**PART II  
TRAFFIC RULES**

**PEDESTRIAN RULES**

3. (1) Except where traffic control signals are in operation or where traffic is being controlled by a police officer, a pedestrian crossing a highway at a place other than a pedestrian crossover shall yield the right-of-way to all vehicles upon the highway, but nothing in this Section shall relieve the driver of a vehicle from the obligation of taking all due care to avoid a collision.
- (2) No pedestrian shall proceed over or go under a barrier installed on a sidewalk for the purpose of prohibiting pedestrian movement.
- (3) No person shall play or take part in any game or sport upon a highway.
- (4) No person on a skateboard, in-line skates, roller skates, or riding in, or by means of, any coaster, toy vehicle or similar device, shall travel on any highway, except
  - (a) on a sidewalk;
  - (b) to cross the highway directly; or
  - (c) on a designated multi-use recreational trail where authorized signs are posted and there is no sidewalk.

## **REGULATIONS FOR BICYCLES**

4. (1) A person operating a bicycle upon a highway shall ride as near the right-hand side of the roadway as practicable and shall exercise due care when passing a standing vehicle or one proceeding in the same direction.
- (2) No person shall drive a bicycle with any wheel greater than fifty (50) centimetres in diameter upon any sidewalk except for the purpose of directly crossing a sidewalk.
- (3) Persons operating bicycles upon a highway shall ride in single file.
- (4) No person operating a bicycle shall carry any package, bundle or article which prevents the rider from keeping both hands on the handle bars.
- (5) Every person operating a bicycle shall, at all times when riding on a highway, keep his or her feet on the pedals and both hands on the handlebars, except for the purposes of signalling.
- (6) No person shall park or stop a bicycle on a highway except in such manner as to cause the least possible obstruction to pedestrian or vehicular traffic.

## **TRAFFIC SIGNS AND SIGNALS**

5. (1) The Director is authorized to place or erect and to maintain such official signs and traffic control signals as are required to give effect to the provisions of this by-law or as required to warn or guide traffic for the safety or convenience of the public.
- (2) No person shall place, maintain or display upon or in view of any highway any sign, signal, marking or device which purports to be or is an imitation of or resembles an official sign or traffic control signal or which conceals from view or interferes with the effectiveness of an official sign or traffic control signal.

## **GENERAL STOPPING AND PARKING REGULATIONS**

6. (1) No person shall park or stop any vehicle on any highway or portion thereof except as follows:
  - (a) where there is a raised curb, on the right side of the roadway, having regard to the direction such vehicle was proceeding, with its right front and rear wheels parallel to and not more than fifteen (15) centimetres out from such curb; and
  - (b) where there is no curb or a rolled curb, with the right front and rear wheels parallel to and as near top the right-hand limit of the highway as is practicable without stopping or parking over a sidewalk or footpath or over any part of a highway where grass is grown or which is not intended for the use of vehicles.
- (2) The provisions of Subsection 6(1) do not apply where angle parking is permitted.
- (3) Where angle parking is permitted on a highway, no person shall stop or park any vehicle except at an angle of forty-five (45) degrees from the curb or boundary of the roadway with the front end of the vehicle except within an area designated as a parking space.

[By-law 2015-075  
effective Sep 29/15]

- (4) Where parking is permitted on a highway designated for one-way traffic, the provisions of Subsection 6(1) shall include the word "left", wherever the word "right" is used.
- (5) No person shall park a vehicle on private property unless that person is the owner of the private property or unless:
  - (a) signs have been erected on the private property permitting such a vehicle to be parked there; or
  - (b) the owner of the property has otherwise granted written permission for that vehicle to be parked there.
- (6) No person shall park a vehicle on municipal property unless:
  - (a) signs have been erected on the property, permitting the vehicle to be parked there; or
  - (b) the Director has otherwise granted permission for that vehicle to be parked there.
- (7) Where parking spaces are distinctly marked by painted lines or some other means, no person shall park or stop a vehicle except within the marked area so that no part of the vehicle encroaches on an adjacent parking space, aisle or traffic lane.
- (8) No person shall stop a vehicle on a highway in any of the following places:
  - (a) on or over a sidewalk, footpath or crosswalk;
  - (b) within an intersection;
  - (c) within a designated pedestrian crossover;
  - (d) within nine (9) metres of a pedestrian crossover;
  - (e) alongside or across the highway from any excavation or obstruction in the roadway when the free flow of traffic would thereby be impeded;
  - (f) on the roadway alongside of any stopped or parked vehicle;
  - (g) upon any bridge or within any tunnel or underpass;
  - (h) on any boulevard or centre strip separating two roadways or adjacent to either side or ends of such boulevard or centre strip; or
    - (i) within thirty (30) metres of a school crossing.
- (9) No person shall park a vehicle on a highway:
  - (a) for a longer period of time than three (3) hours;
  - (b) between the hours of 2:00 a.m. and 6:00 a.m.;
  - (c) in front of or within six (6) metres of a driveway or laneway along a highway where the speed limit is higher than 50 km/h and in front of or within one (1) metre of a driveway or laneway, along a highway where the speed limit is 50 km/h or less or so as to obstruct vehicles in the use of a driveway or laneway;
  - (d) within three (3) metres of a point on the edge of the highway and nearest a fire hydrant;

- (e) within nine (9) metres of an intersection as measured from the end of the corner radius;
- (f) within fifteen (15) metres of the nearest rail of any level crossing of a railway;
- (g) on any roadway having an overall width of less than six (6) metres;
- (h) within six (6) metres of a point on the edge of the roadway nearest any public entrance to any public building;
- (i) in such a position as to prevent the removal of any other vehicle previously parked;
- (j) for the purpose of washing, greasing or repairing the vehicle, except for such repairs as have been necessitated by an emergency;
- (k) for the purpose of displaying the vehicle for sale;
- (l) which is immobile or is unlicensed for the current year;
- (m) in such a manner as to interfere with the movement of traffic or snow removal operations on the highway;
- (n) on a roadway directly opposite a vehicle stopped or parked on the other side of the roadway, where the width of the roadway is less than nine (9) metres;
- (o) on a boulevard; or
- (p) within a designated bicycle lane.

