SERVICE	RATE
Collision Tow An Operator and Driver of a tow truck who offers to tow a vehicle (not exceeding 3,000 kg) in towing weight as a result of a collision, shall charge this rate with no other additional amount added other than taxes, a clean-up fee and mileage (if applicable):	\$400.00
Non-collision Tow An Operator and Driver of a tow truck who offers to tow a vehicle (not exceeding 3,000 kg) in towing weight as a result of a non-collision, shall charge this rate with no other additional amount added other than taxes and mileage (if applicable):	\$150.00
Mileage The following mileage rate may be charged if the hirer requests to have the vehicle towed to a location outside of the municipal boundary and not the Operator's pound or as part of a re-tow.	\$3.25
Winching	\$120.00
Re-tow	\$110.00
Storage The following maximum storage rate shall be charged per 24 hours if the pound is located in Caledon or in a municipality that does not regulate storage rates.	\$60.00
