m Yard, Front (minimum) 15m Yard, Exterior Side (minimum) 15m Yard, Interior Side (minimum) (a) main building 5m (b) <i>accessory building</i> 1.5m Dwelling Unit Floor Area (minimum) 165 m2
RT	14	- <i>Day Care, Private Home</i> - <i>Dwelling, Multiplex (3)</i> - <i>Dwelling, Townhouse</i>	Dwelling Units per Townhouse Dwelling (maximum) 6
R1	15	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 464m2
R1	16	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 371m2 Lot Frontage (minimum) 12m
R1	17	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 530m2 Building Area (maximum) 35% Yard, Front (minimum) (a) <i>main building</i> 9m (b) attached or unattached garage 7.5m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>Yard, Exterior Side</i> (minimum) 6m <i>Yard, Interior Side</i> (minimum) (a) <i>main building</i> with unattached <i>private garage</i> in a <i>front yard</i> or in an <i>interior side yard</i> or with attached <i>private garage</i> 1m on garage side plus 0.6m for each additional <i>storey</i> above the garage; 1.8m on other side
R1	18	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	<i>Lot Area</i> (minimum) 557m ²
R2	19	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Linked</i> - <i>Dwelling, Multiplex (3)</i> - <i>Dwelling, Semi Detached</i> - <i>Home Occupation</i>	<i>Lot Area</i> (minimum) 800m ² <i>Lot Frontage</i> (minimum) (a) <i>corner lot</i> 28m (b) <i>other lots</i> 24m <i>Yard, Exterior Side</i> (minimum) 6m <i>Yard, Interior Side</i> (minimum) (a) <i>main building</i> with unattached <i>private garage</i> in a <i>front yard</i> or in an <i>interior side yard</i> or with attached <i>private garage</i> 1m on garage side plus 0.6m for each additional <i>storey</i> above the garage; 1.8m on other side
R1	20	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	<i>Lot Area</i> (minimum) 464m ² <i>Lot Frontage</i> (minimum) 13.5m
R1	21	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i>	<i>Lot Area</i> (minimum) 408m ² <i>Lot Frontage</i> (minimum) 12m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Dwelling, Multiplex (3) - Home Occupation	
R1	22	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Area (minimum) 560m² Building Area (maximum) 28% Yard, Front (minimum) (a) <i>habitable room wall</i> 9m (b) attached or unattached garage 7.5m Yard, Exterior Side (minimum) 6m Yard, Rear (minimum) (a) Lots 121 to 128, inclusive (Lots 55-61, Plan M-799) 10m (b) Lots 142 to 160, inclusive (Lots 29-39, Plan M-760 & Lots 34-41, M-799) 10m Yard, Interior Side (minimum) (a) <i>main building with unattached private garage in a front yard or interior side yard or with attached private garage</i> 1.5m
R1	23	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Lot Area (minimum) 560 m² Lot Frontage (minimum) (a) <i>corner lot</i> 17m (b) <i>other lots</i> 14m Building Area (maximum) 28% Yard, Front (minimum) (a) <i>habitable room wall</i> 9m (b) attached or unattached garage 7.5m Yard, Exterior Side (minimum) 6m Yard, Rear (minimum) (a) Lots 1 to 27, inclusive (Lots 1-27, Plan M-651) 10m (b) Lots 129 to 141, inclusive (Lots 42-54, Plan M-799) 10m Yard, Interior Side (minimum) (a) <i>main building with unattached private garage in a front yard or interior side yard or with attached</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>private garage</i> 1.4m
R1	24	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 465 m² Lot Frontage (minimum) (a) <i>corner lot</i> 17m (b) <i>other lots</i> 13m Building Area (maximum) 30% Yard, Front (minimum) (a) <i>habitable room wall</i> 9m (b) <i>attached or unattached garage</i> 7.5m Yard, Exterior Side (minimum) 6m Yard, Rear (minimum) (a) <i>Lots 28 to 47, inclusive (Lots 28-47, Plan M-651)</i> 10m (c) <i>Lots 161 to 168, inclusive (Lots 22-28, Plan M-760)</i> 10m Yard, Interior Side (minimum) (a) <i>main building with unattached private garage in a front yard or interior side yard or with attached private garage</i> 1.3m
R1	25	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 540m² Building Area (maximum) 40% Yard, Front (minimum) (a) <i>habitable room wall</i> 9m (b) <i>attached or unattached garage</i> 7.5m Yard, Exterior Side (minimum) 6m Yard, Interior Side (minimum) 1.5m Building Separation (minimum) 3m
R1	26	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Lot Area (minimum) 465 m² Lot Frontage (minimum) (a) <i>corner lot</i> 18m (b) <i>other lots</i> 14m Building Area (maximum) 45%

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Yard, Front (minimum) (a) <i>habitable room</i> wall 9m (b) attached or unattached garage 7.5m Yard, Exterior Side (minimum) 6m Yard, Interior Side (minimum) 1.2m Building Separation (minimum) 2.4m

			balcony, covered entrance or steps 2.5m (d) <i>detached</i> garages can be no closer to the <i>front lot line</i> than the greater of 6m or the front wall of the <i>main building</i>
			<i>Yard, Exterior Side</i> (minimum) (a) <i>main building</i> 3m (b) attached garage, habitable wall above a garage or a <i>carport</i> 6m (c) unenclosed porch, verandah, balcony, covered entrance or steps 2.5m (d) <i>detached</i> garages or <i>detached carport</i> can be no closer to the <i>exterior side lot line</i> than the greater of 6m or the front wall of the <i>main building</i>
			<i>Yard, Rear</i> (minimum) (a) <i>main building</i> 7.5m (b) <i>accessory building</i> 1m
			<i>Yard, Interior Side</i> (minimum) (a) <i>main building</i> and <i>accessory buildings</i> 1.2m (b) unenclosed porch, deck, verandah or balcony 1.2m (c) to interior wall of adjoining <i>dwelling unit</i> nil
			<i>Garage Width</i> (maximum) (a) front width of a <i>semi-detached dwelling</i> 50%
			<i>Garage Projections, Main Building</i> (maximum) (a) from <i>main building</i> of a two-storey or greater <i>dwelling</i> without a front porch, verandah or enclosed entrance 2m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
 2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			(b) from the <i>main building</i> of a bungalow <i>dwelling</i> without a front porch, verandah or enclosed entrance 1.8m (c) if a garage projection is proposed on a two-storey or greater <i>dwelling</i>, garage <i>build-over</i> is required Garage Projections, Porch or Verandah (maximum) (a) from a covered porch which extends across the main ground floor living area and entry of a two-storey or greater <i>dwelling</i> 1m (b) if a garage projection is proposed on a two-storey or greater <i>dwelling</i>, a garage <i>build-over</i> is required Porch/Balcony/Covered Entrance (minimum) (a) number per <i>dwelling unit</i> 1 (b) depth 1.5m (c) area 3.25 m2 Entry Recess (maximum) (a) <i>main building wall</i> 1.5m
EPA1	171 (By-law 2001-165)	-Flood or Erosion Control -Forest Management -Nature Trail	No trail shall be constructed without the written approval of the appropriate Conservation Authority.
R1	172 (By-law 2002-37)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Building Envelope Definition: For the purpose of the R1-172 Zone, <i>building envelope</i> means the total horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters, bay windows or similar ornamental <i>structure</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i>; or,

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			(b) unenclosed <i>porches</i> excavated or unexcavated, <i>balconies</i> or steps unless such <i>structure</i> projects more than 2m horizontally from an exterior wall of the <i>building</i>. Lot Area (minimum) 350m² Lot Frontage (minimum) (a) <i>interior lots</i> 12m (b) <i>corner lots</i> 15m Building Area (maximum) 50% Yard, Front (minimum) (a) from <i>main building</i> wall 4.5m (b) from an attached garage where a sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 7.5m (c) from an attached garage where no sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 6m Yard, Exterior Side (minimum) 3m Yard, Interior Side (minimum) 1.2m
R1	173 (By-law 2002-37)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Building Envelope Definition: For the purpose of the R1-173 Zone, <i>building envelope</i> means the total horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters, bay windows or similar ornamental <i>structure</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i>; or, (b) unenclosed <i>porches</i> excavated or unexcavated, <i>balconies</i> or steps unless such <i>structure</i> projects more than 2m horizontally from an exterior wall of the <i>building</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Lot Area (minimum) 350m ² Lot Frontage (minimum) 12m Building Area (maximum) 50% Yard, Front (minimum) (a) from <i>main building</i> wall 4.5m (b) from an attached garage where a sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 7.5m (c) from an attached garage where no sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 6m Yard, Exterior Side (minimum) 3m Yard, Interior Side (minimum) 1.2m on <i>driveway</i> side; 0.6m on other side Building Height (maximum) 8.5m
R1	174 (By-law 2002-37)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Building Envelope Definition: For the purpose of the R1-174 Zone, <i>building envelope</i> means the total horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters, bay windows or similar ornamental <i>structure</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i> ; or, (b) unenclosed <i>porches</i> excavated or unexcavated, <i>balconies</i> or steps unless such <i>structure</i> projects more than 2m horizontally from an exterior wall of the <i>building</i> . Lot Area (minimum) 350m ² Lot Frontage (minimum)

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			(a) <i>interior lot</i> 12m (b) <i>corner lots</i> 15m Building Area (maximum) 50% Yard, Front (minimum) (a) from <i>main building</i> wall 4.5m (b) from an attached garage where a sidewalk is located in municipal right-of-way along the frontage of a <i>lot</i> 7.5m (c) from an attached garage where no sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 6m Yard, Exterior Side (minimum) 3m Yard, Interior Side (minimum) 1.2m Yard, Rear (minimum) 6m
R1	175 (By-law 2002-111)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Building Envelope Definition: For the purpose of the R1-175 Zone, <i>building envelope</i> means the total horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters, bay windows or similar ornamental <i>structure</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i> ; or, (b) unenclosed <i>porches</i> excavated or unexcavated, <i>balconies</i> or steps unless such <i>structure</i> projects more than 1.8m horizontally from an exterior wall of the <i>building</i> . Lot Area (minimum) 270m ² Lot Frontage (minimum) (a) <i>interior lot</i> 9m (b) <i>corner lots</i> 11m Building Area (maximum) 50%

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
 2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Yard, Front (minimum) (a) from <i>main building</i> wall 4.5m (b) from an attached garage where a sidewalk is located in municipal right-of-way along the frontage of a <i>lot</i> 6m (c) from an attached garage where no sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 6m Yard, Exterior Side (minimum) 3m Yard, Interior Side (minimum) (a) 1.2m on one side, 0.6m on other side, except (b) from an EPA zone 10m Yard, Rear (minimum) (a) from <i>main building</i> 7.5m (b) from <i>accessory building</i> 1m (c) from an EPA zone 10m (d) from Railway right-of-way 30m Building Separations (minimum) (a) between the nearest portions of <i>building envelopes</i> on a <i>lot</i> 1m (b) between units on adjacent <i>lots</i> 1.8m Parking Spaces Within a Private Garage (minimum) 2 spaces Rear Yard Amenity Area Where a <i>rear yard</i> abuts a railway right-of-way, the <i>rear yard</i> shall include a <i>rear yard</i> amenity area being a minimum of 7.5m from the rear of the <i>main building</i> having a grade of no greater than 2%. Buffer Area Notwithstanding any <i>provision</i> in this by-law to the contrary, no <i>building</i> or <i>structures</i> (other than appropriate fencing) including <i>accessory buildings</i> shall be permitted in the Buffer Area 3m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			from the <i>rear lot line</i> where that <i>lot line</i> abuts an EPA Zone. In addition, no person shall alter, disturb, destroy or remove any vegetation within the aforementioned Buffer Area without the express written permission of the Town of Caledon. Sight Triangles With respect to any lands zoned R1-175, the <i>sight triangle</i> distance shall be 5m.
R1	176 (By-law 2002-91)	- Additional Residential Unit - Day Care, Private Home - Dwelling, Detached - Dwelling, Multiplex (3) - Home Occupation	Building Envelope Definition: For the purpose of the R1-176 Zone and in the <i>front</i> and <i>rear yard</i> only, the definition of <i>building envelope</i> in Section 3 is hereby amended as follows: (a) Bay windows, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters or similar ornamental <i>structure</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i>; or (b) unenclosed <i>porches</i> excavated or unexcavated, <i>balconies</i> or steps unless such <i>structure</i> projects more than 1.8m horizontally from an exterior wall of the <i>building</i>. Lot Area (minimum) (a) <i>interior lot</i> 355m² (b) <i>corner lot</i> 380m² Lot Frontage (minimum) (a) <i>interior lot</i> 13.5m (b) <i>corner lot</i> 15m Building Area (maximum) 50% Yard, Front (minimum) (a) <i>main building</i> 4.5m (b) attached garage, habitable wall above a garage or a <i>carport</i> 6m (c) unenclosed porch, verandah, covered entrance or steps 2.5m (d) <i>detached garage</i> or <i>detached carport</i> can be no closer to the <i>front lot line</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			than the greater of 6m or the front wall of the <i>main building</i> Yard, Exterior Side (minimum) (a) <i>main building</i> 3m (b) attached garage, habitable wall above a garage or a <i>carport</i> 6m (c) unenclosed porch, verandah, covered entrance or steps 1.5m (d) <i>detached garage or detached carport</i> can be no closer to the <i>front lot line</i> than the greater of 6m or the front wall of the <i>main building</i> Yard, Rear (minimum) (a) <i>main building</i> 6m (b) <i>accessory building</i> 1m (c) all <i>buildings</i> except a <i>deck</i> or unenclosed <i>porch</i> from an EPA zone 10m (d) all buildings except a <i>deck</i> or unenclosed porch from the Highway #410 Right-of-way 14m Yard, Interior Side (minimum) (a) 1.2m on one side, 0.6m on other side including unenclosed porch, deck, verandah or <i>balcony</i> Building Separations (minimum) (a) between the nearest portions of the <i>building envelopes</i> on the <i>lot</i> 1m (b) between units on adjacent <i>lots</i> 1.8m Use of Interior Side Yard Notwithstanding any other provision of this by-law, no <i>building</i> or <i>structure</i> or part thereof and no chimney, pilaster or similar ornamental <i>structure</i> or part

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			thereof and no machinery or equipment or part thereof and no fence or part thereof shall be located in any part of the <i>interior side yard</i> .
R1	177 (By-law 2002-145)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Yard, Rear Definition: For the purpose of the R1-177 Zone and with respect to the <i>lots</i> abutting a Regional Road, <i>rear yard</i> shall mean the <i>yard</i> on a <i>lot</i> measured from the toe of the berm of such <i>lot</i>. Lot Area (minimum) 360m² Lot Frontage (minimum) (a) <i>interior lot</i> 15m (b) <i>corner lots</i> 12m Building Area (maximum) 45% Yard, Front (minimum) (a) from <i>main building</i> 4.5m (b) attached garage, habitable wall above a garage or a <i>carport</i> 6m Yard, Exterior Side (minimum) (a) <i>main building</i> 3m (b) attached garage, habitable wall above a garage or a <i>carport</i> 6m Yard, Rear (minimum) (a) <i>main building</i> 7.5m (b) <i>accessory building</i> 1m Where <i>lot</i> abuts a Regional Road, required <i>yard</i> to be measured from the toe of the berm on such <i>lot</i> Yard, Interior Side (minimum) (a) <i>main building and accessory buildings</i> 1.2m Dwelling Unit Floor Area (minimum) 185 m²
RT	178 (By-law 2002-159)	- <i>Day Care, Private Home</i> - <i>Dwelling, Townhouse</i>	Building Envelope Definition: For the purpose of the RT-178 Zone, <i>building envelope</i> means the total

