CBM Caledon - Region's Review and Sign off on TIS

Marzo, Christina <christina.marzo@peelregion.ca>

Wed, Jun 10, 2026 at 9:11 AM

To: Karen Bennett <karenb@gsai.ca>

Cc: Genevieve Cuesta Planning <genevieve@cuestaplanning.com>, "Simonetta, Pino" <pino.simonetta@peelregion.ca>, "Thomsen, Lori-Ann" <lori-ann.thomsen@peelregion.ca>, "Hercia, Rose" <rose.hercia@peelregion.ca>

Good morning Karen,

Please be advise that the technical review for the tunnels under Charleston Sideroad and Main Street are complete and the Region has no further comments. Staff are proceeding to prepare an encroachment agreement to be circulated to you for review. Please keep in mind that Town staff has been advised of the status of this review through our Commissioners office. They've asked to be sent a copy of the encroachment agreement for review while it is also with you and your team for review.

You will receive a follow up email from our Real Estate team and lead on this file, Pino Simonetta. Please see two emails attached, one for Charleton Sideroad and one for Main Street, the site specific comments highlighted in these emails will be included in the Encroachment Agreement. Please reach out to Pino, to continue working through this proposal and encroachment agreements.

Please include Lori-Ann (cc'd) and Rose (cc'd) on your correspondence with Pino.

Thank you,

Christina Marzo MCIP RPP
