
Guide to Heritage Specialists

Companies and tradespeople with who specialize in heritage buildings in Southwestern Ontario

Prepared by:

Heritage Staff
Planning and Development Department
Town of Caledon

Introduction

This guide is intended to help owners of heritage properties make informed choices about hiring contractors and planning a particular project. Before work begins, please confirm with Heritage staff if a heritage permit is required for the work you're undertaking, and ensure that the heritage permit has been approved before beginning work.

In addition to this document, property owners may find the following links useful in their research:

The Canadian Association of Heritage Professionals (CAHP)
CAHP represents professional practitioners in heritage conservation. The organization maintains principles and standards of practice for heritage consultants and tradespeople. The CAHP website provides a listing of their practicing heritage building specialists: cahp-acecp.ca/

Parks Canada, Standards & Guidelines for the Conservation of Historic Places in Canada
Emphasis has been placed on providing sound, practical advice for conserving our rich and irreplaceable built heritage. The entire document can be found here: https://www.historicplaces.ca/en/pages/standards-normes

Town of Caledon Heritage
The Town's website providing information on designated property requirements, the Caledon Heritage Register and the Heritage Oakville Committee. https://www.caledon.ca/en/living-here/heritage-history-and-indigenous-relations.aspx

Ministry of Citizenship and Multiculturalism
The Ontario Heritage Tool Kit is a series of guides that explain different aspects the Ontario Heritage Act, the Planning Act, the Historic Places Initiative, and related programs. https://www.ontario.ca/page/ministry-citizenship-and-multiculturalism

National Trust for Canada
The National Trust for Canada is a national, membership-based organization and registered charity whose aim it is to encourage the preservation and demonstration of the nationally significant historic, architectural, natural and scenic heritage of Canada. www.nationaltrustcanada.ca/

***Please Note:** *While this list includes tradespeople and companies known to be working in the heritage field in the local area at the present time, it is not necessarily all inclusive and should not be perceived as a referral or recommendation. Contacts have been listed alphabetically, not in any order of ranking.*