7. Where official no parking signs are erected and are on display, no person shall park any vehicle on any highway:

- (1) within fifty (50) metres of an intersection as measured from the end of the corner radius;
- (2) within twenty-five (25) metres of a bus stop as measured from the post for the bus stop sign;
- (3) within thirty (30) metres of either side of the entrance driveway of any fire hall;
- (4) across from or adjacent to school property between the hours of 8:00 a.m. to 5:00 p.m., from September 1 to June 30 inclusive, Monday to Friday inclusive;
- (5) within the following distance of a crosswalk controlled by traffic control signals and located other than at an intersection:
  - (a) fifteen (15) metres of the crosswalk measured on each side of the highway in the direction of travel of vehicles on that side of the highway, and
  - (b) thirty (30) metres of the crosswalk measured on each side of the highway in the direction opposite to the direction of travel of vehicles on that side of the highway;
- (6) along a road where an Emergency No Parking prohibition is in effect;
- (7) within a cul-de-sac;
- (8) in front of the entrance to any place where goods or merchandise are regularly delivered or removed;

- (9) within thirty (30) metres of a trail or pedestrian pathway access;
- (10) adjacent to a playground or park, between the hours of 8:00 a.m. and 11:00 p.m. on any day;
- (11) in a public lane;
- (12) within fifteen (15) metres of the end of the corner radius, on the inside portion of a road elbow curve; or
- (13) within fifteen (15) metres of a traffic calming measure.

**EMERGENCY NO- PARKING SIGNS**

- 8. The Director is authorized to erect emergency "No Parking" signs:
  - (1) when in his opinion an emergency has arisen making it desirable to prohibit parking on a highway in the interests of safety;
  - (2) to facilitate the removal of snow, ice or debris from a highway; and
  - (3) to facilitate the construction or repair of highways, curbs, gutters, sewers, and sidewalks.
- 9. The emergency "No Parking" signs shall be erected as soon as reasonably practical before the event commences, and shall be removed as soon as reasonably practical after the event has concluded.

**WINTER PARKING BAN**

- 10. The Director is authorized to enact a Winter Parking Ban when in his opinion a winter storm event is anticipated.
- 11. A Winter Parking Ban shall:
  - (1) come into effect at 11:59 p.m. on the day that is enacted;
  - (2) remain in effect until the Director authorizes the lifting or ending of the ban; and
  - (3) be publicised on the Town website for the duration of the ban.
- 12. No person shall park a vehicle on a highway during a Winter Parking Ban.

**PARKING OF HEAVY VEHICLES**

- 13. (1) No person shall park a vehicle that has a gross vehicle weight or registered gross vehicle weight greater than three thousand (3000) kilograms on a highway in an area designated for residential or institutional use under the Town's Zoning By-law or used for residential or institutional purposes.
  - (2) Subsection 13(1) shall not apply to a school bus or to any vehicle actively engaged in making a delivery to or a collection from premises, in property maintenance, or construction.
- 14. (1) No person shall park a vehicle on a highway in an area designated for residential or institutional use under the Town's Zoning By-law or that is used for residential or institutional purposes, that has a width including the load and contents but excluding mirrors, equal to or greater than 2.13 metres.

- (2) Subsection 14(1) shall not apply to a school bus or to any vehicle actively engaged in making a delivery to or a collection from premises, in property maintenance, or construction.

### **STOPPING AND PARKING RESTRICTIONS & PROHIBITION ON CERTAIN HIGHWAYS**

15. Where authorized signs are erected, no person shall in contravention thereof park a vehicle on any highway set out in Column 1 of Schedule "A" attached to this by-law, at the sides of the highway set out in Column 2, between the limits set out in Column 3, during the times, or on the days, set out in Column 4; and
16. Where authorized signs are erected, no person shall in contravention thereof stop a vehicle on any highway set out in Column 1 of Schedule "B" attached to this by-law, at the sides of the highway set out in Column 2, between the limits set out in Column 3, during the times, or on the days set out in Column 4; and
17. Where authorized signs are erected, no person shall in contravention thereof park a vehicle on any highway set out in Column 1 of Schedule "C" attached to this by-law, at the sides of the highway set out in Column 2, between the limits set out in Column 3, during the times, or on the days set out in Column 4 for a longer period than set out in Column 5.

### **PART III MISCELLANEOUS DRIVING RULES**

18. (1) The driver or operator of a vehicle emerging from a driveway, laneway or building onto a highway shall bring the vehicle to a full stop immediately before driving onto a sidewalk or footpath, and upon proceeding shall yield the right-of-way to pedestrians upon the sidewalk or footpath.
- (2) No person shall drive a vehicle upon a sidewalk or footpath except for the purpose of directly crossing the sidewalk or footpath.
- (3) No person shall drive a motor vehicle over a raised curb except at a place where there is a ramp designated for that purpose.
19. (1) No operator of a vehicle approaching a green signal light at an intersection shall enter the intersection unless traffic in front of them is moving in a manner that would reasonably lead them to believe they can clear the intersection before the signal light turns red.
- (2) Subsection 19(1) does not apply to the operator of a vehicle who enters an intersection for the purpose of turning to the right or left into an intersecting highway and signals their intention to make such turn prior to entering the intersection.

### **HEAVY TRUCK RESTRICTIONS**

20. Except as provided in Sections 21, 22 and 23 of this by-law, when authorized signs to that effect are erected, no person shall move, drive, park or operate a heavy truck, on any highway under the jurisdiction of the Town of Caledon.
21. Section 20 of this by-law shall not apply to any vehicle actually engaged in making a delivery to or a collection from premises which cannot be reached except by way of a highway or a portion of highway referred to in the said Section or to prohibit the use of such vehicle for such purpose, provided that in making such a delivery or collection the said highway or portion of highway is travelled only insofar as is unavoidable in getting to and from such premises and provided that the driver of the vehicle is able to produce a bill of lading for that delivery upon demand by a police officer.

22. Section 20 of this by-law shall not apply to any vehicle engaged in leaving from or returning to the said vehicle's owner's and/or operator's principal residence provided that in so leaving from or returning to their principal residence, the said portion of highway that is used is travelled only insofar as is unavoidable in getting to and from such premises and provided such storage of their vehicle is permitted under the Town's Zoning By-Law.
23. Section 20 of this by-law does not apply to:
- (1) vehicles operated by or on behalf of the Town, where such vehicles are engaged in highway construction, maintenance, stockpiling of gravel including the carriage and application of abrasives or chemicals for use on a highway, or the removal of snow from a highway;
  - (2) vehicles used exclusively for the transportation of milk;
  - (3) vehicles used exclusively for the transportation of livestock, feed and live poultry;
  - (4) fire apparatus;
  - (5) vehicles operated by or on behalf of a municipality transporting waste or recycling material;
  - (6) public utility emergency vehicle;
  - (7) vehicles used exclusively for the transportation of liquid or gaseous heating fuel;
  - (8) a person operating under a permit issued by the Director;
  - (9) vehicles upon which a farm plate is attached, in accordance with the provisions of the *Highway Traffic Act*; and
  - (10) vehicles used exclusively for the delivery of goods for agricultural purposes, provided that the driver of the vehicle is able to produce a bill of lading for that delivery upon demand by a police officer.

#### **LOAD WEIGHT RESTRICTIONS**

24. (1) No commercial motor vehicle or trailer, other than a public vehicle or a two axle tank-truck or a two axle truck, while either is used as referred to in Section 122 of the *Highway Traffic Act*, shall be operated or drawn on the highways during the period commencing on the first day of January up to and including the 31st day of December in each and every year when appropriate signs have been erected by the Director, where any axle of such commercial motor vehicle or trailer transmit to the highway, weight in excess of 5,000 kilograms.
- (2) Subsection 24(1) does not apply to prevent the operation of a commercial motor vehicle or trailer on the parts of the highways where a special permit has been applied for and obtained from the Director.
- (3) A special permit may be made subject to such terms and conditions as the Director deems appropriate.
25. Notwithstanding Section 20 and Section 24, where authorized signs are erected indicating a bridge's maximum allowable weight, no person shall operate a motor vehicle upon that bridge where the motor vehicle's gross weight is in excess of the posted limit.

### **STOP SIGNS**

26. The intersections set out in Column 1 of Schedule "D" attached to this by-law are designated as intersections where stop signs shall be erected facing traffic travelling in the direction shown in Column 2 and on the highway shown in Column 3.

### **YIELD SIGNS**

27. The intersections set out in Column 1 of Schedule "E" attached to this by-law are designated as intersections where yield signs shall be erected facing traffic travelling in the direction shown in Column 2 and on the highway shown in Column 3.

### **SPEED LIMITS**

28. The maximum rate of speed on any highway under the jurisdiction of the Town shall be fifty (50) kilometres per hour, except where official signs have been erected and are on display in accordance with the maximum rate of speed prescribed in Section 29.
29. Where authorized signs are erected, the highways set out in Column 1 of Schedule "F" attached to this by-law, between the limits set out in Column 2 of the said schedule, the maximum rate of speed in kilometres per hour shall be that set out in Column 3 of the said schedule.
30. The maximum rate of speed prescribed in Section 29 shall be reduced in school zones, on days on which school is regularly held, in accordance with Section 31.
31. Where authorized signs are erected and amber flashing beacons are activated, the highways set out in Column 1 of Schedule "G" attached to this by-law, between the limits set out in Column 2 of the said schedule, during the times set out in Column 3, the maximum rate of speed in kilometres per hour shall be that set out in Column 4 of the said schedule.

### **ONE WAY TRAFFIC**

32. Where authorized signs are erected, the highways set out in Column 1 of Schedule "H" attached to this by-law between the limits set out in Column 2 are restricted to one-way traffic in the direction set out in Column 3.
33. The circle of a roundabout is restricted to one-way traffic travelling in a counter clockwise direction.

### **TURNING MOVEMENTS**

34. When an authorized sign to that effect is displayed, no vehicle in any intersection or portion of the highway set out in Column 1 of Schedule "I" to this by-law approaching the location or emerging from a property set out in Column 2 proceeding in the direction set out in Column 3, shall complete the turn set out in Column 4, during the times or days set out in Column 5.

### **DESIGNATED BICYCLE LANES**

35. Where signs to that effect are displayed on highways set out in Column 1 of Schedule "J" of this by-law having been divided into clearly marked lanes for bicycle traffic within the limits set out in Column 2, the lane identified in Column 3 is hereby designated only for bicycles travelling in the direction indicated in Column 4.
36. Where a lane of the highway has been designated for the use of bicycles only, no person shall:

- (1) drive a vehicle in the designated lane other than a bicycle, public transit, police, fire, emergency medical service vehicle or maintenance vehicle while engaged in maintenance activities; or
- (2) park a vehicle in the designated lane other than a public transit, police, fire, emergency medical service vehicle or maintenance vehicle while engaged in maintenance activities.

**PART IV  
DESIGNATED ACCESSIBLE PARKING  
FOR PERSONS WITH DISABILITIES**

- 37. (1) No person shall park, stop or stand a vehicle in a designated accessible parking space, or be entitled to the benefit of an exemption under this by-law, unless a currently valid accessible parking permit has been issued to that person or to a passenger being picked up or transported in such vehicle, and such permit is displayed on or in the vehicle in accordance with the *Highway Traffic Act*.
- (2) No person, including persons driving a vehicle displaying a valid accessible parking permit, shall park on or behind an access aisle.
- 38. (1) Designated accessible parking spaces, for the purposes of this by-law, shall be provided in all municipal and private parking lots, and on streets and highways within the Town in accordance with this by-law and the Town's Zoning By-law, as amended.
- (2) The owners and operators of parking lots or other parking facilities to which the public has access, whether on payment of a fee or otherwise, shall provide designated accessible parking spaces in accordance with Schedule "K" of this by-law.
- (3) The total number of designated accessible parking spaces shall be included within the total required parking calculation for the lot or use shall be rounded up to the nearest whole number.
- 39. Every owner and operator of a parking lot who is required to provide a designated accessible parking space is responsible for the procurement, installation and maintenance of the sign and for ensuring that the sign conforms with the *Highway Traffic Act* and to the requirements of this by-law.
- 40. No person shall relocate or remove a designated accessible parking space without the prior written approval of the Director.
- 41. No owner or operator of a parking lot shall at any time obstruct, cause to be obstructed or permit to be obstructed by any means or in any manner a designated accessible parking space.
- 42. Every owner or operator of a parking lot who is required to provide a designated accessible parking space shall keep the parking space clear of snow and ice.
- 43. Where an owner or operator of a parking lot is required to provide a designated accessible parking space and fails to maintain a parking space in good repair the Town may undertake or cause to undertake the necessary repair at the owner's or operator's expense and the Town may recover the expense incurred in doing it by action or in like manner as municipal taxes.
- 44. The owner and/or operator of a parking lot shall not require the driver or operator of a vehicle on or in which a permit is displayed in accordance with the requirements of the *Highway Traffic Act* and this by-law to pay an amount in excess of the normal fee paid by other users of the same parking lot.

**PART V  
MOTORIZED SNOW VEHICLES**

45. Subject to Sections 46 and 47, no person shall drive a motorized snow vehicle on any highway under the jurisdiction of the Town.
46. This by-law shall not apply to prevent a motorized snow vehicle being driven across a highway under the jurisdiction of the Town at an angle of ninety (90) degrees to the direction of the highway.
47. Notwithstanding the provisions of Part V of this by-law, in cases of emergency and special events, the Director is authorized to permit the use of specific Town roads during specific times by motorized snow vehicles.

**PART VI  
COMMUNITY SAFETY ZONES**

48. Where authorized signs are erected, any highway set out in Column 1 of Schedule "L" attached to this by-law, between the limits set out in Column 2, during the times, or on the days set out in Column 3, shall be designated as a community safety zone.

**PART VII  
FIRE ROUTES**

49. Every route that is required to be provided pursuant to the *Building Code Act, 1992*, S.O. 1992, c. 23 and its regulations for the access of fire department vehicles, except any access route relating to single-family detached dwellings, semi-detached single-family dwellings or on-street row housing, is designated as a fire route.
50. The Fire Chief shall cause a notice to be either personally delivered or mailed by prepaid registered mail to the owner of the property where a fire route has been designated containing:
  - (1) the date on which the fire route was designated;
  - (2) a site plan outlining the location of the designated fire route and authorized sign locations; and
  - (3) a copy of this by-law.
51. Where a fire route has been designated under this by-law, the owner of the property upon which the route is located,
  - (1) shall construct a fire route in accordance with the fire route requirements set out in Schedule "M" to this by-law, and
  - (2) shall install fire route signs along the designated fire route in accordance with the sign design standards set out in Schedule "M" to this by-law and in the locations outlined on the site plan referred to above.
52.
  - (1) Where the owner fails to construct a designated fire route in accordance with the provisions of this by-law, the Fire Chief may issue a notice to comply requiring the owner to construct a fire route in accordance with the provisions of this by-law by the time specified in the notice.
  - (2) The Fire Chief shall cause the notice to comply to be either personally delivered or mailed by prepaid registered mail to the owner.

- (3) The owner of the property shall comply with the requirements of the notice to comply.
53. The owner shall keep a designated fire route:
- (1) in good repair,
  - (2) clear of ice and snow, and
  - (3) free of all forms of barriers and obstructions.
54. The owner shall keep all authorized signs in good repair and in a clearly visible location.
55. Where the owner fails to erect or to maintain an authorized sign in accordance with the provisions of this by-law, the Town may enter on the owner's land and may undertake or cause to undertake the necessary repair to, or where required, may erect or replace an authorized sign or signs at the expense of the owner and any costs incurred as a result thereof may be recovered in like manner as municipal taxes.
56. (1) Notwithstanding that a fire route has been designated and constructed and that the authorized signs have been installed in accordance with this by-law, the Fire Chief may, if it is required by the life safety provisions of the Fire Code, require that the fire route and the signs be modified to implement these life safety provisions.
- (2) The Fire Chief shall cause a notice to be either personally delivered or mailed by prepaid registered mail to the owner of the property setting out that such changes are required to be made to the fire route and/or to the authorized signs by the time specified in the notice.
- (3) The property owner shall comply with the requirements of the notice including performance of all work necessary on the fire route and the authorized signs.
- (4) Where the necessary work includes physical changes to the fire route, the Fire Chief may require that any appropriate design professional certify the performance of the work.
57. (1) No person shall park a vehicle at any time on or along any part of a designated fire route along which authorized signs are erected.
- (2) This Section is not applicable to:
- (a) ambulances, police or fire department vehicles, or public utility emergency vehicles, or
  - (b) vehicles actually engaged in work for or on behalf of the Town.

**PART VIII  
EXCESS LOAD MOVING PERMITS**

58. No person shall move, or permit or cause to be moved over a Town highway any heavy vehicle, load, object or structure in excess of the dimensional limits set out in the *Highway Traffic Act* unless a prior permit has been issued therefor by the Director.
59. The Director is hereby designated to issue a permit permitting the moving of heavy vehicles, loads, objects or structures in excess of the dimensional limits set out in the *Highway Traffic Act* where the moving will take place over Town highways.

**PART IX  
OBSTRUCTION OF HIGHWAY**

60. No person shall obstruct, encumber or damage, or permit to be obstructed, encumbered or damaged, any highway or bridge under the jurisdiction of the Town of Caledon by any means whatsoever.
61. Without limiting the generality of Section 60, the obstruction or fouling of a highway includes:
- (1) the building or maintaining of a fence on a highway;
  - (2) the depositing of snow or ice on a highway;
  - (3) the depositing of large refuse containers or bulk containers on a highway;
  - (4) the depositing of construction or landscaping materials on a highway; and
  - (5) the placing or depositing of firewood on a highway.
62. No person shall throw, place or deposit, or permit to be thrown, blown, placed or deposited, or dropped from any vehicle, dirt filth, glass, handbills, garbage, ashes, tires, appliances, soil, construction material, paper or other rubbish or refuse, or the carcass of any animal on any highway or bridge under the jurisdiction of the Town.
63. No person shall obstruct a ditch or culvert which is upon a highway under the jurisdiction of the Town.
64. No person shall alter, disturb, injure, or landscape in any way or permit to be altered, disturbed, injured, or landscaped in any way, any grass portion of any boulevard abutting private property including but not limited to planting of trees, shrubs, flowers, the building of fences, the building of retaining or decorative walls, tree rings, the installation of an irrigation system, or the installation of electrical wiring in or over a boulevard.
65. Any person employing or using equipment in making excavations for building and related purposes, and in conveying earth, rubbish or other material from such excavations, or from any other place along a highway under the jurisdiction of the Town, or in any operation involving the passage of such equipment to and from any site, whether for building purposes or otherwise, shall at once remove from the highway, all earth, rubbish or other material that may fall from the wheels of, or from such equipment.
66. The Director may give to any person who has obstructed, encumbered or damaged or permitted to be obstructed, encumbered or damaged, any highway or bridge under the jurisdiction of the Town, notice in writing requiring the removal of earth, rubbish, other material or obstruction from the highway of the Town within twelve (12) hours or, immediately, if deemed a safety hazard, and notifying such person that in default of compliance with the said notice, the Town will perform the work at that person's expense.
67. In the event that such person does not comply with the direction in the said notice, the Town may perform the work or cause it to be done, and the cost thereof may be recovered from such person by court action or the same may be recovered in like manner as municipal taxes.

### **CLEARING OF SNOW**

68. No person, when clearing snow from their property or driveway entrance, or when sanding or salting, shall deposit snow, sand or salt onto a highway including the travelled portion of the road, within the boulevard, in a drainage course or upon a sidewalk, in such a way as to interfere with the clearing of snow from the road, or the movement of traffic.

### **SALE OF GOODS ON A HIGHWAY**

69. (1) No person shall display any goods, merchandise, products, refreshments, foodstuffs or flowers or sell or offer for sale by retail any goods on a highway unless otherwise permitted by a written agreement or by-law approved by the Town of Caledon.
- (2) No person shall sell or offer for sale by retail any goods on a vacant lot adjacent to a highway.
70. (1) A provincial offences officer who has reason to believe that any object, vehicle or thing is stopped, parked or placed on a public highway under the jurisdiction of the Town of Caledon in contravention of Section 69, may cause it to be removed and taken to and stored in a suitable place.
- (2) Where there is a person in charge of the object, vehicle or thing in contravention of this by-law, the provincial offences officer shall produce appropriate identification and inform the person in charge, that the object, vehicle or thing is in contravention of this by-law.
- (3) Where there is a person in charge of the object, vehicle or thing in contravention of this by-law, the provincial offences officer shall give a receipt to that person for the object, vehicle or thing.
- (4) Subject to Subsections 70(5) and 70(6), all costs and charges for the removal, care and storage of any object, vehicle or thing under this by-law are a lien upon it which may be enforced by the Town in the manner provided by the *Repair and Storage Liens Act*.
- (5) An object, vehicle or thing removed and stored in accordance with Subsection 70(1) not claimed by the owner within sixty (60) days of removal is the property of the Town and may be sold and the proceeds shall form part of the general funds of the Town of Caledon.
- (6) Despite Subsection 70(5), any object or thing that is perishable becomes the property of the Town of Caledon upon being moved in accordance with Subsection 70(1) and may be destroyed.
- (7) The provisions of this Section shall apply to any highway established as a Regional Road in the Town of Caledon within the Regional Road system established by the Regional Municipality of Peel for as long as the Region has enacted and passed a by-law for the sale and display of goods on a highway as authorized by the *Municipal Act, 2001*.

### **TEMPORARY ROAD CLOSURES**

71. No person shall commence construction or repair of an entrance culvert or any work over, on, under or adjacent to any Town highway which is likely to require the temporary closing, obstruction or encumbering of part or all of such highway unless:
- (1) a permit has been issued by the Director;
- (2) signs, barricades and other safety measures have been erected in accordance with the provisions of the permit; and

- (3) alternative traffic routes have been established in accordance with the provisions of the permit.
72. No person shall conduct a social event which is likely to require the temporary closing, obstruction or encumbering of part or all of such highway unless:
- (1) a permit has been issued by the Director;
  - (2) signs, barricades and other safety measures have been erected in accordance with the provisions of the permit; and
  - (3) alternative traffic routes have been established in accordance with the provisions of the permit.
73. The Director may temporarily close any highway when necessary by reason of any work or improvement being carried on thereon, or by reason of the condition thereof, or for any other cause deemed sufficient by the said Director, and may erect and keep thereon or require the erection of any barricade or notice warning the public that such highway is closed to traffic.
74. Notwithstanding the provisions of any other by-law, a permit issued in accordance with this Section shall:
- (1) permit the holder thereof to use the highway or part thereof named in such permit for the construction or repair of an entrance culvert or to do any work over, on, under or adjacent to any Town highway which period shall not exceed twenty-four (24) hours, upon the terms and conditions herein set out;
  - (2) permit the holder thereof to use the highway or part thereof named in such permit for social, recreational, community, athletic or film production purpose for the period therein set out, which period shall not exceed twenty-four (24) hours, upon the terms and conditions herein set out; and
  - (3) permit for the period set out in such permit the physical closing of such highway or part thereof to vehicular traffic provided local access for residents and emergency vehicles is maintained.
75. (1) An application on a form approved by the Director shall be made to the Director at least three (3) weeks prior to the date for which such permit is to be applicable and such application shall provide the following:
- (a) name, address and telephone number of the applicant;
  - (b) name and physical limits of the public highway or part thereof for which the permit is sought;
  - (c) date and time for when the permit is required;
  - (d) purpose for which the permit is required;
  - (e) certification in a form approved by the Director that the majority of the owners or occupants of the residential and commercial properties abutting on the said public highway or part thereof for which the permit is sought have no objection to the permit being issued;
  - (f) certification that no charge will be made for admission to any part of the public highway in respect of which such permit is sought;
  - (g) certification that alcoholic beverages will not be sold or consumed within the public highway or part thereof for which the permit sought, unless specifically provided for under a licence issued pursuant to the provisions of the *Liquor Licence Act*; and
  - (h) certification of compliance with the provisions and conditions of the Town's and The Regional Municipality of Peel's by-laws as

they relate to the public highway or part thereof for which the permit is sought.

- (2) The Director shall issue a permit where the applicant complies with all the provisions of this Section unless the Director has received written notice of opposition to the issuance of the permit in which case the Director shall refer the application to Council.
  - (3) The Director shall refer an application to Council wherever an application fails to comply with any of the provisions of this Section.
  - (4) Whenever an application has been has been referred to Council by the Director pursuant to Subsection 75(9) or (10), Council may direct the Director to issue a permit where the applicant complies with all of the provisions of this Section.
  - (5) No permit shall be issued pursuant to Section 75 of this by-law until the applicant has agreed to the following conditions:
    - (a) to indemnify and save harmless the Town from any actions, loss, costs, claims or damages arising from the use or physical closing of the public highway or part thereof for which the permit is authorized to be issued;
    - (b) to maintain access for local pedestrian and vehicular traffic and for emergency vehicles which are maintained separate from each other;
    - (c) to supply, erect and maintain and remove at the permit holders expense all barricades, sign covers, lights, flagmen and other safety warning devices to protect vehicular and pedestrian traffic and to arrange for the restoration of the highway to the condition which existed prior to the event taking place;
    - (d) to any other requirements which may be made by Town Legal Counsel or the Director;
    - (e) the Applicant has paid a fee as set out in the Town's Fees By-law;
    - (f) the Applicant has provided a certificate of insurance satisfactory to the Director, in which the Town is a named as additional insured, providing public liability coverage, bodily injury coverage and property damage coverage in the amount of \$5,000,000.00 (five million dollars), and including a cross liability clause; and
    - (g) the Applicant has obtained written confirmation from the Caledon detachment of the Ontario Provincial Police (O.P.P.) that safety precautions have been put in place to the satisfaction of the O.P.P., including the hiring of police officers for traffic control, which shall be at the discretion of the O.P.P. .
76. Where a permit holder fails to comply with any of the provisions of this by-law the Director may perform the works necessary to effect compliance with this Section and all costs and expenses incurred thereby shall be borne by the permit holder.
77. (1) No person shall remove, relocate, conceal from view or interfere with any traffic signs, safety barricades, guide rails, posts and wire delineation in the course of carrying out the work or social event.

- (2) In the event that the permit holder requires the temporary removal or relocation of any of the above, he shall request the Director to do such work and all costs thereby incurred shall be borne by the permit holder.

78. No person shall remove or deface any barricade, device, detour sign or notice placed on any highway or portion thereof pursuant to this Section.

### **WORK ON HIGHWAYS**

79. (1) No person shall cause or permit to be done on any portion of a highway any of the following actions or works, without previously obtaining a permit therefor and agreeing to comply with the terms and regulations of the permit and this by-law:

(a) excavate, dig up, break, tear, connect to, alter, obstruct, destroy, restore or reconstruct, whether for the purposes of constructing a means of access or a connection to municipal services or for any other purpose,

(i) a sidewalk;

(ii) a boulevard;

(iii) a paved surface of any highway or supporting materials thereunder;

(iv) a curb or gutter;

(v) municipal services, including storm or sanitary sewers, water mains, ditches, foundation drain collectors or culverts;

(vi) topsoil or sub-soil, or

(vii) vegetation, including grass, bushes or trees or

(b) place, construct, replace or reconstruct or cause or permit to be placed, constructed, replaced or reconstructed any object, structure, material or works on or under any portion of any highway, including, and without limiting the generality of the foregoing, any pavement, concrete, landfill, sewer or water pipe.

80. Every applicant for a permit to perform any actions or works on or under a Town highway shall:

(1) furnish such plans, surveys and other information to the Director as may be required with respect to the identity of the applicant and the nature of the actions or works proposed to be performed;

(2) pay such fees as set out in the applicable by-law;

(3) provide a reasonable estimate of the costs of performing that portion of the proposed actions and works which will lie entirely on or under the highway;

(4) sign the permit and to abide by the terms and conditions therein, which shall generally include the applicable standards in the Town for the performing of such actions and works and for the restoration of the municipal services or of the highway;

(5) provide a minimum deposit as required by the Director for the actions and works on or under the highway;

- (6) obtain such utility location stake-outs, clearance letters and written consent as may be necessary to ensure that utilities are not damaged by the applicant in the course of performing the actions or works; and
  - (7) indemnify and hold harmless the Town from any form of claim, action, suit or lien whatsoever caused by the actions or works performed on or under the highway by the applicant, including without limiting the generality of the foregoing, claims for harm to utilities by the actions or works of the applicant.
81. (1) Where the permit holder fails to perform the actions or works proposed in the permit application, including restoration works, to the standards required by the Director and it becomes necessary, in the opinion of the Director acting reasonably, to repair or restore that portion of the highway or municipal services affected by the actions or works of the permit holder, the Director may use the deposit to engage contractors or may direct Town staff to perform the actions or works and invoice the permit holder according to the standard policy of the Town and may credit the amount of the deposit against such invoices.
- (2) Where the amount of the invoice exceeds the amount of the deposit and the invoice remains unpaid after demand for payment has been made, the expense incurred may be recovered in like manner as municipal taxes.

## **GENERAL**

82. Where a person contravenes any section under Part IX of this by-law,
- (1) the person is liable for all costs and damages incurred by the Town in regard to the highway;
  - (2) the person may be required by the Director, at the person's sole cost,
    - (a) to repair the damages to the highway and/or
    - (b) to restore the highway to the condition the highway was in prior to the unauthorized work being performed, and
  - (3) the Director may perform the works necessary to repair and restore the highway to the condition the highway was in prior to the unauthorized work being performed and all costs and expenses incurred thereby shall be borne by the person, including damages and any other applicable fees under the applicable by-law.

## **PART X GENERAL**

### **APPLICABILITY**

83. This by-law shall not, if compliance therewith would be impracticable, apply to:
- (1) ambulances, police or fire department vehicles or public utility emergency vehicles, or
  - (2) vehicles actually engaged in works undertaken for or on behalf of the Town or a public transit commission.
84. Sections 7, 13 and 14 shall not apply to public transit vehicles, where compliance therewith would be impractical due to the placement of the bus stop for the public transit and school bus vehicles.

## **VEHICLE TOWING**

85. In addition to any other penalties provided for in this by-law, a provincial offences officer may, where a vehicle is parked or stopped in contravention of this by-law, cause that vehicle to be removed, taken away and stored in a suitable place.
86. Where, acting reasonably in all the circumstances, a provincial offences officer deems it necessary for public safety to relocate a vehicle lawfully parked on a highway the provincial offences officer may remove or cause to be removed the vehicle to a nearby location in order to facilitate snow clearing operations or the repair of the highway.
87. All costs and charges incurred for removing, taking away and storing a vehicle pursuant to Sections 85 and 86 of this by-law, shall be a lien upon the vehicle, which lien may be enforced in the manner prescribed by the *Repair and Storage Liens Act*, R.S.O. 1990, Chapter R.25, as amended.

## **ENFORCEMENT**

88. (1) The provisions of this by-law shall be enforced by the Ontario Provincial Police.
- (2) The provisions of Sections 6, 7, 12, 13, 14, 15, 16, 17, Part IV, Part VII and Part IX may be enforced by municipal by-law enforcement officers.

## **COMING INTO FORCE**

89. This by-law shall come into force and effect upon approval of the set fines for this by-law in accordance with the provisions of the *Provincial Offences Act*.

## **VALIDITY**

90. If a court of competent jurisdiction declares any provision, or any part of a provision, of this by-law to be invalid, or to be of no force and effect, it is the intention of Council in enacting this by-law that each and every other provision of this by-law authorized by law, be applied and enforced in accordance with its terms to the extent possible according to law.

## **PENALTY AND ENFORCEMENT**

91. Any person who contravenes any provision of this by-law, other than under Part IV, is guilty of an offence and upon conviction is liable to a penalty as provided for in the *Provincial Offences Act*.
92. Any person who contravenes any provision of Part IV of this by-law is guilty of an offence and shall be liable on conviction to a fine of not less than \$300.00
93. Where a vehicle has been left parked, stopped or standing in contravention of this by-law, the owner of a vehicle may be charged with and convicted of an offence under this by-law for which the driver of the vehicle is subject to be charged, unless at the time of the offence the vehicle was in the possession of some person other than the owner without the owner's consent, and on conviction the owner shall be liable for the penalty for the offence.
94. A provincial offences officer, upon discovery of any vehicle parked or left in contravention of this by-law, may cause it to be moved or taken to and placed or stored in a suitable place, and all costs and charges for removal, care and storage thereof, if any, shall be a lien upon the vehicle

which may be enforced in the manner provided by the *Repair and Storage Liens Act*, R.S.O. 1990, c. R.25.

95. Notwithstanding the requirements of this by-law, the provisions of a site plan approved pursuant to the *Planning Act* prior to the passing of this by-law, shall continue to apply to any existing parking space that is maintained in compliance with the requirements of the approved site plan, until such time as the site plan is amended, at which time the parking spaces shall be altered as necessary to comply with this by-law.

#### **PROVINCIAL OFFENCES ACT**

96. Part II of the *Provincial Offences Act*, R.S.O. 1990, Chapter P.33, as amended, applies in respect of all parking infractions under this by-law.

#### **SCHEDULES**

97. The Schedules referred to in this by-law shall form part of this by-law and each entry in a Column of each Schedule shall be read in conjunction with the entry or entries across therefrom and not otherwise.

#### **REPEAL**

98. By-laws numbered 2011-020, 2011-140, 2011-158, 2011-169, 2012-051, 2012-098, 2012-122, 2013-006, 2013-125, 2013-126, 2014-034, 2014-061, 2014-069, 2014-080 and any amendments thereto are hereby repealed.

#### **TITLE**

99. This by-law may be referred to as the "Traffic By-law".

SCHEDULE "M" TO BY-LAW BL-2015-058  
FIRE ROUTE REQUIREMENTS

PHYSICAL REQUIRMENTS

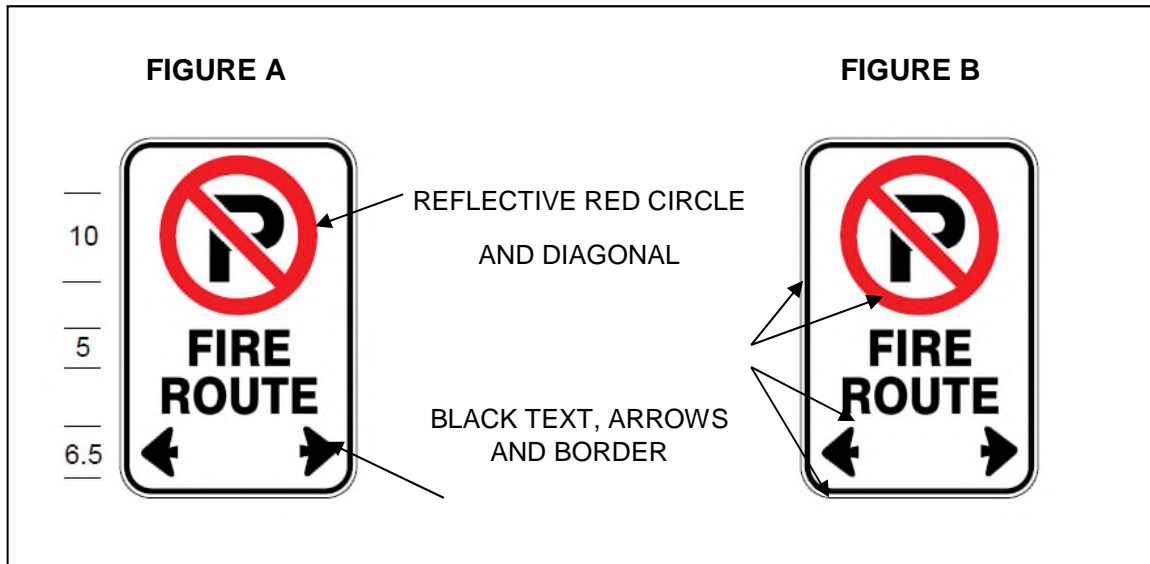

1. All designated fire routes shall be constructed and maintained in accordance with all of the following requirements:
  - (1) be connected to a public thoroughfare
  - (2) have a clear driving width of not less than 6 metres, if the building is designated as a Part 3 building under the Ontario Building Code
  - (3) be constructed of a hard surface material, such as asphalt, concrete or compacted granular material, that will provide accessibility in all climatic conditions and is capable of supporting a load of not less than 25,500 kg (56,217 lbs) gross vehicle weight
  - (4) have a change in gradient of not more than 1 in 12.5 over a minimum distance of 15 metres
  - (5) be located not less than 3 metres and not more than 15 metres, measured horizontally and at right angles from the face of the building
  - (6) have an overhead clearance of not less than 5 metres
  - (7) have a centre line radius of not less than 12 metres with respect to any change in direction of the fire route
  - (8) have turn around facilities for any dead end portion of the fire route exceeding 90 metres; such turn around facilities shall be either a 27 metre cul-de-sac or a 35 metres x 6 metre hammerhead
  - (9) be designed to provide access to the building face which contains the principal entrance when one only building face is required to be accessible by the Ontario Building Code
  - (10) be located not more than 45 metres measured horizontally from an entrance to each portion of a building which is completely cut off from the remainder of the building which is served by the fire route.
2. The clear width of the designated fire route may be reduced to
  - (1) 4 metres, if the building is designated as a Part 9 building under the Ontario Building Code and the authorized signs are placed along both sides of the driveway prohibiting parking or stopping, or
  - (2) 5 metres, if the building is designated as a Part 9 building under the Ontario Building Code and the authorized signs are placed along one side of the driveway prohibiting parking or stopping.
3. If the building is designated as a Part 9 building under the Ontario Building Code and the clear width of the fire route is 6 metres or greater, sections 10 and 11 of this by-law do not apply and parking may be permitted along both sides of the driveway.

SIGNAGE

4. All signs required by this by-law shall be printed on a 30 cm by 45 cm sign blank and shall display a format as illustrated in Figure A and B below and as required by Section 5 of this schedule.
5. Fire route signs shall be placed at each limit of a designated fire route and shall display single headed arrows (Figure A) pointing in the direction of such designated fire route. Signs displaying double headed arrows (Figure B) shall be placed at intermediate points along the designated fire route at intervals of approximately 30 metres or as identified by the Fire Chief.
6. Signs shall be installed at an angle of 45-60 degrees in relation to the edge of the travelled portion of the designated route facing approaching traffic.

SCHEDULE "M" TO BY-LAW BL-2015-058  
FIRE ROUTE REQUIREMENTS

7. Signs shall be erected on a sign post anchored securely to the ground or a platform capable of holding the sign erect during all weather conditions. The maximum height of signs shall be no greater than 3 metres and the minimum height of signs shall be no less than 2 metres above the wearing surface of the fire route. The height measurement referred to in this section shall be taken to the top of the sign for both the minimum and maximum heights.
8. Signs shall be erected on the boulevard of a designated fire route so that no part of the sign is closer than 60 cm nor greater than 3 metres to the edge of the fire route.