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	By-law 2008-50)		horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters or similar ornamental <i>structures</i> unless such <i>structure</i> projects more than 1m horizontally from an exterior wall of the <i>building</i>; or, (b) unenclosed <i>porches</i>, <i>balconies</i> or steps unless such <i>structure</i> projects more than 3m horizontally from an exterior wall of the <i>building</i>. Parking Area Setback, Visitor: For the purpose of the RT-178 Zone, <i>parking area setback</i> shall mean the least horizontal distance between a visitor <i>parking area</i> and an adjacent <i>townhouse dwelling</i> or <i>privacy yard</i>. Lot Area (minimum) 410m² per <i>dwelling unit</i> Lot Frontage (minimum) 112m Dwelling Units per Detached Dwelling (maximum) 3 Building Area (maximum) 40% Yard, Front (minimum) 15m except 5m for the side wall of a <i>main building</i> Yard, Rear (minimum) (a) <i>main building</i> from an EPA1 Zone 10m (b) all other <i>main buildings</i> 6.5m (c) <i>accessory buildings</i> or <i>structures</i> from an EPA1 zone 10m (d) all other <i>accessory buildings</i> or <i>structures</i> 6.5m Yard, Interior Side (minimum) (a) <i>main building</i> 6.5m except 3m for the side wall of a <i>main building</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			(b) <i>accessory buildings or structures</i> 6.5m except 3m for the side wall of a <i>main building</i> Building Separation (minimum) (a) between townhouse <i>Dwellings</i> 2.4m Yard From a Private Road (minimum) (a) <i>main building</i> 4.5m except 3m for a side wall of a <i>main building</i> (b) attached garage, habitable room wall above a garage 6m (c) unenclosed porch, verandah, covered entrance or steps 2.5m Parking Area Setback, Visitor (minimum) 3m Garage Width (maximum) (a) front with of a <i>townhouse dwelling</i> 50% Driveway Width (maximum) 3.5m except 6m for <i>townhouse dwelling</i> units 9m in width or greater Parking Spaces (minimum) (a) condominium <i>townhouse Dwelling</i> 3 for each <i>dwelling unit</i> inclusive of common <i>parking area</i> (b) common <i>parking area</i> 0.61 for each <i>dwelling unit</i> Parking Space Size For the purposes of this zone, each <i>parking space</i> provided in a <i>parking area</i> shall be at least 6m long, 2.7m wide and have an area of at least 16.2 m²
R1	179 (By-law 2002-160)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i>	Building Envelope Definition: For the purpose of the R1-179 Zone, <i>building envelope</i> means the total horizontal area of a <i>building</i> calculated by perpendicular projection onto a horizontal plane. This definition shall not include: (a) sills, belt courses, chimneys, cornices, eaves, gutters, parapets, pilasters or similar ornamental <i>structures</i> unless such <i>structure</i> projects more than 1m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			horizontally from an exterior wall of the <i>building</i>; or, (b) unenclosed <i>porches, balconies</i> or steps unless such <i>structure</i> projects more than 1.8m horizontally from an exterior wall of the <i>building</i>. Lot Area (minimum) 340m² Lot Frontage (minimum) (a) <i>interior lot</i> 10.5m (b) <i>corner lots</i> 12.5m Building Area (maximum) 50% Yard, Front (minimum) (a) from front wall of <i>main building</i> 4.5m (b) from attached garage where sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 7.5m (c) from attached garage where no sidewalk is located in municipal right-of-way along the frontage of the <i>lot</i> 6m Yard, Interior Side (minimum) (a) 1.2m on one side, 0.9m on other side Yard, Exterior Side (minimum) 3m Yard, Rear (minimum) (a) from <i>main building</i> 7.5m (b) from <i>accessory building</i> 1m Building Separations (minimum) (a) between the nearest portions of <i>building envelopes</i> on a <i>lot</i> 1m (b) between units on adjacent <i>lots</i> 1.8m Sight Triangles With respect to any lands zoned R1-179, the <i>sight triangle</i> distance shall be 5m.
R2	180	- <i>Additional Residential Unit</i>	Lot Area (minimum) 545m²

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

For the purposes of the A2-439 <i>Zone</i> the following special provisions shall apply: 1. A <i>dwelling</i> used as a <i>group home</i> must have a minimum floor area of 23m² and an average bedroom floor area of 7m² for each resident of the <i>group home</i> and each member of the staff of the operator who is accommodated overnight. 2. A <i>dwelling</i> used as a <i>group home</i> shall comply with the requirements of the Ontario Building Code, the Ontario Fire Code, and the Environmental Protection Act, and the regulations made hereunder. For the purposes of the A2-439 <i>Zone</i> the following special provisions shall apply: 1. Group Home means a fully detached residential dwelling that is operated under a license issued by, or an approval granted by, or an agreement made with the Ministry of the Government of the Province of Ontario pursuant to an act of the Parliament of Canada or the Legislative Assembly of the Province of Ontario, with funds that are provided either wholly or partially by the Government of the Province of Ontario, for the accommodation of

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			three to ten persons, exclusive of members of the staff of the operator or members of the receiving family, who, by reason of their emotional, mental, social or physical condition or legal status, require a group living arrangement for their well being, and who are living in a single housekeeping unit under the supervision of a member of members of the staff of the operator who is or are present at all times on the lot on which the fully detached residential dwelling is located or of a member or members of the receiving family who is or are present at all times on the lot on which the fully-detached residential dwelling with five or more foster children in care at any time; but shall not include a community resource centre; or a Phase 2 open custody residence. 2. Community Resource Centre means a residential facility that provides accommodation for adults who are serving a sentence of less than two years imposed by a court, and that is operated pursuant to an agreement made with the Ministry of Correctional Services. 3. Crisis Care Facility means a residential facility that provides temporary accommodation for persons in emergency situations. 4. Halfway House for Ex-Offenders means a residential facility that provides accommodation for adults who are on probation or parole, and that is operated pursuant to an approval granted by the Ministry of Community and Social Services. 5. Hostel means a residential facility that provides accommodation for persons who are homeless or transient. 6. Phase 2 Open Custody Residence means a residential facility that provides accommodation for persons

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			who are 16 or 1 years of age who are serving a sentence imposed by a court, and that is operated pursuant to an agreement with the Ministry of Correctional Services. Staff shall be deemed not to include any person or persons who are residents of the <i>group home</i> by reason of their emotional, mental, social or physical condition or legal status.

Front Yard (Minimum) 6.0m Exterior Side Yard (Minimum) 6.0m Planting Strip Location A <i>Planting Strip</i> shall be required along a <i>Front Lot Line</i>, <i>Exterior Side Lot Line</i>, <i>Rear Lot Line</i>, and northerly limit of the C-577 zone.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Personal Service Shop</i> - <i>Restaurant</i> - <i>Retail Store</i> - <i>Video Outlet/Rental Store (3)</i>	<i>Planting Strip Widths (Minimum)</i> -Along a <i>Front Lot Line</i> with enhanced landscaping 6.0m -Along an <i>Exterior Side Lot Line</i> with enhanced landscaping 6.0m -Along the northerly limit of the C-577 zone 3.0m -Along a <i>Rear Lot Line</i> 6.0m <i>Parking Space Setback (Minimum)</i> -From the northerly limit of the C-577 zone 7.5m -From a <i>Rear Lot Line</i> 6.0m <i>Parking Space Location</i> For the purpose of this zone, parking spaces shall not be located between a <i>building</i> abutting a <i>Front Lot Line Planting Strip</i> or an <i>Exterior Side Lot Line Planting Strip</i>, and a <i>street line</i>. <i>Delivery Space and Loading Space Setback (Minimum)</i> -From a <i>Front Lot Line</i> 7.5m -From an <i>Exterior Side Lot Line</i> 7.5m -From a <i>Rear Lot Line</i> 6.0m <i>Delivery Space and Loading Space Recess</i> For the purpose of this zone, <i>loading spaces</i> and <i>delivery spaces</i> shall be set back a minimum of 1.5m behind any wall facing the <i>front lot line</i> or <i>exterior side lot line</i>, and shall be screened with a solid wall. <i>Delivery Space and Loading Space Location</i> <i>Loading spaces</i> and <i>delivery spaces</i> shall not be located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>. <i>Driveway Setbacks (Minimum)</i> -From the northerly limit of the C-577 zone 0.0m -From a <i>Rear Lot Line</i> 6.0m <i>Building Mass</i> For the purpose of this zone, the combined sum of the <i>gross floor area</i> for <i>Business Office</i> uses

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			cannot exceed 50% of the total <i>gross floor area</i> for all uses. Business Office For the purpose of this <i>zone</i>, the combined sum of the <i>gross floor area</i> for <i>Business Office</i> uses cannot exceed 50% of the total <i>gross floor area</i> for all uses. Private Garage Enclosures In addition to the requirements for <i>private garage enclosures</i> within the General Provisions of the Zoning By-law, <i>private garbage enclosures</i> are not permitted in a <i>front yard</i> or <i>exterior side yard</i>. Drive-Through Service Facility Location Queuing lanes associated with a <i>Drive-Through Services Facility</i> shall not be located in a <i>rear yard</i>. Enhanced Landscaping For the purpose of this zone, for landscaping to be considered “enhanced”, it must receive the prior written approval of a Town of Caledon Landscape Architect.
MP	578 (By-law 2016-053)	- <i>Business Office</i> - <i>Contractor’s Facility</i> - <i>Equipment Storage, Building</i> - <i>Gasoline Pump Island, Accessory</i> - <i>Industrial Use</i> - <i>Light Equipment Rental Establishment</i> - <i>Merchandise Service Shop</i> - <i>Open Storage Area, Accessory</i> - <i>Research Establishment</i> - <i>Training Facility</i> - <i>Warehouse</i> - <i>Warehouse, Public Self-Storage</i> - <i>Warehouse, Wholesale</i>	Accessory Open Storage Area Regulations Notwithstanding any other provisions of this By-law, open storage of goods or materials shall be permitted in accordance with the following provisions: a) The storage of goods and materials shall not exceed 45% of the lot area; b) No open storage shall be located in any front yard; c) All open storage areas, accessory shall be screened with fencing a minimum of 2.0m high with solid opaque materials.
MS	579	- <i>Bulk Storage Facility</i> - <i>Business Office</i>	Building Area (Maximum) 60% For the purpose of this zone, the maximum

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	(By-law 2016-099)	- Contractor's Facility - Convenience Store (A) - Dry Cleaning or Laundry Plant - Equipment Storage Building - Factory Outlet - Gasoline Pump Island, Accessory - Industrial Use - Light Equipment Rental Establishment - Maintenance Garage, Accessory - Merchandise Service Shop - Motor Vehicle Body Shop - Motor Vehicle Gas Bar - Motor Vehicle Repair Facility - Open Storage Area, Accessory - Outside Display or Sales Area, Accessory - Research Establishment - Transportation Depot - Tractor Trailer Storage, Accessory - Warehouse - Warehouse, Public Self-Storage	<i>Building Area</i> shall be calculated as a percentage of the lot area. Front Yard (Minimum) 6.0m Exterior Side Yard (Minimum) 6.0m Private Garbage Enclosures In addition to the requirements for <i>private garbage enclosures</i> within the General Provisions of the Zoning By-law, <i>private garbage enclosures</i> are not permitted in a <i>front yard</i> or <i>exterior side yard</i>. Parking Space Setback (Minimum) -From a <i>Front Lot Line</i> 6.0m -From an <i>Exterior Side Lot Line</i> 6.0m -From an <i>Interior Side Lot Line</i> 3.0m -From a <i>Rear Lot Line</i> 3.0m -No <i>parking spaces</i> or <i>aisle</i> shall be located closer than 6.0 metres from a <i>front yard</i> or <i>exterior side yard</i>. -Notwithstanding the provisions noted above to the contrary, where a lot line abuts an EPA-1 Zone the required setback shall be reduced by 50%. Loading Space Setback (Minimum) No <i>loading space</i> shall be located between the <i>building</i> and the <i>street</i>. Delivery Space Setback (Minimum) No <i>delivery space</i> shall be located between the <i>building</i> and the <i>street</i>. Driveway Setbacks (Minimum) From the point at which a <i>Front Lot Line</i> and an <i>Exterior Side Lot Line</i> meet: 6.0m Open Storage Area, Accessory -For the purpose of this zone, no <i>open storage area, accessory</i> is permitted in the <i>front yard</i> or <i>exterior side yard</i>. -All <i>open storage areas, accessory</i> shall be screened with fencing a minimum of 2.0m high with solid opaque materials.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Tractor Trailer Storage, Accessory Use All tractor trailer storage areas shall be screened with year round screening. Building Height (max) 18.0m Height Exceptions For the purpose of this zone, the <i>building</i> or <i>structure</i> height provisions of this By-law shall not apply to the following uses: - Renewable energy mechanical systems - Green roof mechanical systems Illumination Light fixtures shall be no more than 19.0m above <i>finished grade</i>. Footnote A – for the purpose of this zone, Section 13.1.1.5 shall not apply and the uses denoted with footnote A shall only be permitted as an accessory use to a lot, or as a freestanding use that is accessory and incidental to the other permitted uses in the zone. Footnote B – subject to compliance with Section 4.8.
MP	580 (By-law 2016-099)	- Business Office - Convenience Store (A) - Day Nursery, Accessory - Drive Through Service Facility, Accessory (B) - Equipment Storage Building - Factory Outlet - Financial Institution (A) - Fitness Centre, Accessory - Gasoline Pump Island, Accessory - Industrial Use - Light Equipment Rental Establishment - Maintenance Garage, Accessory - Tractor Trailer Storage, Accessory	Building Area (Maximum) 60% For the purpose of this zone, the maximum <i>Building Area</i> shall be calculated as a percentage of the lot area. Front Yard (Minimum) 6.0m Exterior Side Yard (Minimum) 6.0m Private Garbage Enclosures In addition to the requirements for <i>private garbage enclosures</i> within the General Provisions of the Zoning By-law, <i>private garbage enclosures</i> are not permitted in a <i>front yard</i> or <i>exterior side yard</i>. Building Mass For the purpose of this zone, where a <i>lot</i> abuts a Regional Road, the combined sum of all <i>building widths</i> shall be no less than 50% of the <i>lot</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Place of Assembly</i> - <i>Place of Worship</i> - <i>Research Establishment</i> - <i>Restaurant (A)</i> - <i>Training Facility</i> - <i>Warehouse</i> - <i>Warehouse, Wholesale</i>	<i>frontage.</i> Parking Space Location A maximum depth of 18.0 metres may be dedicated to <i>parking spaces</i> and one <i>aisle</i> located between the <i>planting strip</i> and the <i>building</i> along a <i>front</i> or <i>exterior side yard</i>. Parking Space Setback (Minimum) -From a <i>Front Lot Line</i> 6.0m -From an <i>Exterior Side Lot Line</i> 6.0m -From an <i>Interior Side Lot Line</i> 3.0m -From a <i>Rear Lot Line</i> 3.0m -Where a lot line abuts an EPA-1 Zone the required setback shall be reduced by 50%. Loading Space Setback (Minimum) Notwithstanding any setback requirement related to <i>loading spaces</i>, <i>loading spaces</i> shall be set back 3.0m behind any wall facing the <i>front</i> or <i>exterior lot line</i>, and, shall be screened with a solid wall. Delivery Space Setback (Minimum) Notwithstanding any setback requirement related to <i>delivery spaces</i>, <i>delivery spaces</i> shall be set back 3.0m behind any wall facing the <i>front</i> or <i>exterior lot line</i>, and, shall be screened with a solid wall. Driveway Setbacks (Minimum) From the point at which a <i>Front Lot Line</i> and an <i>Exterior Side Lot Line</i> meet - 6.0m Tractor Trailer Storage, Accessory Use -For the purpose of this zone, no <i>tractor trailer</i> storage is permitted in the <i>front yard</i> or <i>exterior side yard</i>. -No <i>tractor trailer</i> storage shall exceed 5.0m in height. -All <i>tractor trailer</i> storage areas shall be screened with year round screening. Height Exceptions For the purpose of this zone, the <i>building</i> or <i>structure</i> height provisions of this By-law shall not apply to the following uses:

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			-Renewable energy mechanical systems -Green roof mechanical systems Illumination Light fixtures shall be no more than 19.0m above <i>finished grade</i>. Footnote A – For the purpose of this zone, Section 13.1.1.5 shall not apply and the uses denoted with footnote A shall only be permitted as an accessory use to a lot, or as a freestanding use that is accessory and incidental to the other permitted uses in the zone. Footnote B – subject to compliance with Section 4.8.
CC	581 (By-law 2016-083)	- Boarding House - Building, Apartment - Building, Mixed Use - Business Office - Clinic - Convenience Store (4) - Dry Cleaning or Laundry Outlet - Dwelling Unit, Accessory - Financial Institution - Fitness Centre - Funeral Home - Hotel - Laundromat - Merchandise Service Shop - Parking Area, Commercial - Parking Area, Municipal - Personal Service Shop - Place of Assembly - Place of Entertainment - Private Club - Restaurant - Retail Store - Sales, Service and Repair Shop - Training Facility - Video Outlet/Rental Store (3)	Residential Uses For the purpose of this zone, residential <i>dwelling units</i>, a <i>Boarding House</i> and a <i>Hotel</i> shall only be permitted: (a) On the ground floor of a <i>building</i>; and, (b) On floors above the ground floor of a <i>building</i>. Mixed Use Building For the purpose of this zone, non-residential <i>uses</i> shall only be permitted on the ground floor, with the exception of a <i>Boarding House</i> which may be permitted on any floor of the <i>building</i>. The following uses are not permitted within a <i>Mixed Use Building</i>: • A <i>Hotel</i> • A <i>Funeral Home</i> • A <i>Place of Entertainment</i> • A <i>Parking Area, Commercial</i> • A <i>Parking Area, Municipal</i> For the purpose of this zone, all garbage from an <i>Apartment Building</i> and a <i>Mixed Use Building</i> shall be stored internally to the <i>building</i>. For the purpose of this zone, where the ground floor contains a combination of residential and non-residential <i>uses</i>, only the following non-residential <i>uses</i> shall be permitted:

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			• <i>Business Office</i> • <i>Clinic</i> • <i>Financial Institution</i> • <i>Personal Service Shop</i> Air Conditioning Units and Heat Pumps For the purpose of this <i>zone</i>, no air conditioning units or heat pumps shall be located in the front yard or exterior side yard. Privacy Screens For the purpose of this <i>zone</i>, privacy screens are only permitted along the dividing wall between two adjoining balconies, decks or porches. Privacy screens shall not exceed a maximum height of 2m above floor level and shall not be permitted on the ground level. Accessory Buildings For the purpose of this <i>zone</i>, <i>Accessory Buildings</i> shall not be permitted. Dwelling Unit Floor Area (minimum) 65m² Building Height (maximum) 11.0m Planting Strip Width (minimum) (a) Along any <i>rear lot line</i> 0.8m (b) Along any <i>interior side lot line</i> 0.3m Entrance Width (minimum) 6m Sight Triangles The distance from the point of intersection of the street lines and forming the sight triangle where one of the street lines is a Regional Road shall be 7.5 m. Parking Space Size For the purpose of this <i>zone</i>, <i>parking spaces</i> shall have a width of not less than 2.7m and a length of not less than 6.0m, with the exception of a barrier-free <i>parking space</i> which shall have a width and a length which complies with the Town's barrier-free parking requirements. Parking Space Location

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For the purpose of this <i>zone</i>, no part of any <i>parking space</i> shall be located in any part of a <i>front yard</i>. Parking Space Setback (minimum) (a) From any <i>lot line</i> abutting a Residential <i>zone</i> 0.8m (b) From any <i>street line</i> 1.4m Driveway Setback (minimum) (a) From any <i>lot line</i> abutting a Residential <i>zone</i> 0.8m Parking Spaces (minimum) for an Apartment Building A minimum of 1.3 <i>parking spaces</i> per <i>dwelling unit</i> + 0.25 visitor <i>parking spaces</i> per <i>unit</i> for visitor parking in a designated visitor <i>parking area</i>. Delivery Spaces (minimum) For the purpose of this zone, the provisions of Section 5.4 shall not apply to non-residential uses within a <i>Mixed Use Building</i>.
R1	582 (By-law 2016-XXX, OMB PL141309 dated April 8, 2019 and April 15, 2016)	- <i>Additional Residential Unit</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Multiplex (3)</i> - <i>Home Occupation</i> - <i>Heritage Dwelling</i>	Porch For the purposes of this <i>zone</i>, <i>porch</i> shall mean a platform with or without a foundation or cold cellar, extending from an exterior wall of a <i>building</i> and having at least 50% of one side of the vertical planes forming the perimeter unobstructed in any manner except by railings and stairs with access to grade. Heritage Dwelling For the purpose of this <i>zone</i>, a <i>heritage dwelling</i> shall be a <i>dwelling</i> which has been identified as a heritage attribute in a By-law designating a <i>lot</i> under Section 29 of the <i>Ontario Heritage Act</i>. Fence Location No fences shall be permitted within the <i>interior side yards</i> where there is 1.2m or less between <i>main buildings</i> on adjacent <i>lots</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Accessory Buildings <i>Accessory buildings</i> shall not be permitted in the <i>front</i> or <i>exterior side yards</i> Sight Triangles For the purposes of this <i>zone</i> Section 4.35 shall not apply. Access Regulations For the purpose of this <i>zone</i> Section 4.3.3 shall not apply. Air Conditioners and Heat Pumps For the purposes of this <i>zone</i>, no air conditioners or heat pumps may be located in the <i>front yard</i> or <i>exterior side yard</i> Building Height For the purposes of this <i>zone</i>, the maximum permitted <i>Building Height</i> shall be 11m and calculated using the vertical distance measured from the average elevation of the established grade at the front of such <i>building</i> to the median level between eaves and ridge on a gable, gambrel or hip roof. Established Grade For the purposes of this <i>zone</i>, Established Grade, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. Exterior Side Yard Encroachment Corner units that have a front entrance, as opposed to an exterior side entrance, may have a 0.6m encroachment into the <i>exterior side yard</i> for a maximum of 50% of the exterior side wall length provided it is used for the purposes of architectural enhancements or features. This encroachment may have floor area but shall not apply to any lots immediately adjacent to Dougall Ave. Engineers Certification Requirement

RT	615 (By-law 2018-74)	– Day Care, Private Home – Dwelling, Multiplex (3) – Dwelling, Townhouse – Dwelling, Townhouse, Dual-Frontage – Dwelling, Townhouse, Rear-Lane – Dwelling, Townhouse, Back-to-Back	1.0 DEFINITIONS: a) Building Height For the purpose of this zone, <u>Building Height</u> shall be calculated using the vertical distance measured from the average elevation of the established grade at the front of such <i>building</i> to the median level between the eaves and ridge on a gable, gambrel or hip roof. b) Dual-Frontage For the purpose of this zone, <u>Dual-Frontage</u> means a <i>Dwelling</i> with a <i>driveway</i> access to a <i>street</i> adjacent to a <i>Rear Lot Line</i> that is not a <i>Lane</i>. c) Rear-Lane For the purpose of this zone, <u>Rear-Lane</u> means a <i>dwelling</i> with a <i>driveway</i> access to a <i>lane</i> adjacent to the <i>rear lot line</i>. d) Back-to-Back For the purpose of this zone, <u>Back-to-Back</u> means a <i>building</i> divided vertically both above and below grade into two or more residential <i>dwelling units</i>. Each such unit must have an independent entrance directly from outside the <i>building</i> and must share at least one side wall and one rear wall with adjacent <i>dwelling units</i>. e) Established Grade For the purposes of this zone, <u>Established Grade</u>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. f) Lot Depth For the purpose of this zone, <u>Lot Depth</u> means the shortest horizontal distance between the <i>front lot line</i> and <i>rear lot line</i>. g) Lot Line, Front For the purpose of this zone, for a lot containing a <i>Rear-Lane Detached Dwelling</i> or a <i>Dual-</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>Frontage Detached Dwelling</i>, the <u>Front Lot Line</u> shall be the <i>lot line</i> opposite to the <i>lot line</i> intersected by a <i>driveway</i>. h) Lot Frontage i) For the purpose of this <i>zone</i>, <u>Lot Frontage</u> means the horizontal distance between the two <i>lot lines</i> which intersect the <i>front lot line</i>, with such distance being measured along a line which is parallel to, and at a distance of 4.5m from the <i>front lot line</i>. ii) In the case of a <i>corner lot</i> with a daylight rounding or triangle, the <i>lot frontage</i> shall be calculated as if the front and exterior side <i>lot lines</i> were extended to their point of intersection. i) Outdoor Amenity Space For the purpose of this <i>zone</i>, <u>Outdoor Amenity Space</u> shall mean an outdoor area, used exclusively for the enjoyment of the outdoor environment in the form of a <i>rear yard</i>, covered or uncovered <i>porch</i>, courtyard, <i>balcony</i> or <i>deck</i>. j) Porch For the purposes of this <i>zone</i>, <u>Porch</u> shall mean a platform with or without foundation or cold cellar, extending from an exterior wall of a <i>building</i> and having at least 50% of one side of the vertical planes forming the perimeter unobstructed in any manner except by railings and stairs with access to grade. 2.0 REGULATIONS a) Access Regulations i) For the purpose of this <i>zone</i> Sections 4.3.3 (<u>minimum entrance setback</u>) and 4.3.4 (<u>minimum entrance separation</u>) shall not apply. ii) Notwithstanding Section 4.3.1., a <i>rear-lane</i> or <i>dual-frontage dwelling</i> and associated accessory structures may be erected on a <i>lot</i> without frontage on a public <i>lane</i> or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>line</i> is available from a public or private <i>street</i> or <i>lane</i>. b) Accessory Buildings For the purpose of this <i>zone</i>, an <i>accessory building</i> shall not be permitted in the <i>front</i> or <i>exterior side yard</i>. c) Accessory Building Size For the purpose of this <i>zone</i>, (an) <i>accessory building(s)</i>, not including a detached or <i>dual garage</i>, shall have a total maximum <i>building area</i> of 10m². d) Accessory Building Location: For the purpose of this <i>zone</i>, any <i>accessory building</i>, not including a detached <i>garage</i> shall be located a minimum of 0.6m from any <i>lot line</i>. e) Air Conditioners and Heat Pumps For the purposes of this <i>zone</i>, no air conditioner or heat pump may be located in the <i>front yard</i> or <i>exterior side yard</i>. f) Detached or <i>Dual Garage</i> For the purpose of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: i. have a minimum <i>setback</i> of 0.5m to a <i>rear lot line</i>; ii. have a minimum <i>setback</i> of 6.5m to a <i>main building</i>; iii. not be subject to Section 4.2.2 (ii) (<i>accessory uses, building area</i>); and iv. comply with all minimum <i>side yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i> or portion thereof on a <i>lot</i> with a <i>detached dwelling</i>, no <i>setback</i> is required on the attached side of the <i>main building</i>. g) Model Homes: Notwithstanding 4.23.4 (maximum number of model homes), for the purpose of this <i>zone</i>, the maximum number of model homes permitted on

			Lot Frontage (minimum) 40.0 m Yard, Front (minimum) 3.0 m To vehicular door of <i>private garage</i> 5.5 m Yard, Rear (minimum) 2.0 m Yard, Exterior Side (minimum) 3.0 m Yard, Interior Side (minimum) To a main <i>building</i> 3.0 m Between attached <i>dwelling units</i> n/a Separation distance between a Townhouse Block/Building (min.) 3.0 m Townhouse Units per Townhouse Block/Building (maximum) 30 units Back Yard Amenity Area, (minimum) n/a Building Height (maximum) 4 storeys Landscaping Area (minimum) n/a Outdoor Amenity Area (min) 7 m²/unit Setback to a daylight triangle (minimum) 0.3 m Parking Spaces (minimum) For the purpose of this <i>zone</i>, the only parking requirements that apply are: 2 <i>Parking Spaces</i>, per unit for: <i>Dwelling, Townhouse Stacked; Dwelling, Townhouse Back-to-Back; Dwelling, Townhouse Stacked Back-to-Back</i> Visitor <i>parking spaces</i> - 0.25 <i>parking spaces</i> per unit

-
1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			No Visitor <i>parking spaces</i> for units fronting on a public road shall be required. Parking Space Size (minimum) For the purpose of this <i>zone</i>, the minimum unobstructed size of a <i>parking space</i>, whether inside a garage or outside, shall be 2.75 m width by 5.5 m in length. Parking Space Location Except within a <i>private garage</i> or on a <i>driveway</i>, no part of any <i>parking space</i> shall be located in any part of a <i>front yard</i>. Driveway Setback (minimum) From a <i>lot line</i> bisecting attached <i>dwelling units</i> n/a From all other <i>lot lines</i> 1.2 m Driveway and Parking Area Setback (minimum) <i>Parking area</i> does not include a <i>parking space</i> serving a <i>private garage</i> or a <i>driveway</i> of a townhouse unit 3.0 m Permitted Encroachments Bay, Box or Bow Windows with or without Foundation i. 1.0m into a required <i>Front, Exterior Side or Rear Yard</i> Covered or Uncovered <i>Porch or Balcony, Canopy or Portico</i> i) 2.0m into any required <i>yard</i>, provided a minimum <i>setback</i> of 0.6m to the <i>lot line</i> is maintained. Covered or Uncovered Steps or Stairs, Ramp or Barrier-free Access Feature not associated with a <i>Deck</i> i) 2.7m provided a minimum <i>setback</i> of 0.3m to the <i>lot line</i> is maintained Deck ≥ 0.75m in Height i) Nil Deck < 0.75m in Height

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			ii) Nil Chimneys or Vents i) 0.6m into any required yard, provided that a minimum <i>setback</i> of 0.6m is maintained to the lot line Eaves, Sills, Cornices, Parapets, or other similar Ornamental Architectural features i) 0.6m extending from: a) a main <i>building</i> wall; b) a bay, box or bow window; or a covered or uncovered <i>porch</i> or balcony, into a required yard, provided that: c) a minimum setback of 0.6m is maintained to a <i>lot line</i>; and ii) in the case of eaves a minimum <i>setback</i> of 0.2m is maintained to an <i>interior side lot line</i> or <i>rear lot line</i> Steps in an attached private garage 0.5m into a required parking space in a private garage
RT	669 (By-law 2024-029, OLT 21- 001273)	- <i>Additional Residential Unit</i> - <i>Dwelling, Freehold Townhouse</i> - <i>Day Care, Private Home</i> - <i>Home Occupation</i>	Lot Area (minimum) 160 m² Lot Frontage (minimum) (a) <i>Lot, Corner</i> 9.6 m (b) <i>Lot, Corner</i> on Block 16 & 18 on Draft Plan of Subdivision 21T-20003C 6.5 m (c) <i>Lot, Interior, or Lot, Through</i> 6.1 m Building Area (maximum) 70% Backyard Amenity Area (minimum) Nil Yard, Front (minimum) (a) Front wall of main building 4.5 m Yard, Exterior Side (minimum) 3.5 m Yard, Interior Side (minimum)

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			(a) When a lot abuts a lot containing a townhouse dwelling 1.5 m Yard, Rear (minimum) 6.0 m Building Height (maximum) 12.5 m Landscaped Area (minimum) 10% Entrance Setbacks (minimum) nil Entrance Separation (minimum) nil Driveway Width (maximum) For the purpose of this <i>zone</i>, the width of an individual <i>driveway</i> accessing a townhouse unit will not exceed 5.5 metres in width. Parking Spaces (minimum) For the purpose of this <i>zone</i>, 2 <i>parking spaces</i> per <i>dwelling unit</i> shall be required. No visitor <i>parking spaces</i> shall be required. Driveway Location The location of <i>driveways</i> will be permitted in the <i>rear yard</i>. Building Setback (Sight Triangle) For the purpose of this <i>zone</i>, the <i>building setback</i> to a <i>sight triangle</i> shall be 3.0 metres. <i>Sight Triangle</i> means the triangular space on a <i>lot</i> formed by 2 intersecting <i>street lines</i> and a line drawn from a point on one <i>street line</i> across such <i>lot</i> to a point in the other <i>street line</i>, each such point being the required distance from the point of intersection of the <i>street lines</i> (measured along the <i>street lines</i>). Where the 2 <i>street lines</i> do not intersect at a point, the point of intersection of the <i>street lines</i> shall be deemed to be the intersection of the projection of the <i>street lines</i> or the intersection of the tangent to the <i>street lines</i>. Building Height (Enclosed Structure) For the purpose of this <i>zone</i>, an enclosed <i>structure</i> containing stairs which are a means of access to a rooftop amenity area shall not be

