

Petition for Traffic Calming Assessment

What is traffic calming?

The purpose of traffic calming is to alter driver behaviour to encourage appropriate speeds on the Town roads. Traffic calming is used where most motorists are driving inappropriately, which to be confirmed by the traffic analysis and investigations.

<p>Street name and limits (from/to):</p> <p>Description of concerns:</p>

Petition organizer contact information	How to submit completed petition
<p>Name:</p> <p>Phone:</p> <p>Email:</p> <p>Address:</p>	<p>Completed petition form is to be returned to the Transportation Engineering Division by emailing to trafficalming@caledon.ca.</p>

Support from **66%** of affected households is required to initiate the assessment. Insert additional signature sheets as needed.

We, the undersigned, as owners/tenants of the households in the defined area, request a traffic calming assessment on our street as detailed below:
