- New online recreation registration system
- Parking Pass Program
- Find your “forever” friend
- 2019 Tree Seedling Program

## Winter 2019

### 2019 Town of Caledon Budget

Every year the Town of Caledon publishes information on the Town’s budget and property tax impacts to maintain services and to better our community.

This year’s budget process included presentations at meetings open to the public, information posted on our website and in-print at our libraries, an open-house that allowed for one-on-one dialogue with senior staff, and of course, online input.

Thank you to those who participated in the 2019 budget!

#### Did you know?

For every \$1 of property taxes collected, just 39 cents stays with the Town.

### New online recreation registration system

Registering for activities and purchasing a membership just got easier!

Announcing our new and enhanced online recreation registration system. To take advantage of quick registration, receiving email updates, live drop in schedules and more, a new account must be created.

Online resident registration opens February 26, 2019. Create your account today and be ready for Spring/Summer 2019 registration.

For details and to create your account, visit [caledon.ca/recreation](http://caledon.ca/recreation).

## Parking Pass Program

The Town's Parking Pass Program is a convenient parking option for residents and visitors. Obtaining a pass will exempt a vehicle from the restrictions of parking on the road between 2 - 6 a.m. and from the three hour maximum limit.

Sixteen passes per vehicle are available each year. Seven additional parking passes are available to homeowners that are completing driveway improvements or are impacted by Town or Region construction projects.

To learn more and to quickly and easily apply for a pass online, visit [caledon.ca/parkingpass](http://caledon.ca/parkingpass)

## Find your "forever" friend

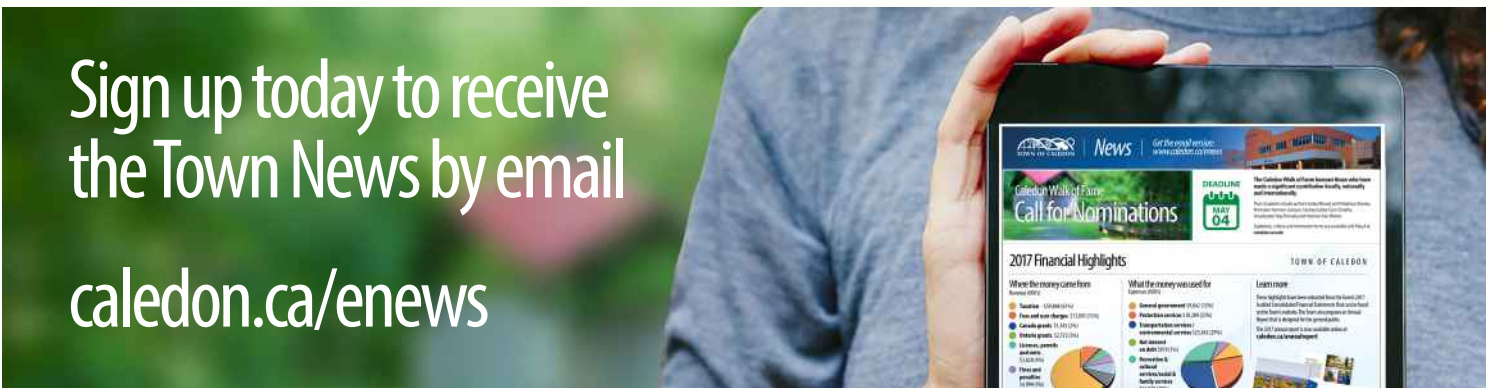

Animal Services has a variety of pets looking for homes! Adopting from us has many advantages:

- Low adoption fees
- Pets are spayed/neutered
- Adopted pets are microchipped

Visit [caledon.ca/animalservices](http://caledon.ca/animalservices) for more information or call us. Please note our new phone number: 905.584.2272 x.4698.

## 2019 Tree Seedling Program

Caledon's Tree Seedling Program is underway! Since the program's inception in 2002 over 179,512 trees have been distributed to local landowners. Join us in expanding Caledon's tree canopy. To place your order before March 29, 2019, visit [caledon.ca/seedlings](http://caledon.ca/seedlings).