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			considered in the calculation of <i>building height</i> provided that any main walls above 12.5 metres are stepped back from the walls below a distance equal to the height above 12.5 metres. Lot Line, Exterior Side For the purpose of this zone, the <i>exterior side lot line</i> means any <i>lot line</i> other than a <i>front lot line</i> which is also a <i>street line</i>. In the case where a <i>lot line</i> abuts a 0.3 metre reserve block, which in turn abuts a <i>street line</i>, such <i>lot line</i> shall be considered an <i>exterior side lot line</i> and the lot shall be considered as a <i>corner lot</i>. An <i>exterior side lot line</i> shall be deemed to extend to meet the <i>front lot line</i> and <i>rear lot line</i> at a point or radius of 0m, or where the 2 <i>street lines</i> do not intersect at a point, the point of intersection of the <i>street lines</i> shall be deemed to be the intersection of the projection of the <i>street lines</i> or the intersection of the tangent to the <i>street line</i>. Lot Line, Front For the purpose of this zone, <i>front lot line</i> means, in the case of an <i>interior lot</i>, the <i>lot line</i> dividing the <i>lot</i> from the <i>street</i>. In the case of a <i>corner lot</i>, the shorter <i>lot line</i> abutting a <i>street</i> shall be deemed to be the <i>front lot line</i> except, where the <i>lot lines</i> abutting a <i>street</i> are the same length, the <i>lot line</i> used for the principal <i>entrance</i> to the <i>lot</i> shall be deemed to be the <i>front lot line</i>. In the case of a through <i>lot</i>, the <i>lot line</i> used for the principal <i>entrance</i> to the <i>lot</i> shall be deemed to be the <i>front lot line</i>. A <i>front lot line</i> shall be deemed to extend to meet an <i>exterior side lot line</i> at a point or radius of 0m, Where the 2 <i>street lines</i> do not intersect at a point, the point of intersection of the <i>street lines</i> shall be deemed to be the intersection of the projection of the <i>street lines</i> or the intersection of the tangent to the <i>street lines</i> Lot Line, Rear For the purpose of this zone, <i>rear lot line</i> means, except for <i>corner lots</i>, any <i>lot line</i> which is not a <i>front lot line</i>, an <i>exterior side lot line</i> or an <i>interior side lot line</i>. For <i>corner lots</i>, <i>rear lot line</i> means a <i>lot line</i> which

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			intersects an <i>exterior side lot line</i>. If a <i>lot</i> has less than four <i>lot lines</i>, there shall be deemed to be no <i>rear lot line</i>. A <i>rear lot line</i> shall be deemed to extend to meet an <i>exterior side lot line</i> at a point or radius of 0m, or where the 2 <i>street lines</i> do not intersect at a point, the point of intersection of the <i>street lines</i> shall be deemed to be the intersection of the projection of the <i>street lines</i> or the intersection of the tangent to the <i>street lines</i>. Air Conditioners and Heat Pumps For the purpose of this <i>zone</i>, Air Conditioners and Heat Pumps shall also be permitted on a rooftop. Model Home For the purpose of this <i>zone</i>, a maximum of one townhouse block (up to 6 units) shall be permitted as model homes on lands zoned RT-669 within Draft Plan of Subdivision File No. 21T-20003C. Permitted Encroachments For the purpose of this <i>zone</i>, the following encroachments are permitted into any required <i>yard</i>. (a) <i>Balconies</i>, decks and <i>porches</i> regardless of height above grade shall be permitted to encroach a maximum distance of 2.5m into a required <i>yard</i>; (b) Uncovered steps may encroach a maximum distance of 3.5m into a required <i>front yard</i> and 2.5m into a required <i>exterior side yard</i> (c) Permitted Encroachments shall apply to a <i>setback</i> to a <i>daylight triangle</i>. (d) A 1m no encroachment zone shall be required at the perimeter of all blocks. (e) One step may encroach into the width of a required <i>parking space</i> in a garage and two steps may encroach into the length of a required parking space in a garage. Footnotes For Table 6.2

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For the purpose of this <i>zone</i> , footnotes (3), and (4) of Table 6.2 shall not apply. Footnote (11) shall apply.

A driveway, walkway or retaining wall may extend through a <i>Planting Strip</i> at any location. A <i>Planting Strip</i> is not required along a <i>street line</i> for a <i>Public Transit Terminal</i> use. Illumination No part of a lighting fixture shall be closer than 2.5 m to a lot line.
RMD	686 (By-law 2024-050 – Portion within FAA and Northwest GTA Transmis	- Accessory Uses - Adult Day Centre - Amusement Arcade - Animal Hospital - Additional Residential Unit - Art Gallery - Artist Studio and Gallery - Bakery	DEFINITIONS Amenity Space For the purposes of this <i>zone</i>, means an outdoor area used exclusively for the enjoyment of the outdoor environment and may include <i>landscaping areas</i>, <i>patios</i>, <i>porches</i>, <i>privacy areas</i>, <i>balconies</i>, <i>terraces</i>, <i>decks</i> and similar areas.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	sion Corridor on Schedule A under appeal)	- <i>Bed and Breakfast Establishments</i> - <i>Building, Apartment</i> - <i>Building, Apartment, Senior Citizens</i> - <i>Building, Mixed Use</i> - <i>Business Office</i> - <i>Clinic</i> - <i>Community Centre</i> - <i>Conference Centre</i> - <i>Convenience Store</i> - <i>Crisis Care Facility</i> - <i>Cultural Centre</i> - <i>Day Care, Private Home</i> - <i>Day Nursery</i> - <i>Drive-Through Service Facility</i> - <i>Dry Cleaning or Laundry Outlet</i> - <i>Dwelling, Back-to-Back Townhouse</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Detached, Rear-Lane</i> - <i>Dwelling, Multiplex</i> - <i>Dwelling, Semi-Detached</i> - <i>Dwelling, Semi-Detached, Rear-Lane</i> - <i>Dwelling, Stacked Townhouse</i> - <i>Dwelling, Townhouse</i> - <i>Dwelling, Townhouse, Rear-Lane</i> - <i>Emergency Service Facility</i> - <i>Environmental Management</i> - <i>Farmers Market</i> - <i>Financial Institution</i> - <i>Fitness Centre</i> - <i>Forest Management</i> - <i>Funeral Home</i> - <i>Furniture Showroom</i> - <i>Government Office</i> - <i>Grocery Store</i>	<i>Dwelling, Multiplex</i> For the purposes of this <i>zone</i>, means a residential <i>building</i> with up to eight units. In order to qualify as a <i>Multiplex</i>, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. <i>Dwelling, Stacked Townhouse</i> For the purposes of this <i>zone</i>, means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall; <i>Finished Grade</i> For the purposes of this <i>zone</i>, <i>Finished Grade</i>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. <i>Lane</i> For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. <i>Live-Work Unit</i> For the purposes of this <i>zone</i>, means a <i>dwelling unit</i> within a <i>building</i> divided vertically, containing not more than 8 units, in which the portion of the <i>building</i> at grade level may be used as a business establishment and whereby each “live” and “work” component within the <i>dwelling unit</i> may have independent entrances from the outside. “Live” and “Work” components may share common hallways, stairways and rooms for mechanical systems on the ground floor. <i>Lot Depth</i> For the purposes of this <i>zone</i>, means the shortest horizontal distance between the <i>front</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Home Occupation - Hospital - Hotel - Laboratory, Medical - Laundromat - Library - Live-Work Unit - Long-Term Care Facility - Medical Centre - Merchandise Service Shop - Motor Vehicle Gas Bar - Motor Vehicle Washing Establishment - Museum - Non-Market Housing - Outdoor Seasonal Garden Centre, Accessory - Outdoor Display or Sales Area, Accessory - Park - Patio, Outdoor - Personal Service Shop - Pharmacy - Place of Assembly - Place of Entertainment - Place of Worship - Printing and Processing Service Shop - Private Club - Public Transit Depot - Recreation, Non-Intensive - Restaurant - Retail Store - Retail Store, Accessory - Sales, Service and Repair Shop - School - Seniors Retirement Facility - Shopping Centre - Supermarket - Training Facility	<i>lot line</i> and the <i>rear lot line</i>. Lot Frontage For the purposes of this zone, in the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this zone, where a lot contains a <i>Rear-Lane Dwelling</i> the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this zone, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this zone, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Rear-Lane For the purposes of this zone, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purpose of this zone, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated accessory <i>structures</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Veterinary Hospital</i> - <i>Video Outlet/Rental Store</i> - <i>Wellness Centre</i>	For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. <i>Air Conditioners and Heat Pumps</i> Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. <i>Detached or Dual Garage</i> For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2.2 c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. <i>Dwellings Per Lot</i> Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. <i>Model Homes and Temporary Sales Structure</i> Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>structures</i> may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Motor Vehicle Gas Bars and Washing Establishments, and Drive-Through Service Facilities <i>Motor Vehicle Gas Bars, Motor Vehicle Washing Establishments, and Drive-Through Service Facilities</i> shall only be located on a <i>lot</i> abutting Mayfield Road Non-Market Housing Shall be permitted in all residential zones, provided that such <i>use, building or structure</i> complies with the standards of the <i>Zone</i> in which it is located. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75 m in width and 5.5 m in length. Residential Parking Requirements Notwithstanding Section 5.2.2 (<i>Residential Parking Requirements</i>), no visitor parking spaces are required for a <i>dwelling, back-to-back townhouse</i>, having frontage on a public <i>street</i>. Visitor Parking In the case of <i>dwellings</i> tied to a common element condominium or on a <i>lot</i> with four or more <i>dwelling units</i>, visitor parking shall be provided at a rate of 0.25 spaces per <i>unit</i>, unless otherwise specified in this <i>zone</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Planting Strips A <i>driveway</i>, <i>walkway</i> or retaining wall may extend through a <i>planting strip</i> at any location. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care</i>, <i>private home</i>, <i>home occupation</i>, and related accessory <i>use</i> as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. ZONE STANDARDS For a <i>Dwelling, Detached</i> and <i>Dwelling, Detached, Rear-Lane</i>: Lot Area (minimum): N/A Lot Frontage (minimum): <i>Dwelling, Detached</i>: 8m <i>Dwelling, Detached, Rear-Lane</i>: 7.8m Building Area (maximum): N/A Backyard Amenity Area (minimum): N/A Front Yard (minimum): Front wall of attached <i>private garage</i>: 5.75m Front wall of <i>main building</i>: 2.5m Exterior Side Yard (minimum): To a <i>private garage</i> facing an <i>exterior side lot line</i>: 5.75m To a <i>main building</i>: 2.0m Exterior Side Yard abutting a Lane (minimum): To a <i>private garage</i> facing an <i>exterior side lot line</i>: 5.75m To a <i>main building</i>: 1.2m

In order to qualify as a <i>Multiplex</i>, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>Multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Dwelling, Stacked Townhouse For the purposes of this zone, means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall. Finished Grade For the purposes of this zone, <i>Finished Grade</i>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. Lane For the purposes of this zone, means a public or private thoroughfare, whether or not improved for use, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Lot Depth For the purposes of this zone, means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Frontage For the purposes of this zone, in the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this zone, where a lot contains a <i>Rear-Lane Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		<i>Accessory</i> - <i>Outdoor Display or Sales Area, Accessory</i> - <i>Patio, Outdoor</i> - <i>Parking Area, Commercial</i> - <i>Parking Garage</i> - <i>Personal Service Shop</i> - <i>Pharmacy</i> - <i>Place of Assembly</i> - <i>Place of Entertainment</i> - <i>Place of Worship</i> - <i>Post-Secondary Education Facility</i> - <i>Printing and Processing Service Shop</i> - <i>Private Club</i> - <i>Public Transit Depot</i> - <i>Public Use</i> - <i>Recreation, Non-Intensive</i> - <i>Research Establishment</i> - <i>Restaurant</i> - <i>Retail Store</i> - <i>Retail Store, Accessory</i> - <i>Sales, Service and Repair Shop</i> - <i>Seniors Retirement Facility</i> - <i>Shopping Centre</i> - <i>Supermarket</i> - <i>Training Facility</i> - <i>Veterinary Hospital</i> - <i>Video Outlet/Rental Store</i> - <i>Wellness Centre</i>	For the purposes of this zone, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this zone, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Rear-Lane For the purposes of this zone, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purposes of this zone, a <i>street</i> shall include a private road or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane</i> associated accessory <i>structure</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this zone, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Accessory Building Location: For the purpose of this zone, any <i>accessory building</i>, not including a detached <i>garage</i>, shall be located a minimum of 0.6m from any <i>lot line</i>. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate private garages on a <i>lot line</i>. b) Not be subject to Section 4.2.2. c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes and Temporary Sales Structure Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales <i>structures</i> may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all <i>Residential Zones</i>, provided that such <i>use, building or structure</i> complies with the standards of the <i>Zone</i> in

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			which it is located. Private, Garage The minimum dimensions of a double car garage accommodating 2 <i>parking spaces</i> shall be 5.5m in width and 5.5m in length. Residential Parking Requirements Notwithstanding Section 5.2.2, no visitor <i>parking spaces</i> are required for <i>back-to-back dwellings</i> having frontage on a public <i>street</i>. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.5m in length. Planting Strips A <i>driveway</i>, <i>walkway</i> or retaining wall may extend through a <i>planting strip</i> at any location. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care</i>, <i>private home</i>, <i>home occupation</i>, and related accessory use as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. ZONE STANDARDS For a Dwelling, Detached and Dwelling, Detached, Rear-Lane: Lot Area (minimum): N/A Lot Frontage (minimum):

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

R2	689 (By-law 2024-052)	– Artist Studio and Gallery – Business Office – Clinic – Convenience Store – Day Nursery – Dry Cleaning or Laundry Outlet – Dwelling, Back-to-Back Townhouse – Dwelling, Detached – Dwelling, Detached, Rear Lane – Dwelling, Semi-Detached – Dwelling, Semi-Detached, Rear- Lane – Dwelling, Stacked Townhouse – Dwelling, Townhouse, Rear-Lane – Dwelling, Multiplex – Environmental Management – Farmers Market – Financial Institution – Live-Work Unit – Long-Term Care Facility – Medical Centre – Non-Market Housing – Personal Service Shop – Pharmacy – Place of Worship – Recreation, Non-Intensive – Restaurant – Retail Store – Retail Store, Accessory – Sales, Service and Repair Shop – Seniors Retirement Facility – Veterinary Hospital	DEFINITIONS Amenity Space For the purpose of this zone, means an outdoor area used exclusively for the enjoyment of the outdoor environment and may include <i>landscaping areas</i>, patios, <i>porches</i>, privacy areas, <i>balconies</i>, terraces, <i>decks</i> and similar areas. Dwelling, Stacked Townhouse For the purpose of this zone, means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall; Dwelling, Multiplex For the purposes of this zone, means a residential <i>building</i> with up to eight units. In order to qualify, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Lane For the purposes of this zone, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Live-Work Unit For the purpose of this zone, means a <i>dwelling unit</i> within a <i>building</i> divided vertically, containing not more than 8 units, in which the portion of the <i>building</i> at grade level may be used as a business establishment and whereby each “live” and “work” component within the <i>dwelling unit</i> may have independent entrances from the outside. “Live” and “Work” components may share common hallways, stairways and rooms for mechanical systems on the ground floor. Lot Depth

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For the purpose of this <i>zone</i>, means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Line, Front For the purpose of this <i>zone</i>, where a lot contains a <i>Rear-Lane Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Rear-Lane For the purpose of this <i>zone</i>, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated <i>accessory structures</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage

-
1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2.2. c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the lot. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes and Temporary Sales Structure Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales <i>structures</i> may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all residential <i>zones</i>, provided that such <i>use, building or structure</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			complies with the standards of the <i>Zone</i> in which it is located. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.8m in length. Residential Parking Requirements Notwithstanding Section 5.2.2 (<i>Residential Parking Requirements</i>), no visitor <i>parking spaces</i> are required for a <i>dwelling, back-to-back townhouse</i>, having frontage on a public <i>street</i>. Visitor Parking In the case of <i>dwelling</i>s tied to a common element condominium or on a <i>lot</i> with four or more <i>dwelling units</i>, visitor parking shall be provided at a rate of 0.25 <i>parking spaces</i> per unit, unless otherwise specified in this <i>zone</i>. Street For the purposes of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>Day Care, Private Home, a Home Occupation and related accessory</i> use as permitted by the Zoning By-law. All other uses are prohibited. ZONE STANDARDS For a Dwelling, Detached and Dwelling, Detached, Rear-Lane:

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

In order to qualify, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. <i>Lane</i> For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for use, which has a reduced right-of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. <i>Live-Work Unit</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Dwelling, Townhouse, Rear-Lane - Dwelling, Multiplex - Environmental Management - Farmers Market - Financial Institution - Fitness Centre - Funeral Home - Furniture Showroom - Grocery Store - Hotel - Laboratory, Medical - Laundromat - Live-Work Unit - Long-Term Care Facility - Medical Centre - Merchandise Service Shop - Museum - Non-Market Housing - Outdoor Seasonal Garden - Centre, Accessory - Outdoor Display or Sales Area, Accessory - Patio, Outdoor - Personal Service Shop - Pharmacy - Place of Assembly - Place of Entertainment - Place of Worship - Printing and Processing Service Shop - Private Club - Recreation, Non-Intensive - Restaurant - Retail Store - Retail Store, Accessory - Sales, Service and Repair Shop - Seniors Retirement Facility - Shopping Centre - Supermarket	For the purposes of this <i>zone</i>, means a <i>dwelling unit</i> within a <i>building</i> divided vertically, containing not more than 8 <i>units</i>, in which the portion of the <i>building</i> at grade level may be used as a business establishment and whereby each “live” and “work” component within the <i>dwelling unit</i> may have independent entrances from the outside. “Live” and “Work” components may share common hallways, stairways and rooms for mechanical systems on the ground floor. Lot Depth For the purposes of this <i>zone</i>, means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Line, Front For the purposes of this <i>zone</i>, where a <i>lot</i> contains a <i>Rear-Lane Dwelling</i> the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Rear-Lane For the purposes of this <i>zone</i>, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated accessory <i>structures</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Training Facility</i> - <i>Veterinary Hospital</i> - <i>Wellness Centre</i>	For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2.2. c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the lot. Model Homes and Temporary Sales Structure Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales <i>structures</i> may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all residential <i>zones</i>,

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			provided that such <i>use, building or structure</i> complies with the standards of the <i>Zone</i> in which it is located. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard or setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purposes of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.8m in length. Residential Parking Requirements Notwithstanding Section 5.2.2 (<i>Residential Parking Requirements</i>), no visitor <i>parking spaces</i> are required for a <i>dwelling, back-to-back townhouse</i>, having frontage on a public <i>street</i>. Visitor Parking In the case of <i>dwellings</i> tied to a common element condominium or on a <i>lot</i> with four or more <i>dwelling units</i>, visitor parking shall be provided at a rate of 0.25 spaces per <i>unit</i>, unless otherwise specified in this <i>zone</i>. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care, private home, a home occupation</i> and related <i>accessory use</i> as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. ZONE STANDARDS For a Dwelling, Detached and Dwelling, Detached, Rear-Lane: Lot Area (minimum): N/A

			Where a <i>lot</i> is used for <i>Environmental Management, Forest Management, and Recreation, Non-Intensive uses</i>, the provisions of Section 11 (<i>Environmental Policy Area Zones</i>) shall apply. Where a <i>lot</i> is used for a <i>Park</i> purpose, the provisions of Section 12 (<i>Open Space Zone</i>) shall apply. PERMITTED ENCROACHMENTS Into a required <i>Yard, Front</i>: A covered or uncovered <i>porch</i> or <i>balcony</i>, terrace, canopy or portico, including stairs or steps (maximum): 2.0m provided a <i>setback</i> of 0.5m is maintained to the <i>lot line, front</i>. A bay, bow or box window with or without foundation or cold cellar (maximum): 1.0m For a <i>Dwelling, Townhouse, Back-to-Back</i> with no <i>private garage</i>: A <i>carport</i> or <i>garbage enclosure, private</i> (maximum): 2.0m, provided a <i>setback</i> of 0.5m is maintained to the <i>lot line, front</i>. Into a required <i>Yard, Exterior Side</i>: A covered or uncovered <i>porch</i> or <i>balcony</i>, terrace, canopy or portico, including stairs or steps (maximum): 2.0m provided a <i>setback</i> of 0.5m is maintained to the <i>lot line, exterior side</i>. A bay, bow or box window with or without foundation or cold cellar (maximum): 1.0m

-
1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Exterior below grade stairs (maximum): 1.0m A fireplace, chimney or vent (maximum): 0.6m Any type of encroachment where the <i>yard, exterior side</i> abuts a <i>lane</i> (maximum): 0.5m Into a required <i>Yard, Rear</i>: In the case of a <i>Dwelling, Detached, Dwelling Semi-Detached, and Dwelling, Townhouse</i>: A one-storey component of a <i>main building</i> on a <i>lot</i> with a <i>lot</i> depth less than 20m (maximum): 3.5m up to a maximum width of 60% of the <i>lot</i> A covered or uncovered <i>porch</i> or <i>balcony</i>, canopy or portico, including stairs or steps (maximum): 1.0m A bay, bow or box window with or without foundation or cold cellar (maximum): 1.0m An open-roofed <i>porch</i>, uncovered terrace, <i>deck</i> off the main floor, or exterior below grade stairs: To within 1.2m of a <i>lot line, rear</i>. Stairs or steps associated with an open-roofed <i>porch</i>, uncovered terrace or <i>deck</i>: To within 0.6m of a <i>lot line, rear</i>. A fireplace, chimney or vent (maximum): 1.2m In the case of a <i>Dwelling, Rear-Lane</i> where the <i>Lot Line, Rear</i> abuts a <i>street</i> that is not a <i>lane</i>:

-
1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			A covered or uncovered <i>porch</i> or <i>balcony</i>, canopy or portico, including stairs or steps (maximum): 2m provided a <i>setback</i> of 0.5m is maintained to the <i>lot line, front</i>. A bay, bow or box window with or without foundation or cold cellar (maximum): 1.0m Into a <i>Yard, Interior Side</i>: A covered or uncovered <i>porch</i> or <i>balcony</i>, canopy or portico, including stairs or steps (maximum): 0.6m provided a setback of 0.6m is maintained to the <i>lot line, interior side</i>. A fireplace, chimney or vent (maximum): 0.6m In the case of a <i>Dwelling, Rear-Lane</i>: A bay, bow or box window with or without foundation or cold cellar (maximum): 0.5m Into all <i>Yards</i>: Sills, cornices, parapets, or other similar ornamental architectural features (maximum): 0.6m extending from a <i>main building wall</i> or permitted encroachment provided that a minimum <i>setback</i> of 0.5m is maintained to a <i>lot line</i>; Eaves (maximum): 0.6m from a <i>main building wall</i> or permitted encroachment provided that a minimum <i>setback</i> of 0.2m is maintained to an <i>interior side lot line</i>. Within a <i>Private Garage</i>:

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Steps, Stairs, Landings, Ramp, or barrier-free access feature (maximum): 0.5m into a required <i>parking space</i>. Refuse Bins (maximum): Entirely within a required <i>parking space</i>.
RMD	691 (By-law 2024-053– Portion within FAA and Northwest GTA Transmission Corridor on Schedule A under appeal)	- <i>Dwelling, Detached</i> - <i>Dwelling, Semi-Detached</i> - <i>Dwelling, Linked</i> - <i>Dwelling, Rowhouse</i> - <i>Dwelling, Duplex</i> - <i>Building, Multiplex</i> - <i>Building, Apartment</i> - <i>Long Term Care Facility</i> - <i>Seniors Retirement Facility</i> - <i>Hotel</i> - <i>Amusement Arcade</i> - <i>Animal Hospital</i> - <i>Animal Kennel</i> - <i>Art Gallery</i> - <i>Artist Studio and Gallery</i> - <i>Automotive Store</i> - <i>Bakery</i> - <i>Business Office</i> - <i>Clinic</i> - <i>Communication Equipment Outlet</i> - <i>Conference Centre</i> - <i>Conservation School</i> - <i>Crisis Care Facility</i> - <i>Cultural Centre</i> - <i>Dry Cleaning or Laundry Outlet</i> - <i>Financial Institution</i> - <i>Fitness Centre</i> - <i>Funeral Home</i> - <i>Laboratory, Medical</i> - <i>Laundromat</i> - <i>Live-Work Unit</i> - <i>Medical Centre</i>	DEFINITIONS <i>Child Care Centre</i> For the purposes of this <i>zone</i>, means a <i>Child Care Centre</i> as defined in the Child Care and Early Years Act, as amended. <i>Deck</i> For the purposes of this <i>zone</i>, means an attached or freestanding platform or series of platforms on a foundation or footing, not covered by a roof or <i>building</i> and which has direct access to the ground. <i>Dwelling, Duplex</i> For the purposes of this <i>zone</i>, means a <i>dwelling</i> divided horizontally into 2 separate <i>dwelling units</i>, each such <i>dwelling unit</i> having an independent entrance either directly from outside the <i>building</i> or through a common vestibule. <i>Dwelling, Multiplex</i> For the purposes of this <i>zone</i>, means a residential <i>building</i> with up to eight units. In order to qualify, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. <i>Dwelling, Rowhouse</i> For the purposes of this <i>zone</i>, means a <i>building</i> divided vertically and/or horizontally that has three or more <i>Dwelling Units</i>, with each <i>Dwelling Unit</i> having an independent entrance at grade. This includes <i>rear</i> or <i>side yard</i> accessed <i>dwellings</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Motor Vehicle Body Shop</i> - <i>Motor Vehicle Gas Bar</i> - <i>Motor Vehicle Repair Facility</i> - <i>Motor Vehicle Sales Establishment</i> - <i>Motor Vehicle Service Centre</i> - <i>Outdoor Display or Sales Area, Accessory</i> - <i>Personal Service Shop</i> - <i>Place of Entertainment</i> - <i>Place of Worship</i> - <i>Restaurant</i> - <i>Retail Store</i> - <i>Retail Store, Accessory</i> - <i>Shopping Centre</i> - <i>Sports Arena</i> - <i>Child Care Centre</i> - <i>Institutional Use</i> - <i>Home Occupation</i> - <i>Day Care, Private Home</i> - <i>Day Nursery</i>	<i>Finished Grade</i> For the purposes of this <i>zone</i>, means the average surface elevation of the ground where it meets the exterior of the front of a <i>building</i>. <i>Institutional Use</i> For the purposes of this <i>zone</i>, means any <i>use</i> listed in Table 9.1 of the by-law. <i>Lane</i> For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. <i>Live-Work Unit</i> For the purposes of this <i>zone</i>, means a <i>dwelling unit</i> within a <i>building</i> divided vertically, containing not more than 8 units, in which the portion of the <i>building</i> at grade level may be used as a business establishment and whereby each “live” and “work” component within the <i>dwelling unit</i> may have independent entrances from the outside. “Live” and “Work” components may share common hallways, stairways and rooms for mechanical systems on the ground floor <i>Lot Frontage</i> For the purposes of this <i>zone</i>, means the horizontal distance between the <i>side lot lines</i> measured at right angles. Where the <i>front lot line</i> is not a straight line, or where the <i>side lot lines</i> are not parallel, the <i>lot frontage</i> shall be measured by a line 6 m back from and parallel to the chord of the <i>lot frontage</i>. The chord of the <i>lot frontage</i> is a straight line joining the two points where the <i>side lot lines</i> intersect the <i>front lot lines</i>. In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the front and <i>exterior side lot lines</i> were extended to their point of intersection. <i>Non-Market Housing</i> For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, means an unenclosed, covered platform with direct access to the ground that is attached to a <i>dwelling</i>. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Building Height Exemptions In addition to Section 4.16 “Height Exemptions”, when calculating <i>building height</i>, the following shall be exempt: a) Cupolas, finials and weather vanes, or similar architectural, landscape or ornamental features b) Light standards c) Lightning rods d) Parapets e) Mechanical penthouses f) Unenclosed mechanical equipment g) Steeples Detached or Dual Garage Location with Driveway Access to a Lane A detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			b) Not be subject to Section 4.2.2 c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Frontage on a Lane Notwithstanding Section 4.3.1, a <i>dwelling</i> and associated accessory <i>structures</i> may be erected on a <i>lot</i> with access to the <i>rear lot line</i> that is a public or private <i>street</i> or <i>lane</i>. Location of Swimming Pools Swimming Pools are permitted in the <i>rear</i> or <i>side yards</i>. Minimum Entrance Setback and Entrance Separation Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Minimum Setback to a Private Lane Minimum <i>setback</i> from a private <i>lane</i> is 0.5 metres. Model Homes and Temporary Sales Structures Notwithstanding Subsections 4.24.4 and 4.24.5, “Model Homes and Temporary Sales Structures”, any number of dry or serviced Model Homes and Temporary Sales Structures are permitted. For clarity, all other provisions of Section 4.24 continue to apply. Non-Market Housing Shall be permitted in all residential <i>zones</i>, provided that such <i>use</i>, <i>building</i> or <i>structure</i> complies with the standards of the <i>Zone</i> in which it is located.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Parking Space Size The minimum dimensions of a <i>parking space</i> shall be 2.75 m by 5.5 m, which shall be exclusive of any parking <i>aisles</i> or ingress and egress lanes, useable for the temporary parking or storage of <i>motor vehicles</i> and may include a <i>private garage</i>. Permitted Encroachments Encroachments into the required <i>yards</i> are permitted as follows: a) <i>Building</i> architectural elements, including sills, belt, courses, cornices, gutters, chimneys, pilasters, eaves, parapets, canopies or fireplaces are permitted to encroach in any <i>yard</i> up to 0.6 metres b) Window bays, bows and boxes are permitted to encroach in the <i>front, rear and exterior side yards</i> up to 1.0 metre c) <i>Balconies</i> are permitted to encroach in the <i>front, rear and exterior side yards</i> up to 2.0 metres d) <i>Porches</i> and uncovered terraces (including access stairs from grade) are permitted to encroach in the <i>front, rear and exterior side yards</i>, including eaves and cornices, with a minimum <i>setback</i> of 0.6 m from a <i>lot line</i>. e) Exterior stairs providing access to a <i>building</i> or <i>structure</i> may encroach into the <i>front, rear and exterior side yards</i> up to 0.3 metres from a <i>lot line</i> f) <i>Decks</i> (including access stairs from grade) are permitted to encroach in the <i>rear yard</i> up to 1.2 metres from the <i>rear lot line</i> and <i>interior side yards</i> up to 0.6 metres from an <i>interior side lot line</i> g) Swimming pool pumps/filters/heaters are permitted to encroach in the <i>rear and exterior side yards</i> up to 0.6 metres from any <i>lot line</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			h) Unenclosed barrier-free access ramps are permitted to encroach in any <i>yard</i> up to 0.3 metres from any <i>lot line</i> i) Rain barrels and rain harvesting system components are permitted to encroach in the <i>rear, exterior side</i> and <i>interior side yards</i> up to 0.6 metres from any <i>lot line</i> j) An <i>outdoor patio</i> serving a non-residential use is permitted to encroach in the <i>front yard</i> or <i>exterior side yard</i> up to 0.0 metres from the <i>front lot line</i> or <i>exterior lot line</i> k) A one-storey component of a <i>main building</i> on a <i>lot</i> with a <i>lot</i> depth less than 20m is permitted to encroach a maximum of 3.5m into a <i>rear yard</i> up to a maximum width of 60% of the <i>lot</i> l) Within a <i>private garage</i>, steps, stairs, landings, ramp, or barrier-free access feature may encroach up to 0.5m into a required <i>parking space</i>. Refuse Bins may encroach entirely within a required <i>parking space</i>. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>), no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care, private home, home occupation</i>, and related accessory use as permitted by the Zoning By-law. All other uses are prohibited. ZONE STANDARDS

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For a Dwelling, Detached: Lot Area (minimum): N/A Lot Frontage (minimum): 7.5m Building Area (maximum): N/A Yard, Front (minimum) To a private garage: 5.75m To main building: 2.5m Yard, Exterior Side (minimum): 2.0m Yard, Interior Side (minimum): One side: 1.2m Other side: 0.6m Corner Lot: 0.6m Yard, Rear (minimum): To a garage accessed from the <i>front lot line</i>: 6.0m To a garage accessed from a <i>rear lot line</i>: 0.5m For <i>lots</i> with a <i>lot</i> depth of less than 20m: 4.7m Building Height (maximum): 14.0m Parking Requirements: <i>Parking spaces</i> shall be provided on a residential <i>lot</i> or through <i>street</i> parking and maintained in accordance with the following requirements: A minimum of 1.0 <i>parking space</i> per <i>dwelling unit</i>. ZONE STANDARDS

-
1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For a Dwelling, Semi-Detached and Dwelling, Linked: Lot Area (minimum): N/A Lot Frontage (minimum): 6m Building Area (maximum): N/A Yard, Front (minimum): To a private garage: 5.75m To main building: 2.5m Yard, Exterior Side (minimum): 2.0m Yard, Interior Side (minimum): 1.2m; however, this requirement shall not apply to the common wall between units or to a <i>side lot line</i> that coincides with the party wall between two <i>dwellings</i>. Corner Lot: 0.6m Yard, Rear (minimum): To a garage accessed from the <i>front lot line</i>: 6.0m To a garage accessed from the <i>rear lot line</i>: 0.5m For <i>lots</i> with a <i>lot</i> depth of less than 20 metres: 4.7m Building Height (maximum): 14.0m Parking Requirements: <i>Parking spaces</i> shall be provided on a residential <i>lot</i> or through <i>street</i> parking and maintained in accordance with the following requirements: A minimum of 1.0 <i>parking space</i> per <i>dwelling unit</i>. ZONE STANDARDS

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For a Dwelling, Rowhouse: Lot Area (minimum): N/A Lot Frontage (minimum): 4.5m Building Area (maximum): N/A Yard, Front (minimum): To a <i>private garage</i>: 5.75m To <i>main building</i>: 2.5m Yard, Exterior Side (minimum): 2.0m Yard, Interior Side (minimum): 1.2m; however, this requirement shall not apply to the common wall between units or to a <i>side lot line</i> that coincides with the party wall between two <i>dwellings</i>. Yard, Rear (minimum): To a garage accessed from a <i>front lot line</i>: 6.0m To a garage accessed from the <i>rear lot line</i>: 0.5m For <i>lots</i> with a <i>lot</i> depth of less than 20 metres: 4.7m Building Height (maximum): 14.0m Parking Requirements: <i>Parking spaces</i> shall be provided on a residential <i>lot</i> or through <i>street</i> parking and maintained in accordance with the following requirements: A minimum of 1.0 <i>parking space</i> per <i>dwelling unit</i>. An additional 0.25 visitor <i>parking spaces</i> required for each <i>dwelling unit</i> that does not have access from a public <i>street</i> ZONE STANDARDS

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For a Dwelling, Duplex: Lot Area (minimum): 180m² Lot Frontage (minimum): 7.5m Building Area (maximum): N/A Yard, Front (minimum): To a <i>private garage</i>: 5.75m To <i>main building</i>: 2.5m Yard, Exterior Side (minimum): 2.0m Yard, Interior Side (minimum): 1.2m Yard, Rear (minimum): To a garage accessed from a <i>front lot line</i>: 6.0m To a garage accessed from a <i>rear lot line</i>: 0.5m For <i>lots</i> with a <i>lot</i> depth of 20 metres or less: 4.7m Building Height (maximum): 14.0m Parking Requirements: A minimum of 1.0 <i>parking space</i> per <i>dwelling unit</i>. ZONE STANDARDS For a Dwelling, Multiplex: Lot Frontage (minimum): 5.5m Yard, Front (minimum): 2.5m Yard, Exterior Side (minimum): 2.0m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>Yard, Interior Side</i> (minimum): 1.5m; however, this requirement shall not apply to the common wall between units. <i>Yard, Rear</i> (minimum): 3.0m; however, this requirement shall not apply to the common wall between units. <i>Building Height</i> (maximum): 14.0m Parking Requirements: <i>Parking spaces</i> shall be provided and maintained in accordance with the following requirements: A minimum of 1.0 <i>parking space</i> per dwelling unit. An additional minimum of 0.25 <i>parking spaces</i> required for each <i>dwelling unit</i> that does not have access from a public <i>street</i>. ZONE STANDARDS <i>For a Building, Apartment, Long Term Care Facility and Seniors Retirement Facility:</i> <i>Lot Area</i> (minimum): 1,000m² <i>Lot Frontage</i> (minimum): 24.0m <i>Building Area</i> (maximum): 80% <i>Yard, Front</i> (minimum): 3.0m <i>Yard, Exterior Side</i> (minimum): 3.0m <i>Yard, Interior Side</i> (minimum): 3.0m <i>Yard, Rear</i> (minimum): 3.0m <i>Building Height</i> (maximum): The <i>maximum building height</i> shall be 55 metres (inclusive, with no <i>building height exceptions</i>) in any area where Airport Zoning Regulations apply.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			In any other area the maximum <i>building height</i> shall be 90.0 metres (excluding rooftop mechanical equipment). Parking Requirements: <i>Parking spaces</i> shall be provided and maintained in accordance with the following requirements: A minimum of 1.0 residential <i>parking space</i> per <i>dwelling unit</i>. A minimum of 0.25 <i>parking spaces</i> per <i>dwelling unit</i>. ZONE STANDARDS For Amusement Arcade, Animal Hospital, Animal Kennel, Art Gallery, Artist Studio and Gallery, Automotive Store, Bakery, Business Office, Clinic, Communication Equipment Outlet, Conference Centre, Conservation School, Crisis Care Facility, Cultural Centre, Dry Cleaning or Laundry Outlet, Financial Institution, Fitness Centre, Funeral Home, Laboratory, Medical, Laundromat, Medical Centre, Motor Vehicle Body Shop, Motor Vehicle Gas Bar, Motor Vehicle Repair Facility, Motor Vehicle Sales Establishment, Motor Vehicle Service Centre, Outdoor Display or Sales Area, Accessory, Personal Service Shop, Place of Entertainment, Restaurant, Retail Store, Retail Store, Accessory, Shopping Centre, Sports Arena and Child Care Centres: Lot Area (minimum): 700m² Lot Frontage (minimum): 18.0m Building Area (maximum): 50% Yard, Front (minimum): 3.0m Yard, Exterior Side (minimum): 3.0m Yard, Interior Side (minimum): 1.5m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Yard, Rear (minimum): 6.0m Building Height (maximum): 25.0m Parking Requirements: <i>Parking spaces</i> shall be provided and maintained in accordance with the following requirements: A minimum of 3.5 <i>parking spaces</i> for every 100m² of <i>gross floor area</i>. A minimum of 0.75 <i>parking spaces</i> per employee, plus 3 visitor <i>parking spaces</i> and/or pick-up and drop-off , plus 1 <i>parking space</i> per classroom for <i>child care centres</i>. <i>Restaurants, retail stores, financial institutions, dry cleaning or laundry outlet, personal service shop, fitness centre, art gallery, art studio and Child Care Centres</i> are also permitted on the ground floor of a <i>Building, Apartment</i>. In this case, the zoning requirements of a <i>Building, Apartment</i> will apply and the above zoning requirements will not be applicable. ZONE STANDARDS For Institutional Uses, place of worship and Public Uses: Lot Area (minimum): 700m² Lot Frontage (minimum): 18.0m Building Area (maximum): 50% Yard, Front (minimum): 3.0m Yard, Exterior Side (minimum): 3.0m Yard, Interior Side (minimum): 1.5m Yard, Rear (minimum): 7.5m Building Height (maximum): 25.0m

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Parking Requirements: <i>Parking spaces</i> shall be provided and maintained in accordance with the following requirements: A minimum of 1.0 <i>parking space</i> for every 100m² of <i>gross floor area</i> for a <i>school</i>. Where there are fixed seats, 1.0 <i>parking space</i> for every five seats or 3.0m of bench space. Where there are no fixed seats, 1.0 <i>parking space</i> for every 9.0m² of <i>gross floor area</i> or portion thereof devoted to a <i>Public Use</i>. Institutional Uses, <i>place of worship</i> and Public Uses are also permitted on the ground floor of a <i>Building, Apartment</i>. In this case, the zoning requirements of a <i>Building, Apartment</i> will apply and the above zoning requirements will not be applicable.
RM	692 (By-law 2024-054 – Portion within FAA and Northwest GTA Transmission Corridor on Schedule A under appeal)	- <i>Additional Residential Unit</i> - <i>Building, Apartment</i> - <i>Day Care, Private Home</i> - <i>Dwelling, Street Townhouse</i> - <i>Dwelling, Stacked Townhouse</i> - <i>Dwelling, Back-to-Back Townhouse</i> - <i>Dwelling, Back-to-Back Stacked Townhouse</i> - <i>Dwelling, Multiplex</i> - <i>Home Occupation</i> - <i>Long Term Care Facility</i> - <i>Non-Market Housing</i> - <i>Park</i> - <i>School</i> - <i>Stormwater Management Facility</i>	DEFINITIONS <i>Angular Plane</i> For the purpose of this <i>zone</i>, means an imaginary, angled plane extending above the entirety of a <i>lot</i> through which no portion of a <i>building</i> or <i>structure</i> can encroach in order to limit impacts of the <i>building</i> on adjacent areas. The location, angle, and height of the <i>angular plane</i> shall apply as identified in the applicable <i>zone</i> category. <i>Dwelling, Stacked Townhouse</i> For the purpose of this <i>zone</i>, means a <i>building</i> containing more than 4 <i>dwelling units</i>, each <i>dwelling unit</i> being separated from the other vertically and horizontally and each <i>dwelling unit</i> having a private entrance from outside. <i>Dwelling, Multiplex</i> For the purpose of this <i>zone</i>, means a residential <i>building</i> with up to eight <i>units</i>. In order to qualify, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Lane For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Non-Market Housing For the purpose of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Podium For the purpose of this <i>zone</i>, means the base of an <i>apartment dwelling</i> or <i>mixed use building</i> consisting of a base and a <i>tower</i> above the base where the base differs from the point <i>tower</i> by being wider in length or width, or both. Tower For the purpose of this <i>zone</i>, means the portion of an apartment <i>building</i> or <i>mixed-use building</i> above the <i>podium</i> of a <i>building</i>. Outdoor Amenity Space For the purpose of this <i>zone</i>, means outdoor space including a <i>balcony</i> or a roof area that is for the exclusive use of the occupants of a <i>dwelling unit</i> for their personal recreational or social activities. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Non-Market Housing

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Shall be permitted in all residential <i>zones</i>, provided that such <i>use, building</i> or <i>structure</i> complies with the standards of the <i>Zone</i> in which it is located. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care, private home, home occupation</i>, and related accessory <i>use</i> as permitted by the Zoning By-law. 1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			c) Covered or uncovered steps or stairs, ramp or barrier-free access feature not associated with a deck may encroach a maximum of 2.0m into a required <i>front yard</i> or <i>exterior side yard</i> provided a <i>setback</i> of 0.5m is maintained to the <i>front</i> and <i>exterior side lot line</i>. d) A <i>deck</i> in the <i>rear yard</i> may encroach up to 1.2 m from the <i>rear lot line</i>. e) a required third floor egress <i>balcony</i> may project a maximum of 1.0 m beyond the <i>building</i> into a <i>rear yard</i>, <i>exterior side yard</i> and/or <i>front yard</i>; f) Chimneys or vents may encroach a maximum of 0.6m into any required <i>yard</i>, provided that a minimum <i>setback</i> of 0.6m is maintained to the <i>lot line</i>. g) Fireplaces may encroach a maximum 1.2m into the <i>rear yard</i> and 0.6m into the required <i>side yard</i> or 50% of the minimum required <i>side yard</i> provided a minimum <i>setback</i> of 0.6 m is maintained to an <i>interior side yard lot line</i>. h) Sills, Cornices, Parapets, or other similar ornamental architectural features may encroach a maximum of 0.6m extending from a <i>main building</i> wall or permitted encroachment provided that a minimum <i>setback</i> of 0.5m is maintained to a <i>lot line</i>. i) Eaves may encroach a maximum of 0.6m from a <i>main building</i> wall or permitted encroachment provided that a minimum <i>setback</i> of 0.2m is maintained to an <i>interior side lot line</i>. j) Steps, stairs, landings, ramp, or barrier-free access feature may encroach a maximum of 0.5m into a required <i>parking space</i> in a <i>private garage</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			ZONE STANDARDS For a <i>Shopping Centre or non-residential use</i> not otherwise regulated in this zone: <i>Lot Area</i> (minimum): N/A <i>Lot Frontage</i> (minimum): 3.0m <i>Setback to a Street Line</i> (minimum): 3.0m <i>Exterior Side Yard</i> (minimum): 3.0m <i>Rear Yard</i> (minimum): 3.0m <i>Interior Side Yard</i> (minimum): 3.0m <i>Setback to a Sight Triangle</i> (minimum): N/A <i>Building Height</i> (maximum): Greater of 18m or 6 storeys excluding rooftop mechanical rooms and equipment <i>Landscaping Area</i> (minimum): 10% <i>Planting Strip</i> (minimum): N/A <i>Entrance Width</i> (maximum): N/A <i>Parking Requirements</i> (minimum): 1 <i>parking space</i> per 23m² of <i>net floor area</i> or portion thereof An <i>Outdoor Seasonal Garden Centre, Accessory</i> or <i>Outdoor Display or Sales Area, Accessory</i> may encroach up to 10% within a required <i>parking area</i>. No part of a lighting fixture shall be closer than 2.5m to a <i>lot line</i>. A <i>loading space</i> shall not be closer than 6m to a <i>street line</i> or 12m to a residential land use and shall be screened from <i>street</i> lines. Provisions for <i>Community Centre</i>,

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Emergency Services, Hospital, Library, Place of Worship, School Uses, Public Transit Depot, High Occupancy Vehicle Facility Where a <i>lot</i> is used for a <i>Community Centre, Emergency Service Facility, Hospital, Library, Place of Worship, School, Public Transit Depot, or High Occupancy Vehicle Facility</i>, the provisions for <i>Building, Mixed Use</i> of this By-Law shall apply. Park / Open Space Uses Where a <i>lot</i> is used for the purposes of a <i>Park</i>, the provisions of Section 12 (Open Space Zone) shall apply.
RMD	696 (By-law 2024-056)	- <i>Dwelling, Detached</i> - <i>Dwelling, Semi-Detached</i> - <i>Dwelling, Linked</i> - <i>Dwelling, Rowhouse</i> - <i>Dwelling, Duplex</i> - <i>Dwelling, Multiplex</i> - <i>Building, Apartment</i> - <i>Long Term Care Facility</i> - <i>Seniors Retirement Facility</i> - <i>Hotel</i> - <i>Amusement Arcade</i> - <i>Animal Hospital</i> - <i>Animal Kennel</i> - <i>Art Gallery</i> - <i>Artist Studio and Gallery</i> - <i>Automotive Store</i> - <i>Bakery</i> - <i>Business Office</i> - <i>Clinic</i> - <i>Communication Equipment Outlet</i> - <i>Child Care Centre</i> - <i>Conference Centre</i> - <i>Conservation School</i> - <i>Crisis Care Facility</i> - <i>Cultural Centre</i>	DEFINITIONS Child Care Centre means a <i>Child Care Centre</i> as defined in the Child Care and Early Years Act, as amended. Deck means an attached or freestanding platform or series of platforms on a foundation or footings, not covered by a roof or <i>building</i> and which has direct access to the ground. Dwelling, Multiplex For the purposes of this <i>zone</i>, means a residential <i>building</i> with up to eight units. In order to qualify as a <i>Multiplex</i>, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Dwelling, Rowhouse For the purposes of this <i>zone</i>, means a <i>building</i> divided vertically and/ or horizontally that has three or more <i>Dwelling Units</i>, with each <i>Dwelling Unit</i> having an independent entrance at grade. This includes <i>rear</i> or <i>side yard</i> accessed <i>dwellings</i>. Finished Grade

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Day Care, Private Home</i> - <i>Day Nursery</i> - <i>Dry Cleaning or Laundry Outlet</i> - <i>Financial Institution</i> - <i>Fitness Centre</i> - <i>Funeral Home</i> - <i>Home Occupation</i> - <i>Institutional Use</i> - <i>Laboratory, Medical</i> - <i>Laundromat</i> - <i>Live-Work Unit</i> - <i>Medical Centre</i> - <i>Motor Vehicle Body Shop</i> - <i>Motor Vehicle Gas Bar</i> - <i>Motor Vehicle Repair Facility</i> - <i>Motor Vehicle Sales Establishment</i> - <i>Motor Vehicle Service Centre</i> - <i>Outdoor Display or Sales Area, Accessory</i> - <i>Personal Service Shop</i> - <i>Place of Entertainment</i> - <i>Place of Worship</i> - <i>Restaurant</i> - <i>Retail Store</i> - <i>Retail Store, Accessory</i> - <i>Shopping Centre</i> - <i>Sports Arena</i>	means the average surface elevation of the ground where it meets the exterior of the front of a <i>building</i>. <i>Institutional Use</i> For the purposes of this <i>zone</i>, means any use listed in Table 9.1 of the by-law. <i>Lane</i> For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for use, which has a reduced right-of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. <i>Lot Frontage</i> means the horizontal distance between the <i>side lot lines</i> measured at right angles. Where the <i>front lot line</i> is not a straight line, or where the <i>side lot lines</i> are not parallel, the <i>lot frontage</i> shall be measured by a line 6 m back from and parallel to the chord of the <i>lot frontage</i>. The chord of the <i>lot frontage</i> is a straight line joining the two points where the <i>side lot lines</i> intersect the <i>front lot lines</i>. In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. <i>Non-Market Housing</i> Means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. <i>Porch</i> Means an unenclosed, covered platform with direct access to the ground that is attached to a <i>dwelling</i>. <i>Street</i> For the purposes of this <i>zone</i>, a <i>street</i> shall include a private road or <i>lane</i>. GENERAL PROVISIONS

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. ADDITIONAL PROVISIONS i. Notwithstanding Table 5.2 of Zoning By-law 2006-50, the <i>uses</i> permitted in the Core Commercial “CC” Zone shall be subject to a parking rate of 3.5 spaces per 100 m² of <i>gross floor area</i>.
RMD	700 (By-law 2024-058 – Portion within FAA and Northwest GTA Transmission Corridor on Schedule	- Additional Residential Unit - Art Gallery - Artist Studio and Gallery - Business Office - Clinic - Day Care, Private Home - Dry Cleaning or Laundry Outlet - Dwelling, Back-to-Back Townhouse - Dwelling, Detached	DEFINITIONS <i>Amenity Space</i> For the purposes of this <i>zone</i>, means an outdoor area used exclusively for the enjoyment of the outdoor environment and may include <i>landscaping areas</i>, patios, <i>porches</i>, privacy areas, <i>balconies</i>, terraces, <i>decks</i> and similar areas. <i>Dwelling, Multiplex</i> For the purposes of this <i>zone</i>, means a residential <i>building</i> with up to eight units. In order to qualify as a <i>Multiplex</i>, at least one

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	A under appeal)	- Dwelling, Detached, Rear-Lane - Dwelling, Multiplex - Dwelling, Semi-Detached - Dwelling, Semi-Detached, Rear-Lane - Dwelling, Stacked Townhouse - Dwelling, Townhouse - Dwelling, Townhouse, Rear-Lane - Home Occupation - Live-Work Unit - Non-Market Housing - Outdoor Display or Sales Area, Accessory - Patio, Outdoor - Personal Service Shop - Recreation, Non-Intensive - Restaurant - Retail Store	<i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a multiplex is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Dwelling, Stacked Townhouse For the purposes of this zone, means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall; Finished Grade For the purposes of this zone, <i>Finished Grade</i>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. Lane For the purposes of this zone, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Lot Frontage In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this zone, where a lot contains a <i>Rear-Lane dwelling</i> the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this zone, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this zone, <i>Porch</i> shall

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Rear-Lane For the purposes of this <i>zone</i>, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated accessory <i>structures</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: d) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			where a dual garage is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. e) Not be subject to Section 4.2.2 f) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes and Temporary Sales Structure Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: c) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. d) Any number of temporary sales <i>structures</i> may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all residential <i>zones</i>, provided that such <i>use, building or structure</i> complies with the standards of the <i>Zone</i> in which it is located. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard or setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Size of Parking Spaces For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.5m in length. Residential Parking Requirements Notwithstanding Section 5.2.2 (<i>Residential Parking Requirements</i>), no visitor <i>parking spaces</i> are required for a <i>dwelling, back-to-back townhouse</i>, having frontage on a public <i>street</i>. Visitor Parking In the case of <i>dwellings</i> tied to a common element condominium or on a <i>lot</i> with four or more <i>dwelling units</i>, visitor parking shall be provided at a rate of 0.25 spaces per <i>unit</i>, unless otherwise specified in this <i>zone</i>. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care, private home, home occupation</i>, and related accessory use as permitted by the Zoning By-law. All other uses are prohibited. Lane For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Non-Market Housing For the purposes of this zone, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a <i>private road</i> or <i>lane</i>. REGULATIONS Access Regulations For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i> or terrace. Convenience Store A <i>Convenience Store</i> shall not exceed 300 m² <i>net floor area</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Lot The lands zoned RMD-710 shall be considered one <i>lot</i> for zoning purposes. Non-Market Housing Shall be permitted in all residential zones, provided that such <i>use</i>, <i>building</i> or <i>structure</i> complies with the standards of the <i>Zone</i> in which it is located. Non-Residential Uses The non-residential <i>uses</i> permitted in this <i>zone</i> shall only be permitted on the ground level of a <i>Building</i>, <i>Mixed Use</i>. Permitted Encroachments Encroachments into the required <i>yards</i> are permitted as follows: a) <i>Building</i> architectural elements, including sills, belt, courses, cornices, gutters, chimneys, pilasters, eaves, parapets, canopies or fireplaces are permitted to encroach in any <i>yard</i> up to 0.6 metres b) Window bays, bows and boxes are permitted to encroach in the <i>front</i>, <i>rear</i> and <i>exterior side yards</i> up to 1.0 metre c) <i>Balconies</i> are permitted to encroach in the <i>front</i>, <i>rear</i> and <i>exterior side yards</i> up to 2.0 metres d) <i>Porches</i> and uncovered terraces (including access stairs from grade) are permitted to encroach in the <i>front</i>, <i>rear</i> and <i>exterior side yards</i>, including eaves and cornices, with a minimum <i>setback</i> of 0.6 m from a <i>lot line</i>. e) Exterior stairs providing access to a <i>building</i> or <i>structure</i> may encroach into the <i>front</i>,

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>rear and exterior side yards up to 0.3 metres from a lot line</i> f) <i>Decks (including access stairs from grade) are permitted to encroach in the rear yard up to 1.2 metres from the rear lot line and interior side yards up to 0.6 metres from an interior side lot line</i> g) <i>Swimming pool pumps/filters/heaters are permitted to encroach in the rear and exterior side yards up to 0.6 metres from any lot line</i> h) <i>Unenclosed barrier-free access ramps are permitted to encroach in any yard up to 0.3 metres from any lot line</i> i) <i>Rain barrels and rain harvesting system components are permitted to encroach in the rear, exterior side and interior side yards up to 0.6 metres from any lot line</i> j) <i>An outdoor patio serving a non-residential use is permitted to encroach in the front yard or exterior side yard up to 0.0 metres from the front lot line or exterior lot line</i> k) <i>A one-storey component of a main building on a lot with a lot depth less than 20m is permitted to encroach a maximum of 3.5m into a rear yard up to a maximum width of 60% of the lot</i> l) <i>Within a private garage, steps, stairs, landings, ramp, or barrier-free access feature may encroach up to 0.5m into a required parking space. Refuse Bins may encroach entirely within a required parking space.</i> Use Restriction <i>Where a dwelling has been legally constructed, the dwelling shall not be used for any purpose other than a domicile, a day care, private home, home occupation, and related</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			accessory <i>use</i> as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. ZONE STANDARDS <i>Lot Area</i> (minimum): N/A <i>Lot Frontage</i> (minimum): N/A <i>Building Area</i> (maximum): N/A <i>Backyard Amenity Area</i> (minimum): N/A <i>Front Yard</i> (minimum): 4.0m <i>Exterior Side Yard</i> (minimum): 1.5m <i>Rear Yard</i> (minimum): 1.2m <i>Interior Side Yard</i> (minimum): 6.0m <i>Building Height</i> (maximum): For a <i>Dwelling, Stacked Townhouse and Dwelling, Multiplex</i>: 18m For a <i>Building, Apartment; Building, Apartment, Senior Citizen, and Building, Mixed Use</i>: 40m <i>Amenity Space</i> (minimum): For a <i>Dwelling, Stacked Townhouse</i>: 7m² per <i>dwelling unit</i> For a <i>Building, Apartment; Building, Apartment, Senior Citizen, and Building, Mixed Use</i>: 3m² per <i>dwelling unit</i> <i>Landscaping Area</i> (minimum): 25% <i>Common Outdoor Amenity Area</i> (minimum): 1,250m²

Lane For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for <i>use</i>, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Lot Depth For the purposes of this <i>zone</i>, means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Frontage In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this <i>zone</i>, where a <i>lot</i> contains a <i>Rear-Lane Dwelling</i> or a <i>Dual Frontage Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> intersected by a <i>driveway</i>. Non-Market Housing For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Street For the purpose of this <i>zone</i>, a street shall include a <i>private road</i> or <i>lane</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated <i>accessory structures</i> may be erected on a <i>lot</i> without frontage and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Accessory Building Location: For the purpose of this <i>zone</i>, any <i>accessory building</i>, not including a detached <i>garage</i> shall be located a minimum of 0.6m from any <i>lot line</i>. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purpose of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2.2

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales structures may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all residential <i>zones</i>, provided that such <i>use</i>, <i>building</i> or <i>structure</i> complies with the standards of the <i>Zone</i> in which it is located. Private, Garage Size The minimum dimensions of a double car garage accommodating 2 <i>parking spaces</i> shall be 5.5m in width and 5.5m in length. Residential Parking Space Requirements Notwithstanding Section 5.2.2, no visitor <i>parking spaces</i> are required for <i>back-to-back dwellings</i> having frontage on a public <i>street</i>. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of <i>Parking Spaces</i> For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.5m. <i>Planting Strips</i> A <i>driveway</i>, <i>walkway</i> or retaining wall may extend through a <i>planting strip</i> at any location. <i>Use Restriction</i> Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>Day Care</i>, <i>Private Home</i>, <i>Home Occupation</i>, and related <i>accessory use</i> as permitted by the Zoning By-law. All other uses are prohibited. 			within the boundary of a Major Transit Station Area (MTSA). <i>An Outdoor Seasonal Garden Centre, Accessory or Outdoor Display or Sales Area, Accessory</i> may encroach up to 10% within a required <i>parking area</i>. No part of a lighting fixture shall be closer than 2.5m to a <i>lot line</i>. A <i>loading space</i> shall not be closer than 6m to a <i>street line</i> or 12m to a residential land use and shall be screened from <i>street lines</i>. Provisions for Community Centre, Emergency Services, Hospital, Library, Place of Worship, School Uses, Public Transit Depot, High Occupancy Vehicle Facility Where a <i>lot</i> is used for a <i>Community Centre, Emergency Service Facility, Hospital, Library, Place of Worship, School, Public Transit Depot, or High Occupancy Vehicle Facility</i>, the provisions for <i>Building, Mixed Use</i> of this By-Law shall apply. Park / Open Space Uses Where a <i>lot</i> is used for the purposes of a <i>Park</i>, the provisions of Section 12 (Open Space Zone) shall apply.
RMD	716 (By-law 2024-012, OLT 23- 001129)	- Amusement Arcade - Animal Hospital - Additional Residential Unit - Art Gallery - Artist Studio and Gallery - Automotive Store - Bakery - Bed and Breakfast Establishments - Building, Apartment - Building, Apartment, Senior Citizens - Building, Mixed Use - Business Office - Clinic	DEFINITIONS Amenity Area For the purposes of this <i>zone</i>, means an indoor and/or outdoor recreational area provided for the communal use of the residents including rooftop <i>amenity areas</i>, green roofs and rooftop gardens and inclusive of <i>landscaping areas</i>. Amenity Space For the purposes of this <i>zone</i>, means an outdoor area used exclusively for the enjoyment of the outdoor environment and

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	- Conference Centre - Convenience Store - Cultural Centre - Day Care, Private Home - Day Nursery - Department Store - Dry Cleaning or Laundry Outlet - Dwelling, Back-to-Back Townhouse - Dwelling, Detached - Dwelling, Detached, Dual Frontage - Dwelling, Detached, Rear-Lane - Dwelling, Multiplex - Dwelling, Semi-Detached - Dwelling, Semi-Detached, Rear-Lane - Dwelling, Semi-Detached, Back-to-Back - Dwelling, Stacked Townhouse - Dwelling, Townhouse - Dwelling, Townhouse Dual-Frontage - Dwelling, Townhouse, Rear-Lane - Environmental Management - Farmers Market - Financial Institution - Fitness Centre - Forest Management - Funeral Home - Furniture Showroom - Grocery Store - High Occupancy Vehicle Facility - Home Improvement Centre - Home Occupation - Hotel - Laboratory, Medical - Laundromat - Live-Work Unit - Long-Term Care Facility - Medical Centre - Merchandise Service	may include <i>landscaping areas</i>, patios, <i>porches</i>, privacy areas, <i>balconies</i>, terraces, <i>decks</i> and similar areas. Building Height In the case of a gable, gambrel or hip roof, building height shall be calculated using the vertical distance between the <i>established grade</i> at the front of such <i>building</i> to the median level between the eaves and the ridge of the roof Dwelling, Dual-Frontage For the purpose of this zone, <i>Dual-Frontage</i> means a <i>dwelling</i> with a <i>driveway</i> access to a <i>street</i> adjacent to a <i>rear lot line</i>. Dwelling, Multiplex means a residential <i>building</i> with up to eight units. In order to qualify as a <i>Dwelling, Multiplex</i>, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Dwelling, Back-to-Back Townhouse For the purpose of this zone, <i>Back-to-Back</i> means a <i>building</i> divided vertically both above and below grade into two or more residential <i>dwelling units</i>. Each such unit must have an independent entrance directly from outside the <i>building</i> and must share at least one side wall and one rear wall with adjacent <i>dwelling units</i>. Dwelling, Rear-Lane For the purposes of this zone, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Dwelling, Stacked Townhouse For the purposes of this zone, means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		Shop - Motor Vehicle Rental Establishment - Museum - Non-Market Housing - Outdoor Seasonal Garden Centre, Accessory - Outdoor Display or Sales Area, Accessory - Patio, Outdoor - Parking Area, Commercial - Parking Garage - Personal Service Shop - Pharmacy - Place of Assembly - Place of Entertainment - Place of Worship - Post-Secondary Education Facility - Printing and Processing Service Shop - Private Club - Public Transit Depot - Recreation, Non-Intensive - Research Establishment - Restaurant - Retail Store - Retail Store, Accessory - Sales, Service and Repair Shop - Seniors Retirement Facility - Shopping Centre - Supermarket - Training Facility - Veterinary Hospital - Video Outlet/Rental Store - Wellness Centre	both horizontally and vertically from another <i>dwelling unit</i> by a common wall; Finished Grade For the purposes of this <i>zone</i>, <i>Finished Grade</i>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. High Occupancy Vehicle Facility For the purposes of this <i>zone</i>, means land used to support and service a public transit facility, including for dispatching, storing, servicing, hiring, loading or unloading buses, taxis, rideshare vehicles, limousine vehicles or similar fleet vehicles, but not tow trucks, tractors, trailers, or <i>tractor-trailers</i>. Lane For the purposes of this <i>zone</i>, means a public or private thoroughfare, whether or not improved for use, which has a reduced right of-way width and which affords a means of access for vehicular traffic to abutting <i>lots</i>. Lot Depth For the purposes of this <i>zone</i>, means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Frontage In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this <i>zone</i>, where a <i>lot</i> contains a <i>Rear-Lane Dwelling</i> or a <i>Dual-Frontage Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> intersected by a <i>driveway</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Non-Market Housing For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a private road or <i>lane</i>. GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and <i>associated accessory structures</i> may be erected on a <i>lot</i> without <i>frontage</i> and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Accessory Building Location: For the purpose of this <i>zone</i>, any <i>accessory building</i>, not including a detached garage shall be located a minimum of 0.6m from any <i>lot line</i>. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			<i>balcony.</i> Detached or Dual Garage For the purpose of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate private garages on a <i>lot line</i>. b) Not be subject to Section 4.2.2 c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales structures may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all residential <i>zones</i>, provided that such <i>use</i>, <i>building</i> or <i>structure</i> complies with the standards of

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			the <i>Zone</i> in which it is located. Private, Garage Size The minimum dimensions of a double car garage accommodating 2 <i>parking spaces</i> shall be 5.5m in width and 5.5m in length. Residential Parking Requirements Notwithstanding Section 5.2.2, no visitor <i>parking spaces</i> are required for <i>back-to-back dwellings</i> having frontage on a public <i>street</i>. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.75m in width and 5.5m. Planting Strips A <i>driveway</i>, walkway or retaining wall may extend through a <i>planting strip</i> at any location. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>Day Care, Private Home, Home Occupation</i>, and related <i>accessory use</i> as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. ZONE STANDARDS For a Dwelling, Detached and Dwelling, Detached, Rear-Lane and Dwelling, Detached, Dual Frontage

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	718	-	Reserved
RMD	719 (Bylaw 2025-043)	- <i>Additional Residential Unit</i> - <i>Amusement Arcade</i> - <i>Animal Hospital</i> - <i>Additional Residential Unit</i> - <i>Art Gallery</i> - <i>Artist Studio</i> - <i>Automotive Store</i> - <i>Bakery</i> - <i>Bed and Breakfast Establishment</i> - <i>Building, Apartment</i> - <i>Building, Apartment Senior Citizens</i> - <i>Building, Mixed Use</i> - <i>Business Office</i> - <i>Clinic</i> - <i>Conference Centre</i> - <i>Convenience Store</i> - <i>Cultural Centre</i> - <i>Day Care, Private Home</i> - <i>Day Nursery</i> - <i>Department Store</i> - <i>Dry Cleaning or Laundry Outlet</i> - <i>Dwelling, Back-to-Back Townhouse</i> - <i>Dwelling, Detached</i> - <i>Dwelling, Detached, Rear-Lane</i> - <i>Dwelling, Multiplex</i> - <i>Dwelling, Semi-Detached</i> - <i>Dwelling, Semi-Detached, Rear-Lane</i> - <i>Dwelling, Stacked Townhouse</i> - <i>Dwelling, Townhouse</i>	DEFINITIONS Amenity Area For the purposes of this <i>zone</i> , means an indoor and/or outdoor recreational area provided for the communal use of the residents including rooftop amenity areas, green roofs and rooftop gardens and inclusive of <i>landscaping areas</i> . Amenity Space For the purposes of this <i>zone</i> , means an outdoor area used exclusively for the enjoyment of the outdoor environment and may include <i>landscaping areas</i> , patios, <i>porches</i> , privacy areas, <i>balconies</i> , terraces, <i>decks</i> and similar areas. Dwelling, Multiplex For the purposes of this <i>zone</i> , means a residential <i>building</i> with up to eight <i>units</i> . In order to qualify as a <i>Dwelling, Multiplex</i> , at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>Dwelling, Multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i> . Dwelling, Stacked Townhouse For the purposes of this <i>zone</i> , means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall. Finished Grade For the purposes of this <i>zone</i> , <i>Finished Grade</i> , with reference to a <i>building</i> , shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i> .

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

Lot Depth For the purposes of this <i>zone</i>, means the shortest horizontal distance between the front <i>lot line</i> and the <i>rear lot line</i>. Lot Frontage For the purposes of this <i>zone</i>, in the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this <i>zone</i>, where a <i>lot</i> contains a <i>Rear-Lane Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this <i>zone</i>, means housing that is owned or subsidized by government, a non-profit society, or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, <i>Porch</i> shall mean a roofed exterior platform attached to a <i>building</i> with or without foundation and/or basement with at least one (1) side open including any guards or railings, as required. Rear-Lane For the purposes of this <i>zone</i>, means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>Lane</i> adjacent to the <i>rear lot line</i>. Street For the purposes of this <i>zone</i>, a <i>street</i> shall include a private road or <i>lane</i>.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- <i>Restaurant</i> - <i>Retail Store</i> - <i>Retail Store, Accessory</i> - <i>Sales, Service and Repair Shop</i> - <i>Seniors Retirement Facility</i> - <i>Shopping Centre</i> - <i>Supermarket</i> - <i>Training Facility</i> - <i>Veterinary Hospital</i> - <i>Video Outlet/Rental Store</i> - <i>Wellness Centre</i>	GENERAL PROVISIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane</i> associated <i>accessory structures</i> may be erected on a <i>lot</i> without <i>frontage</i> and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Accessory Building Location For the purpose of this <i>zone</i>, any <i>accessory building</i>, not including a detached garage shall be located a minimum of 0.6m from any <i>lot line</i>. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is located in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purposes of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the lot, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i> requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2.2 c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/or a <i>freehold townhouse</i>. Model Homes and Temporary Sales Structure Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) a maximum of ten (10) dry or serviced model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales structures may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24.5 a), b), and c). Non-Market Housing Shall be permitted in all Residential <i>Zones</i>, provided that such <i>use</i>, <i>building</i> or <i>structure</i> complies with the standards of the <i>Zone</i> in which it is located. Garage, Private The minimum dimensions of a double car garage accommodating 2 <i>parking spaces</i> shall be 5.5m in width and 5.5m in length. Residential Parking Requirements Notwithstanding Section 5.2.2, no visitor <i>parking spaces</i> are required for back-to-back <i>dwellings</i> having <i>frontage</i> on a public <i>street</i>. Sight Triangles Notwithstanding Section 4.38.2 (Sight Triangles) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right-of-way. No minimum <i>yard</i> or <i>setback</i> is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			For the purpose of this <i>zone</i>, the minimum size of a <i>parking space</i> shall be 2.5m in width and 5.5m in length. Planting Strips A <i>driveway</i>, walkway or retaining wall may extend through a <i>planting strip</i> at any location. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>day care</i>, <i>private home</i>, <i>home occupation</i>, and related <i>accessory use</i> as permitted by the Zoning By-law. All other <i>uses</i> are prohibited. Amenity Space For the purposes of this zone, <i>Amenity Space</i> means an outdoor area used exclusively for the enjoyment of the outdoor environment and may

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

	- Business Office - Clinic - Conference Centre - Convenience Store - Cultural Centre - Day Care, Private Home - Day Nursery - Department Store - Dry Cleaning or Laundry Outlet - Dwelling, Back-to-Back Townhouse - Dwelling, Detached - Dwelling, Detached, Dual-Frontage - Dwelling, Detached, Rear-Lane - Dwelling, Multiplex - Dwelling, Semi-Detached - Dwelling, Semi-Detached, Rear-Lane - Dwelling, Semi-Detached, Back-to-Back - Dwelling, Stacked Townhouse - Dwelling, Townhouse - Dwelling, Townhouse, Dual-Frontage - Dwelling, Townhouse, Rear-Lane - Farmers Market - Financial Institution - Fitness Centre - Forest Management - Funeral Home - Furniture Showroom - Grocery Store - High Occupancy Vehicle Facility - Home Improvement Centre - Home Occupation - Hotel - Laboratory, Medical - Laundromat - Live-Work Unit	include <i>landscaping areas</i>, patios, <i>porches</i>, privacy areas, <i>balconies</i>, terraces, <i>decks</i> and similar areas. Building Height In the case of a gable, gambrel or hip roof, <i>building height</i> shall be calculated using the vertical distance between <i>finished grade</i> at the front of such <i>building</i> to the median level between the eaves and the ridge of the roof. Dwelling, Dual-Frontage For the purpose of this zone, <i>Dual-Frontage</i> means a <i>dwelling</i> with a <i>driveway</i> access to a <i>street</i> adjacent to a <i>rear lot line</i>. Dwelling, Multiplex For the purposes of this zone, <i>Dwelling, Multiplex</i> means a residential <i>building</i> with up to eight units. To qualify as a <i>Dwelling, Multiplex</i>, at least one <i>dwelling unit</i> must be entirely or partially above another. A <i>dwelling unit</i> within a <i>multiplex</i> is not a principal <i>dwelling</i> that can contain an <i>Additional Residential Unit</i>. Dwelling, Back-to-Back Townhouse For the purpose of this zone, <i>Dwelling, Back-to-Back Townhouse</i> means a <i>building</i> divided vertically both above and below grade into two or more residential <i>dwelling units</i>. Each such unit must have an independent entrance directly from outside of the <i>building</i> and must share at least once side wall and one rear wall with adjacent <i>dwelling units</i>. Dwelling, Rear-Lane For the purpose of this zone, <i>Dwelling, Rear-Lane</i> means a <i>dwelling</i> with a <i>driveway</i> access to a private or public <i>street</i> or <i>lane</i> adjacent to the <i>rear lot line</i>. Dwelling, Stacked Townhouse For the purpose of this zone, <i>Dwelling, Stacked Townhouse</i> means a <i>building</i> containing four or more <i>dwelling units</i> in which each <i>dwelling unit</i> is divided both horizontally and vertically from another <i>dwelling unit</i> by a common wall.

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

		- Long Term Care Facility - Medical Centre - Merchandise Service Shop - Motor Vehicle Rental Establishment - Museum - Non-Market Housing - Outdoor Seasonal Garden Centre, Accessory - Outdoor Display or Sales Area, Accessory - Patio, Outdoor - Parking Area, Commercial - Parking Garage - Personal Service Shop - Pharmacy - Place of Assembly - Place of Entertainment - Place of Worship - Post-Secondary Education Facility - Printing and Processing Service Shop - Private Club - Public Transit Depot - Recreation, Non-Intensive - Research Establishment - Restaurant - Retail Store - Retail Store, Accessory - Sales, Service and Repair Shop - Seniors Retirement Facility - Shopping Centre - Supermarket - Training Facility - Veterinary Hospital - Video Outlet/Rental Store - Wellness Centre	Finished Grade For the purpose of this zone, <i>Finished Grade</i>, with reference to a <i>building</i>, shall be calculated using the average elevation of the finished surface of the ground where it meets the exterior of the front of such <i>building</i>. High Occupancy Vehicle Facility For the purpose of this zone, <i>High Occupancy Vehicle Facility</i> means land used to support and service a public transit facility, including for dispatching, storing, servicing, hiring, loading or unloading buses, taxis, rideshare vehicles, limousine vehicles or similar fleet vehicles, but not tow trucks, tractors, trailers or <i>tractor-trailers</i>. Lane For the purpose of this zone, <i>Lane</i> means a public or private thoroughfare, not intended for general traffic that provides a means of vehicular access to a <i>lot</i> where the <i>lot</i> also fronts or flanks onto a <i>street</i>, or where a <i>lot</i> fronts onto public or private open space. Lot Depth For the purpose of this zone, <i>Lot Depth</i> means the shortest horizontal distance between the <i>front lot line</i> and the <i>rear lot line</i>. Lot Frontage In the case of a <i>corner lot</i>, the <i>lot frontage</i> shall be calculated as if the <i>front</i> and <i>exterior side lot lines</i> were extended to their point of intersection. Lot Line, Front For the purposes of this zone, where a <i>lot</i> contains a <i>Rear-Lane Dwelling</i>, the <i>Front Lot Line</i> shall be the <i>lot line</i> opposite to the <i>lot line</i> traversed by a <i>driveway</i>. Non-Market Housing For the purposes of this zone, <i>Non-Market Housing</i> means housing that is owned or subsidized by government, a non-profit society,

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			or a housing cooperative; whereby it is not solely market driven. Porch For the purposes of this <i>zone</i>, <i>Porch</i> means a roofed exterior platform attached to a <i>building</i> with or without foundation and/ or basement with at least one side open, including any guards or railings, as required. Street For the purpose of this <i>zone</i>, a <i>street</i> shall include a private road or <i>lane</i>. REGULATIONS Access Regulations Notwithstanding Section 4.3.1, a <i>rear-lane dwelling</i> and associated <i>accessory structures</i> may be erected on a <i>lot</i> without <i>frontage</i> and access to a public or private <i>street</i>, provided <i>driveway</i> access to the <i>rear lot line</i> is available from a public or private <i>street</i> or <i>Lane</i>. For the purposes of this <i>zone</i>, Sections 4.3.3 (minimum <i>entrance setback</i>) and 4.3.4 (minimum <i>entrance separation</i>) shall not apply. Accessory Building Location For the purpose of this <i>zone</i>, any <i>accessory building</i>, not including a detached garage shall be located a minimum of 0.6m from any <i>lot line</i>. Air Conditioners and Heat Pumps Air Conditioners and Heat Pumps are permitted in all <i>yards</i> provided where an Air Conditioner or Heat Pump is in a <i>Front Yard</i> or <i>Exterior Side Yard</i>, it shall be screened from public view or located on a <i>balcony</i>. Detached or Dual Garage For the purpose of this <i>zone</i>, a detached or <i>dual garage</i> with <i>driveway</i> access to a <i>lane</i> shall: a) Comply with the minimum <i>yard</i> requirements of the <i>lot</i>, except in the case of a <i>dual garage</i>, or portion thereof, no minimum <i>side yard</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			requirement shall apply where a <i>dual garage</i> is divided vertically into 2 separate <i>private garages</i> on a <i>lot line</i>. b) Not be subject to Section 4.2. 2 c) Not exceed the <i>Building Height</i> of the <i>main building</i> on the <i>lot</i>. Dwellings Per Lot Section 4.11 shall only apply to a <i>lot</i> containing a <i>detached dwelling</i>, <i>semi-detached dwelling</i>, and/ or a <i>freehold townhouse</i>. Model Homes Notwithstanding Section 4.24 (Model Homes and Temporary Sales Structures), for the purposes of this <i>zone</i>: a) A maximum often (10) model homes shall be permitted on lands with draft plan approval. b) Any number of temporary sales structures may be located on lands which are the subject of a draft approved plan of subdivision subject to Subsections 4.24. 5 a), b), and c). Private Garage Size The minimum dimensions of a <i>private garage</i> accommodating 2 <i>parking spaces</i> shall be 5.5m in width and 5.5m in length. Residential Parking Requirements No parking requirement. Sight Triangles Notwithstanding Section 4.38.2 (<i>Sight Triangles</i>) no <i>sight triangle</i> shall be required where a curved or triangular area of land abutting a <i>corner lot</i> has been incorporated into the public right- of-way. No minimum <i>yard</i> or setback is required from a <i>lot line</i> abutting such curved or triangular area of land. Size of Parking Spaces For the purpose of this <i>zone</i>, if <i>parking spaces</i> are provided, the minimum size of a <i>parking</i>

1. Unless amended by the above provisions, all applicable standards of Sections 4 & Section 5 as well as the parent zone shall apply.
2. All uses listed in this Section which are subject to a footnote in Sections 6 through 12 will also be subject to the associated footnote.

			space shall be 2.75m in width and 5.5m in length. Planting Strips A <i>driveway</i>, walkway or retaining wall may extend through a <i>planting strip</i> at any location. Use Restriction Where a <i>dwelling</i> has been legally constructed, the <i>dwelling</i> shall not be used for any purpose other than a domicile, a <i>private home daycare</i>, <i>home occupation</i>, and related <i>accessory use</i> as permitted by the Zoning By-law. All other uses are prohibited.
